

WEST SEATTLE RESERVOIR PARK DEVELOPMENT COMMUNITY MEETING #2 AGENDA

Saturday Feb. 6 10:00-Noon, Southwest Community Center

SiteWorkshop
LANDSCAPE ARCHITECTURE

GREETINGS, SIGN-IN

Background information including existing conditions, site photos and analysis are on display. Park's staff and consultant team members available for informal questions.

INTRODUCTIONS AND OVERVIEW (10:00-10:15)

- Welcome, introductions and agenda (Seattle Parks)
- Project history, process and schedule
- Public art: funding and process

BACKGROUND INFORMATION (10:15-10:30)

Seattle Park's consultant team, Site Workshop will share important details regarding the park site and history.

- Project focus/boundaries
- Existing site conditions
- Past user surveys and other feedback

"BIG IDEAS" SESSION (10:30-11:30)

Break into groups to brainstorm your vision for the park. Consultant team members will circulate to help guide discussion.

- Generate ideas through words or drawings. Consider the following in your discussion.
 - Opportunities and constraints
 - Potential activities
 - Other user groups to consider
 - Discuss project priorities
 - Identify someone from your group to report back to the audience

NEXT STEPS (11:30-12:00)

- See the back of this sheet for providing additional input
- Design team develops concept alternatives
- Parks ProView: March 23, review design alternatives
- Community Meeting #2: End of April, same location - review alternatives
