After **covered expenses** reach the **network** Calendar Year **deductible**, the plan will begin to pay benefits for **covered expenses** for the rest of the Calendar Year.

### Out-of-Network Calendar Year Deductible

This is an amount of **out-of-network covered expenses** incurred each Calendar Year for which no benefits will be paid. The **out-of-network** Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach the **out-of-network** Calendar Year **deductible**, the plan will begin to pay benefits for **covered expenses** for the rest of the Calendar Year.

**Covered expenses** applied to the **out-of-network deductible** will be applied to satisfy the **network deductible** and **covered expenses** applied to the **network deductible** will be applied to satisfy the **out-of-network deductible**.

### Network Family Deductible Limit

When you incur **network covered expenses** that apply toward the **network** Calendar Year **deductibles** for you and each of your covered dependents these expenses will also count toward the **network** Calendar Year family **deductible** limit. Your **network** family **deductible** limit will be considered to be met for the rest of the Calendar Year once the combined **covered expenses** reach the **network** family **deductible** limit in a Calendar Year.

### Out-of-Network Family Deductible Limit

When you incur **out-of-network covered expenses** that apply toward the **out-of-network** Calendar Year **deductibles** for you and each of your covered dependents these expenses will also count toward the **out-of-network** Calendar Year family **deductible** limit. Your **out-of-network** family **deductible** limit will be considered to be met for the rest of the Calendar Year once the combined **covered expenses** reach the **out-of-network** family **deductible** limit in a Calendar Year.

**Covered expenses** applied to the **out-of-network deductible** will be applied to satisfy the **network deductible** and **covered expenses** applied to the **network deductible** will be applied to satisfy the **out-of-network deductible**.

### **Common Accident Deductible Limit**

This limit applies when two or more family members are injured in the same accident. The common accident **deductible** limit places a limit on your **deductible** expenses when **covered expenses** are applied toward the separate **network** or **out-of-network** Calendar Year **deductibles**. When this occurs, and all **covered expenses** related to the accident in that Calendar Year exceed the common accident **deductible** limit, your plan will then pay the excess amount based on the plan **payment** percentage. The added benefit will be reduced by any **network** or **out-of-network** family **deductible** limit benefit amount paid for the same **covered expenses**.

### **Deductible Carryover**

Under this feature, any **covered expenses** that you incur in the last three months of a Calendar Year that apply toward that year's **network** or **out-of-network** Calendar Year **deductible** will also count toward the following year's **network** or **out-of-network** Calendar Year **deductible**.

### **Copayments and Benefit Deductible Provisions**

#### **Copayment, Copay**

This is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

#### **Per Admission Deductible**

A Per Admission **Deductible** is a specified dollar amount for which no benefit is paid when you or a covered dependent have a **stay** in an inpatient facility.

#### **Per Admission Copayment**

A Per Admission **Copayment** is an amount you are required to pay when you or a covered dependent have a **stay** in an inpatient facility. A **copayment** is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

**Covered expenses** applied to the per admission **deductible/copayment** cannot be applied to any other **deductible/copayment** required in your plan. Likewise, **covered expenses** applied to your plan's other **deductibles/copayments** cannot be applied to meet the per admission **deductible/copayment**.

For the stay of a well newborn baby (starting at birth), the per admission **deductible/copayment** amount will not exceed the hospital's actual **room and board charge** on the first day of the stay.

### **Payment Provisions**

#### **Payment Percentage**

This is the percentage of your **covered expenses** that the plan pays and the percentage of **covered expenses** that you pay. The percentage that the plan pays is referred to as the "Plan Payment Percentage". Once applicable **deductibles** have been met, your plan will pay a percentage of the **covered expenses**, and you will be responsible for the rest of the costs. The payment percentage may vary by the type of expense. Refer to your *Schedule of Benefits* for payment percentage amounts for each covered benefit.

## Payment Limit

The **Payment Limit** is the maximum amount you are responsible to pay for **covered expenses** during the Calendar Year. Once you satisfy the **Payment Limit**, the plan will pay 100% of the **covered expenses** that apply toward the limit for the rest of the Calendar Year. The **Payment Limit** applies to both network and out-of-network benefits.

This plan has an Individual **Payment Limit**. This means once the amount of eligible expenses you or your covered dependent have paid during the Calendar Year meets the individual **Payment Limit**, the plan will pay 100% of **covered expenses** for the remainder of the Calendar Year for that person.

There is also a Family **Payment Limit**. This means once the amount of eligible expenses you or your covered dependent have paid during the Calendar Year meets two times the individual **Payment Limit**, the plan will pay 100% of **covered expenses** for the remainder of the Calendar Year for all covered family members.

The **Payment Limit** applies to both network and out-of-network benefits. **Covered expenses** applied to the out-of-network **Payment Limit** will be applied to satisfy the in-network **Payment Limit** and **covered expenses** applied to the in-network **Payment Limit** will be applied to satisfy the out-of-network **Payment Limit**.

## Expenses That Do Not Apply to Your Payment Limit

Certain covered expenses do not apply toward your plan payment limit. These include:

- Expenses applied toward a **deductible**;
- Charges over the **recognized charge**;
- Expenses applied toward a **copayment**;
- Expenses incurred for outpatient **prescription drugs**;
- Expenses incurred for short term outpatient rehabilitation therapy and neurodevelopmental therapy expenses;
- Non-covered expenses;
- Expenses that are not paid, or **precertification** benefit reductions because a required **precertification** for the service(s) or supply was not obtained from **Aetna**.

## Maximum Benefit Provisions

### Calendar Year Maximum Benefit

The most the plan will pay for covered expenses incurred by any one covered person in a Calendar Year is called the Calendar Year maximum benefit.

The Calendar Year maximum benefit applies to **network care** and **out-of-network care** expenses combined.
