Plans are insured or covered by an affiliate of UnitedHealthcare Insurance Company, a Medicare Advantage Organization with a Medicare contract and a Medicare-approved Part D sponsor. This document is available in alternative formats. Retiree plan prospects must meet the eligibility requirements to enroll for group coverage. You must have both Medicare Part A and B, and must reside in the service area of the plan. You must continue to pay your Medicare Part B premium if not otherwise paid for under Medicaid or by another third party. Your ability to enroll may be limited to certain times of the year. For more information contact your Plan Sponsor. HMO members must use network providers to receive plan benefits except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers neither Medicare nor the Medicare Advantage plan will be responsible for the costs. You may be able to get Extra Help to pay for your prescription drug premiums and costs. To see if you qualify for getting Extra Help, call: 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week; the Social Security Administration at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY/TDD users should call 1-800-325-0778; or your State Medicaid Office. The plan's prescription drug benefit is only available to members of the Medicare Advantage Prescription Drug (MA-PD) plan. If you are already enrolled in an MA-PD plan you must receive your Medicare Prescription Drug benefit through that plan. To receive the highest level of benefit you must use contracted network pharmacies to access your prescription drug benefit except in the case of emergency. The pharmacy network includes retail, mail order, long-term care, home infusion and I/T/U (Indian Health Service, Tribes or Urban Indian) pharmacy services. You may obtain your prescriptions from pharmacies outside the contracted network at a reduced benefit. Quantity limitations and restrictions may apply. For information about mail order, names and addresses of network pharmacies or for more information call us or go to our Plan's website. The plan's contract with the Centers for Medicare & Medicaid Services is renewed annually. Availability of coverage beyond the end of the current contract year is not guaranteed. Limitations, copayments, and coinsurance may apply. Benefits may vary by employer group.
