Denny Community Learning Center (CLC) will be partnering with Denny Middle School to offer an inclusive drop-in summer program for youth. Denny Middle School will be an official designated Seattle School District summer school site, therefore an academic focus curriculum will be offered to students at the beginning of the day. To complete the holistic learning experience for the youth, Denny Community Learning Center will be offering a recreational program from 12pm-5pm. The Denny Community Learning Center Summer Program will continue to provide programs that contribute to the academic success of students, but most importantly will provide fun, high interest programs that intentionally make connections to student academic learning through recreational activities.

The Denny CLC Summer Program will offer a variety of recreational and enrichment activities, allowing youth to choose from two different programs to participate in each day. Activities will include Canoeing/Kayaking, Swimming, Rock Climbing, Flag Football, Robotics, Bowling, Golf, Skills and Drills Basketball, Cooking, Arts and Crafts, Playground games (Kickball, Scatter Ball, Sock'em, Capture the flag, etc) and more!
