

# BAR-S PLAYGROUND, CONCESSION, RESTROOM & STORAGE BUILDING CONSTRUCTION PROJECT

Thank You to the West Seattle Little League,  
Seattle Mariners & the Boeing Corporation

## Proposed Project

The proposed project includes:

- Replacement of the existing concession shack and port-a-potties with a new permanent building with new concession serving area and restrooms.
- Replacement of the existing storage sheds & containers with a new permanent storage building.

## Anticipated Impacts

The project will be substantially complete and in service in time for the 2010 baseball season. Some work may be completed during the season as required.

## Project Schedule

Design: Fall 2009

Construction: Winter 2010

Completion: Spring 2010
