Welcome EarthKeepers!

Please sit down with your parent or guardian and read this portion of our Handbook together!

What is an "EarthKeeper"?

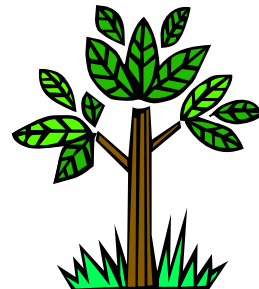

An "EarthKeeper" is someone who goes to Carkeek Park's EarthKeepers Summer Day Camp, who is a citizen of the Earth, who understands, or is seeking to learn, about how people are connected to plants, animals, land, water and the web of life.

What is Carkeek Park's EarthKeepers Summer Day Camp?

EarthKeepers is a special summer day camp for exploring, learning, developing respect and interconnectedness with the natural world. We offer activities to foster friendship, learning, amazement, creation and leadership. There is also emphasis on community building, respect for oneself, others and for the environment of which we are *all* a part.

What will we be doing at Camp?

On any given day at Camp you may find yourself hiking, exploring nature, playing a learning game, creating art, making crafts, singing camp songs, discovering a favorite local plant or animal or creating a skit to show what you know! Also, we have really interesting presenters scheduled and there will be time to play on the playground or field. Friday afternoon, we invite parents to share in what we learned throughout the week!

We have weekly themes at Camp, so depending on what week you come, we will be exploring:

Week 1	June 23- 27	Buggin' Out
Week 2	June 30-July 3	Tidepool - Window to Puget Sound (no camp 7/4/08)
Week 3	July 7-11	Survivor Island
Week 4	July 14-18	Wet & Squiggly Tidepools
Week 5	July 21-25	Furs, Tails, Tracks, & Trails
Week 6	July 28-August 1	Tides: Where the Land Meets the Sea
Week 7	August 4-8	Carkeek's Incredible Time Machine
Week 8	August 11-15	Survivor Island

Who are the teachers or counselors?

At Camp we call the teachers, or counselors, Naturalists. Our Naturalists have backgrounds in the natural sciences/environmental education and experience working with children of grade school age. They provide quality (good!) programming encouraging growth, exploration, enhanced knowledge of the natural world and increased personal responsibility.

Naturalists are assisted by *Youth Naturalists*, teenagers who are trained helpers and are excited about working with us at Camp. They are great!

So, how does Camp go, exactly?

Here is how it goes:

Can I be with my friends/brother/sister?

Groups are divided by age with each Naturalist leading a group of about 10 campers. Parent(s) or guardian(s) will be consulted if we have to split an age group. Please know we will do our very best in considering the needs of each child and all our campers.

What kinds of things will I need?

At Camp it's important to have:

- ❑ **Shoes that cover your whole foot!** Sneakers or boots are what we like to see. NO SANDALS, FLIP FLOPS OR ANYTHING THAT EXPOSES YOUR FEET! Even the new "Keen" shoes have too many gaps in them for us. We don't want your feet to get cut or anything stuck in them. Not fun! **A change of socks and shoes for beach weeks is also required.**
- ❑ **A nutritious lunch and afternoon snack!** Tips: protein for endurance, fruit is preferred to candy or sugar for energy. We encourage the use of reusable containers in the spirit of environmental stewardship.
- ❑ **A water bottle** with your name on it.
- ❑ **A backpack** with your name on it or attached to the outside.
- ❑ **A coat for wind and rain that can go in your backpack is required.** It is a few degrees colder in the Park, especially in the morning. Brrr...
- ❑ **Sunhats/sunglasses** are not required, but a good idea!

- **Sunblock—SPF 45 is advised.** Please come to Camp wearing your sunblock in the morning and we will remind you to put more on later in the day.

Now, here's a list of **things to leave at home:**

- Toys, sports equipment, trading cards and/or valuables*, UNLESS you get permission from the Director and they are for a special purpose
- MP3 Players, Portable Game devices or other electronics
- Toy guns, weapons (play or real), knives (even pocket knives) and fireworks (including Snap n' Pops) are NOT ALLOWED AT CAMP!

*"Valuables" means anything that is valuable to *you*. Losing a special barrette or walking stick in a 200-acre (BIG) park can be very sad! There is more fun and less of a worry if you leave your special things at home.

Carkeek Park Staff will not be held responsible for *any* items that are lost, stolen or broken while at camp. Belongings are placed in a locked shed and are secured when we are away from the picnic area, but they are available to children when they need them.

How do I contact Campers during the day?

For communications to campers and staff, parents may call the park office (206) 684-0877. The Director and Naturalist(s) will be contacted by radio as soon as possible.

We have included agreements for you to read with your parent(s) or guardian(s). Please sign and return them to show you are ready for Camp. The agreements are on the last page.

Policies and Procedures

Mandatory Check In/Check Out Procedure

Please have your campers to camp no later than 9am. We require the parent, guardian or authorized adult listed on the registration form to sign in each child each day and sign them out when departing. Please do not ask us to release a child for pick up to anyone who is not authorized in writing. Sign in/out on the clipboard with Staff. We'll look for you at the picnic tables near Shelter #2 at the bottom of the park.

After Hours Pick-up

Day Camp operates from 9am-4pm. Children may not be dropped off before 9am or left past 4pm, with the exception of children for whom you have purchased Before or After Care. After 4pm, a late charge of \$5 will be charged for the first 10 minutes. For each additional 10 minutes, another \$5 will be charged. This fee is to be paid in cash at the time of pick up directly to Camp Staff. If your child is left longer than 1 hour after close of Camp and Staff is unable to reach parents or emergency contacts, then a Community Service Police Officer will be called and the child will be taken into their custody. Please make sure emergency contacts listed for your child are people who would be available to pick up your child in the event of an emergency or unforeseen lateness.

Reporting Lateness/Absences

It is the responsibility of the parent to notify the Center when the child will not be in attendance for the day, or a part of the day. Please call (206) 684-0877 to leave a voice mail and Staff will retrieve it by approximately 9:30am. As a reminder, we do not refund or credit fees (without two week's notice) for illness, absences or vacations and the deposit portion (\$30) is non-refundable.

Discipline

In organizing and maintaining a safe and cooperative setting, it is necessary to have specific policies and limitations that govern our facilities, program/Staff and the behavior of each child. Compliance with imposed limits and policies of the facility and program is expected. Should it become necessary to correct and/or resolve any disruptive or dangerous behavior the following steps will be followed in progression starting with the action appropriate to the severity of the disruption.

1. Reasoning—Communication between the child and Staff where problems and solutions are identified
2. Time out—Removal from specific activity for a short period of time
3. Parent/Child/Director Conference with behavior contract
4. Probation period and possible suspension from program with second Parent/Child/Director conference
5. Removal from the program with third Parent/Child/Director conference

Physical discipline, such as spanking, is not allowed.

Non-prescription medication

The following medication can be given with written parental consent, only at the dose recommended and only for the duration and method of administration recommended on the manufacturer's label:

- Antihistamine
- Non-aspirin fever reducer/pain reliever
- Anti-itching ointment or lotion (specifically for itch relief only)
- Decongestant
- Sunscreen/sunblock

A physician's written authorization is required for non-prescription medication not listed, medication that is to be used in a way other than specified on the manufacturer's label, or that lacks a label. Parents must fill out a Medical Treatment Authorization Form and sign it for each medication that is to be dispensed. All unused medication will be returned to parents or disposed of.

The Seattle-King County Department of Public Health recommends purchasing a 45 SPF sunblock and applying it to your child before they arrive at Camp. Please include the sunblock, clearly labeled with the child's name, in their pack. Each child should have her/his own. We will remind them to apply it during their day with us. If you want sunblock applied to your child by us please check the appropriate box on the Participant Information and Authorization Form. We prefer your child apply his/her own.

Please keep at home a child with any of the following symptoms:

*Parents must have access to a childcare alternative. Children not well enough to participate in ALL activities must not come to Camp.

Illness at Camp

If a child displays any of the symptoms of illness included in, but not limited to, those listed above, the child will be isolated and kept comfortable while a parent is notified. If removal from Camp is necessary, the parent will be asked to come for the child promptly. Please come quickly to pick up your Camper. They are not feeling well and need you. If the parent

cannot be reached, emergency contacts will be called. If no party can be reached, and symptoms persist, the child's physician will be notified and his/her directions followed.

Contagious Disease

Parents are to inform the Day Camp Director immediately when their child contracts a contagious disease including, but not limited to: chicken pox, conjunctivitis, mumps, measles, viral infections, lice—or if they are believed to have been exposed to one. Our Center will then alert other parents in writing. Children being treated with antibiotics for a contagious disease may not return to Camp until she/he has been using the medication for a 48-hour period and/or until the danger of infection of others has passed.
