

PUBLIC MEETING #1

COMMUNITY WORKSHOP

AGENDA

Thursday, Nov. 19, 2009: Whittier Elementary

GREETINGS, SIGN-IN

Background information including existing conditions, site photos and analysis are on display. Park's staff and consultant team members available for informal questions.

INTRODUCTIONS AND OVERVIEW (6:30-6:45)

- Welcome and introductions (Seattle Parks)
 - Project History, Process & Schedule
 - Recognition of "Friends of" Activities
 - Tonight's Meeting: 3 parts
- ... *Community member expressed concern for safety at 8th Ave crossings. Requests improved crosswalks be added.*

BACKGROUND INFORMATION (6:45-7:00)

Seattle Park's consultant team, Site Workshop will share important details regarding the park site.

- Cultural & Historical Context
 - Existing Site Conditions, Plant Materials
 - User Surveys & Other Inspiration
- ... *Noted that existing buildings are to be removed with separate funds. Also that dog parks and wading pools are not options for this park.*

"BIG IDEAS" SESSION (7:00-8:00)

Break into small groups to brainstorm your vision for the park. Consultant team members will circulate to help guide discussion.

- Generate ideas through words or drawings. Consider the following in your discussion.
 - Opportunities & Constraints
 - Potential Activities
 - Other user groups to consider
 - Discuss project priorities
- Report back to the group

NEXT STEPS (8:00-8:30)

- See the back of this sheet for providing additional input
- Parks ProView: Dec. 9, review design alternatives
- Community Meeting #2: Dec. 17, same location - review alternatives

MEETING COMMENTS

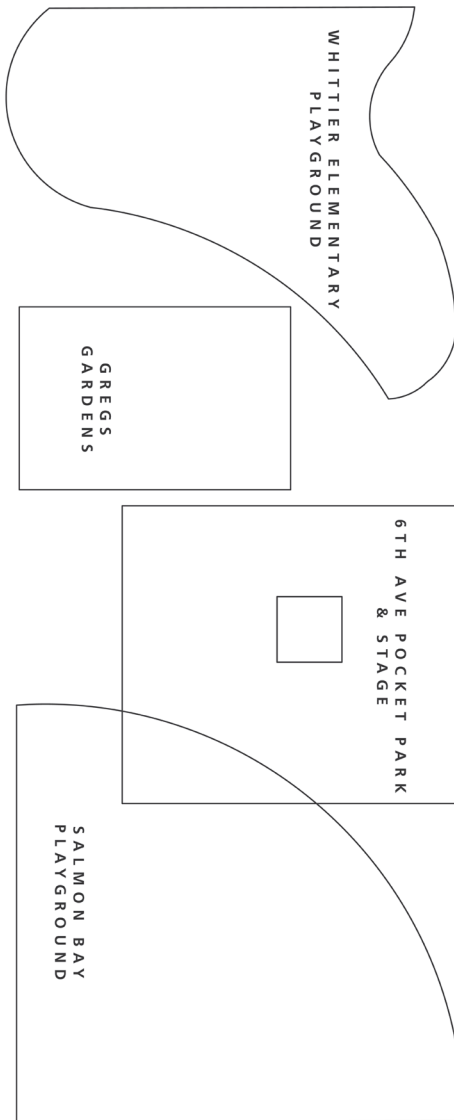

We would appreciate hearing your opinions regarding improvements to 9th Ave. NW Park. As an alternative to providing comments at the public meeting, please feel free to note your comment in the space below and provide it to a Seattle Parks employee.

MAIL OR EMAIL YOUR COMMENTS

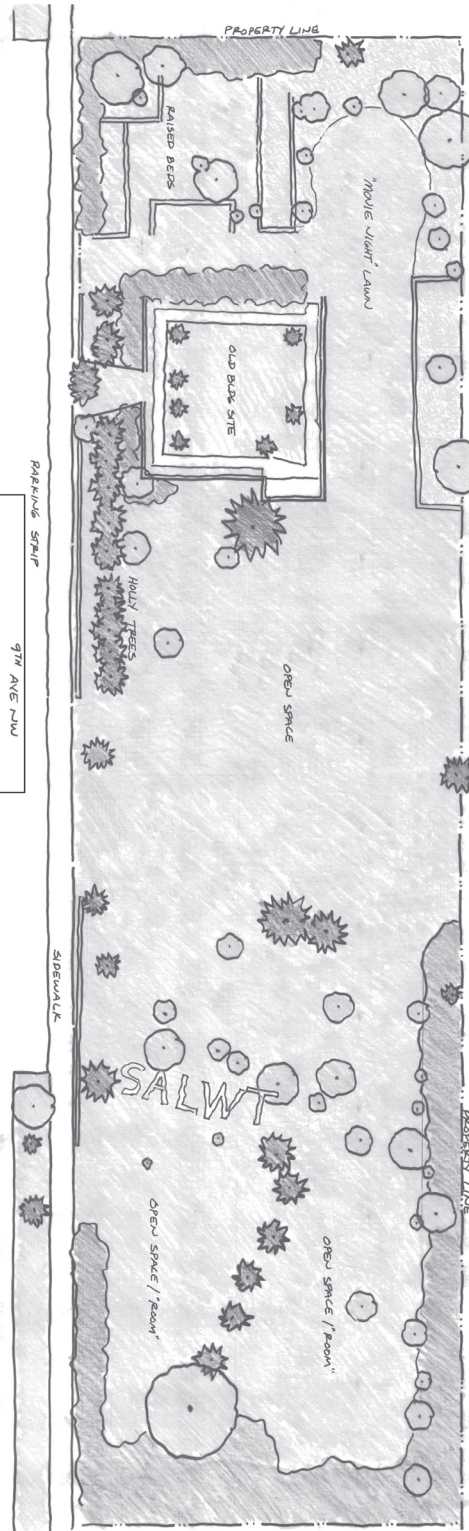

You can also comment on the 9th Ave. NW Park improvements by mailing this form to Seattle Parks project manager, Kellee Jones:

Kellee Jones
