Eligibility and Coverage Information

Eligibility for Regular Employees

If you are a regularly appointed employee in a full- or part-time position (scheduled to work at least 80 hours per month), you are eligible to participate in the medical, dental, vision, life, AD&D, LTD, FSA, deferred compensation, and EAP plans.

Eligible Family Members

The following family members are eligible to participate in the medical, dental, vision, accident coverage, and EAP programs:

Spouse or domestic partner – an Affidavit of Marriage/Domestic Partnership or Certificate of State Registered Domestic partnership must be filed with your department’s Human Resources Unit to cover your spouse or domestic partner.

Children – your children, and your spouse’s or domestic partner’s children. Please check child eligibility requirements below.

Child Eligibility

Plan	Age	Other
Medical, Dental, Vision, and Flexible Spending Account	Up to age 26 (through age 25)	<u>Do not</u> have to be: -married -live with you -be dependent on you for support -have access to other coverage
Supplemental GTL	Up to age 21 (through age 20) or	
	Up to age 25 (through age 24)	Must be unmarried and a full time registered student
AD&D	Up to age 26 (through age 25)	<u>Do not</u> have to be: -married -live with you -be dependent on you for support

Coverage may continue for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of his or her fully handicapped/incapacitated status has been documented by a physician.

New Employee Enrollment

If you are a newly hired employee, you must enroll in/apply for medical, dental, vision, life, life, supplemental LTD or AD&D coverage **within 31 days of your hire date**. You have two enrollment options: 1) through [Employee Self-Service](#), which is preferred, or 2) if you have no access to a computer, submit a *Benefit Election Form* to your Department's [Human Resources Representative](#). If you choose paper forms, make sure they are completed, signed, and dated. If you miss the deadline, you must wait for the next Open Enrollment period.

If you do not enroll in life when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier, and you are not guaranteed coverage as you are when first eligible. If you apply and are approved for Supplemental disability coverage at a later date, please note it has longer a preexisting condition exclusion period than if you enrolled as a new employee.

When New Employee Coverage Begins

You must enroll within 31 days of hire. Coverage begins for you and your eligible family members on your first day of employment if that date is:

- the first calendar day of the month designated as a City business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.

If your employment begins after this date, your coverage will begin the following month.

What if I miss the enrollment deadline?

If you fail to enroll within 31 days of your hire date, you will not be able to enroll in a medical plan until the next Open Enrollment period (or within 31 days of a change in family status). However, you will automatically be enrolled for dental and vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

You also will need to meet additional requirements to be eligible for Life Insurance and Long-Term Disability Insurance (LTD) coverage. You will be required to submit a Medical History Statement and have it approved by the insurance company in order to be eligible for Life Insurance coverage. You will have an additional waiting period for LTD.

Eligibility and Coverage Information

Waiving Coverage

You have the option to decline medical coverage within 31 days of your hire date, during Open Enrollment, or within 31 days of a qualifying event. If you waive coverage, you may not cover dependents under the City's medical plans. You will not be charged premium payments if you decline medical coverage and will still be enrolled in the dental and Basic vision plans because there is no employee premium contribution.

Note that in 2014, employees who decline coverage considered affordable and adequate under the Patient Protection and Affordable Care Act (such as the City's plans) will not qualify for government subsidies to purchase individual health insurance. In addition, an employee who refuses employer coverage and doesn't obtain coverage on his or her own will be subject to a penalty.

Can I enroll my family members?

The following family members are eligible for coverage:

- Your spouse or domestic partner;
- Your birth or adopted children, or children placed for adoption;
- Children of your domestic partner who live with you;
- Stepchildren who live with you; or
- Any child for whom you are legal guardian or for whom coverage is required by a Qualified Medical Child Support Order.

Children may be covered on the following plans; see page 3 for detailed eligibility requirements for children.

- AD&D (family coverage)
- Group Health Cooperative plan
- Preventive Plan (Aetna)
- Traditional Plan (Aetna)
- Delta Dental of Washington
- Dental Health Services
- VSP
- Supplemental Group Term Life Insurance

Coverage may continue after age 25 for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of fully handicapped/incapacitated status has been documented by a physician.

Visit personnelweb/benefits/home.aspx for more information. Call your department's [human resources or benefits representative](#) or the City's Benefits Unit (206-615-1340) if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you end your spouse or domestic partner's coverage due to a termination of the marriage/partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 31 days of the divorce or domestic partnership termination. You cannot file a new Affidavit until 90 days have elapsed from the termination of the prior marriage/partnership, unless the termination was due to the spouse or domestic partner's death or if the domestic partnership was certified with the State of Washington.

Changing Your Benefits

There are two opportunities to change your benefit choices:

- Open Enrollment
- Mid-year, if you have a change in family or job status.

Open Enrollment

Open Enrollment is held once each year in the fall. During this time, you can change your benefits plans, add and drop family members, and add or drop coverages. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Open Enrollment is also the time to enroll in the Flexible Spending Account program (Health Care and Day Care). You must re-enroll every year, even if you had an account the previous year. (See page 5.)

Life Events that Affect Your Benefits

You must enroll a new spouse or domestic partner within 31 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption, placement for adoption, legal guardianship, marriage or domestic partnership. *If you miss the deadline*, you can only add family members during the annual fall Open Enrollment period.

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact your Human Resources representative if any of the following occur.

Eligibility and Coverage Information

- You adopt a child - you may add coverage for that child (you may not add coverage for your other children at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.
- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence - you may add your spouse or partner to the plan.
- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence - you may drop your spouse or partner from the plan.
- You get divorced, separate, or dissolve a domestic partnership - you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision - your child will be dropped from coverage.

When Coverage Ends

Your medical/dental/vision, Basic and Supplemental Long-Term Disability, Basic and Supplemental Life and AD&D coverages end on the last day of the calendar month in which:

- You are no longer eligible
- You resign, retire or are terminated
- You stop making any required payment.

Your medical, dental and vision coverages will also end on the day the plan terminates, or if you die (your family members' coverage will end on the last day of the calendar month in which you die).

Continuing Coverage Under COBRA

To help you maintain health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase continuing medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

If you are a City employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

Eligibility and Coverage Information

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership.
- A child loses coverage (turns 26)

The Life, AD&D, and disability plans have conversion options.

Coverage through Health Insurance Exchange

You may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. Please note that if you enroll on an exchange plan, you will not be able eligible for coverage on a City retiree medical plan in the future. More information at www.wahealthplanfinder.org.

Coverage through a City Retiree Plan

When you are eligible to retire, contact the Retirement Office at (206) 386-1293 for information about the City's retiree medical plans. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan within 31 days of retiring. In some cases, you can delay your enrollment in a City retiree medical plan if you are covered under another employer's plan. Contact the Retirement Office for more information.

Paying for Benefits

Payroll Deductions

See page 15 for medical premiums

Medical

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. Pre-tax deductions are exempt from Social Security taxes. This may slightly reduce your future Social Security benefits, but most people find that ongoing tax savings outweigh a future reduction in Social Security benefits, if any. If this is a concern for you, discuss it with your financial advisor. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

Then Dental and Vision plans are fully paid by the City for most employees. The premium is deducted pre-tax in equal amounts from the first and second paychecks of the month.

Life Insurance

Your basic and supplemental after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Supplemental Long-Term Disability

Your Supplemental LTD after-tax premium deduction is taken from your second paycheck of the month for the next month's coverage. The amount you pay for Supplemental LTD coverage may vary each month because it is a percentage of your monthly earnings.

Accidental Death and Dismemberment

Your AD&D after-tax premium deduction is taken from your first paycheck of the month for that month's coverage.

Flexible Spending Accounts (Health Care & Day Care)

Your FSA pre-tax deduction is taken in equal amounts from your first and second paychecks each month.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan in advance and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and/or vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. The Health Care FSA is a tool to support your financial planning and maximize the value you get for dollars spent on health care. You can elect the Health Care FSA during Open Enrollment to set aside pre-tax dollars to pay for eligible out-of-pocket medical expenses for you and your family. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit. Enroll in the City's free tobacco cessation program by calling Quit for Life at 1-866-QUIT-4-LIFE (1-866-784-8454). Your adult family members with City medical coverage may enroll.
- Be more active and eat nutrient dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor and so on. Take advantage of free medical screenings, flu shots and go to the City's wellness and benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums along with what is and is not covered by the various plans.
- Stay within the network. Look for doctors and health care providers that are within the plan's network.
- Review medical bills carefully. Billing errors can cost you hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Medical Plan Options

Medical Plans

The City offers three different medical plans:

- City of Seattle Preventive Plan
- City of Seattle Traditional Plan
- Group Health Cooperative Plan

How to Choose a Medical Plan

Plan features, coverages and costs vary. The City's plans with Aetna offer an extensive choice of doctors; coverage is higher if you use doctors in the Aetna network. The Group Health Cooperative (GHC) plan requires that you use the GHC network of doctors, clinics, hospitals and pharmacies, but offer a higher level of coverage.

When making your decisions, you should consider cost, choice, and coverage. Do you want a plan that allows you to choose any doctor, hospital or clinic (City plans with Aetna) or are you willing to stay within a network (GHC) and receive a higher level of coverage?

The following very brief plan descriptions may help you make these choices.

New Employees: Remember - You have 31 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Medical Plan Options

City of Seattle Plans	<p>The City has two plans with Aetna — the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims.</p>
Preventive Plan	<p>This plan has no annual deductible (unless you see an out-of-network provider) and a \$5 copay for all office visits except preventive care (which is covered at 100%). Most other services are covered at 100% after a copay if you use an Aetna network provider.</p>
Traditional Plan	<p>This plan has a \$100 annual deductible per person (\$300 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered.</p>
What If I Don't Use the Aetna Network?	<p>Both of the City's plans include the Aetna network of doctors; however, you choose whether to use a network or non-network provider when you require care. If you choose a doctor who is not in the network, you will pay a higher percentage of the cost of the visit. Another issue to keep in mind is that prices charged by a non-network provider are often higher than those charged by a network provider. If you use a non-network provider, you will pay 30% -40% of the network cost for a service, and your doctor may charge you an additional amount over the established network price.</p>
Aetna Navigator	<p>Aetna's member website is called Aetna Navigator. Through the site (AetnaNavigator.com) you can locate detailed claim information, review your benefits, request changes, find service providers, and email member services.</p>
Simple Steps to a Healthier Life	<p>Traditional and Preventive plan members have access to a health risk assessment – <i>Simple Steps to a Healthier Life</i>. Following completion of a questionnaire, you will receive a health report and a personal action plan along with access to healthy living programs.</p>

Medical Plan Options

Group Health Cooperative	<p>Group Health Cooperative (GHC) is a health maintenance organization which provides an integrated system of health care services. All services are delivered in GHC clinics, hospitals, pharmacies, and contracted providers. You must use GHC contracted providers and facilities unless a GHC doctor refers you elsewhere. You do not need a physician's referral to see most GHC specialists.</p>
Group Health Cooperative Plan	<p>The City offers one plan through Group Health Cooperative.</p> <p>This is a plan with no deductible and a \$5 copay. Most services, including Preventive Care, are covered at 100% after payment of the applicable copay.</p>
My Group Health	<p>The health care website is My Group Health at GHC.org. Members can request appointments and exchange emails with their provider, view their online medical record, refill prescriptions online, and view lab and test reports. The provider and facility directory, and drug formulary are all accessible online. In addition, a mobile application is available for use with most cell phones.</p>
Health Profile	<p>The plan has a health risk assessment called <i>Health Profile</i>. Members complete the profile online and receive a report and personalized action plan. Free healthy lifestyle coaching is available.</p>

Health Care Premiums

2014 Premium Sharing

Effective January 1, 2014, you will pay the monthly premium amount listed below. The table also shows the total premium amount each month for each employee's coverage, and the City's contribution.

	Total Monthly Premium	Employee, with or without children	
		City Pays	Employee Pays
Medical Plan			
City of Seattle Preventive	\$1,449.23	\$1,376.77	\$72.46
City of Seattle Traditional	\$1,468.32	\$1,394.90	\$73.42
Group Health	\$1,235.21	\$1,173.45	\$61.76

Your premium will be divided into two equal payments and taken from the first two pay checks of the month for the current month's coverage. (For example, deductions taken in January will pay for January coverage.) No premiums are deducted from the third paycheck. Premiums are deducted on a pre-tax basis, reducing your taxable income.

*Provided they are IRS tax dependents.

Health Care Premiums

Enrolling Spouse/DP

To cover a spouse or domestic partner (and tax dependents of your domestic partner), you must complete a Benefit Election form and an Affidavit of Marriage/ Domestic Partnership.

Spouse/DP/ Dependents Who are IRS Tax Dependents

If they are IRS tax dependents, the rate information on the previous page applies. If you enroll your domestic partner and your domestic partner's children, you will be taxed on the value of their medical coverage if they are not your tax dependents. (The value of the benefits will be imputed to your gross income.)

DP/Dependents Who are Not IRS Tax Dependents

Imputed Income for Value of Health Coverage

If your domestic partner or your partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, you will be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax so you are not taxed twice.

Domestic Partner Coverage Information

If your domestic partner or your partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, the following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. (These values have been adjusted to reflect the premium amounts taken after-tax so you are not taxed twice.)

Prescription Drug Coverage

Prescription Drug Retail Program

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Group Health Cooperative uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

Preventive and Traditional Plans (Aetna)

With the Aetna Preventive plan, at a retail pharmacy you pay a \$5 copay for generic drugs, a \$10 copay for preferred drugs, and a \$25 copay for non-preferred brand-name drugs.

With the Aetna Traditional plan, at a retail pharmacy, you pay \$8 copay for brand prescriptions.

If you fill your prescriptions through mail order, with the Preventive plan you pay a \$10 copay per 90-day supply for generic drugs, \$20 copay for preferred brand-name drugs, and \$50 for non-preferred brand-name drugs. With the Traditional plan, you pay a \$16 copay for a 90-day supply of generic or brand name drugs.

Group Health Cooperative Plan

Present your medical plan ID card at any Aetna network retail pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy, or check the website AetnaNavigator.com

You are responsible for a \$5 copay with the Group Health plan. All prescriptions must be filled at a GHC pharmacy. Prescriptions filled at any non-GHC pharmacy will not be covered.

You may order 90-day prescriptions by mail order; you pay a \$15 copay.

See next page for more detailed information about prescription drug coverage.

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network.

Selecting a DDWA dentist means:

- The portion of the dentist bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, the dentist will not bill you more for a covered service. (A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover.)

Payment of Routine Care Benefits

The DDWA Incentive program is designed to promote regular dental care by increasing from one incentive period to the next, the amount paid for preventive care and regular visits. During the first incentive period, the payment level for covered and allowable Preventive and Diagnostic (routine care) benefits will be 70 percent even if you had DDWA coverage through a previous employer. This payment level increases by 10 percent — up to a maximum of 100 percent — each successive incentive period in which routine care benefits are used at least once by the eligible person(s). If the once-a-year visit is missed, the payment level will be decreased by 10 percent for each period during which routine care benefits are not used. In no event will the payment level be less than 70 percent.

Orthodontia

DDWA offers orthodontia benefits for children only. Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$1,500 for each eligible child.

Plan Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Dental Plan Options

Dental Health Services

The Dental Health Services Plan provides greater benefits for services received in network than if you enroll in DDWA, but the DHS network of participating dentists is smaller.

Selecting a Dental Health Services dentist means:

- There are no deductibles or annual maximums.
- Coverage does not decrease if you do not visit your dentist regularly.

Payment of Basic Services

Diagnostic and preventive visits are covered at 100%. There are copays for selected services. The plan comparison on the next page lists services and copay requirements.

Orthodontia

DHS offers both child and adult (age 25 and over) orthodontia. Orthodontia charges include: a copayment of \$400, a \$150 charge for the initial exam, study models and X-rays.

Plan Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

The table on the next page compares the coverages offered by the two dental plans.

New Employees: Remember - You have 31 days from your hire date to enroll in the medical, dental, vision and most optional insurance plans.

Optional Insurance

Optional Insurance Choices

The following is a list of all your optional insurance choices. The City of Seattle offers paid Basic Long-Term Disability Insurance and shares the cost of Group Term Life Insurance with you. Accidental Death and Dismemberment premiums are paid in full by the employee. You can purchase additional insurance coverage within 31 days of your hire date, during an Open Enrollment period, or within 31 days of a qualifying change in family status.

- Supplemental Long-Term Disability insurance for yourself
- Life insurance for yourself and family members
- Accidental Death and Dismemberment (AD&D) insurance for yourself and family members

Optional Insurance – Long-Term Disability

Basic Long-Term Disability (LTD)

The basic benefits package provided by the City includes a Long-Term Disability (LTD) policy that will pay you a portion of your monthly pay if you are sick or injured and cannot work. If you are disabled according to the plan definition, the benefit will combine with other income sources, if any, to pay you up to \$400 per month after a 90-day waiting period while you are unable to work.

The City offers the opportunity to purchase additional LTD coverage. The additional LTD protection will combine with other income sources, if any, to provide you with 60% of your monthly base pay over \$667 up to a maximum \$8,333 of monthly base pay.

Supplemental LTD

If you do not sign up for Supplemental LTD coverage as a new employee, you can elect to add Supplemental LTD earnings protection during a subsequent Open Enrollment period; however, you may have a longer waiting period for pre-existing conditions.

How Much Will Additional Disability Coverage Cost?

The cost for this additional level of earnings protection is figured according to the following formula:

Subtract \$667 from your base monthly pay.
Multiply the remaining amount by .0065.

For example, if your base monthly pay is \$2,000, your monthly premium would be \$8.66 per month.
($\$2,000 - \$667 = \$1,333 \times .0065 = \$8.66/\text{month}$)

Your monthly cost will increase each time your pay increases.

How to Decide if You Need Supplemental LTD

When deciding whether or not to purchase Supplemental LTD, ask yourself the following questions:

1. If I were unable to work for a period of time, would I be able to support myself/family on the basic benefit of \$400 per month?
2. Do I have personal savings or other sources of income to maintain my current lifestyle if I am unable to work?

If you answer “no” to either of these questions, you may want to consider purchasing Supplemental LTD coverage.

If you are currently eligible to receive a retirement benefit from the City or you were to leave employment if you became disabled, you may not want to elect this coverage because the maximum LTD benefit you would receive under those circumstances would be \$100 per month.

New Employees: Remember - You have 31 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Optional Insurance – Group Term Life

Group Term Life (GTL) Insurance

The City benefits program offers Basic Term Life Insurance. You can sign up for Group Term Life Insurance within 31 days of your hire date, during an Open Enrollment period, or within 31 days of a qualifying change in family status.

Basic Life Insurance

This optional coverage provides you with a Term Life Insurance benefit amount equal to one-and-a-half times your annual salary. The City contributes 40% of the cost and you pay the remaining 60% of the cost. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage. However, if you sign up for it later, you will be required to complete a Medical History Statement, which must be approved by the insurance company before your life insurance takes effect. If you have certain health conditions, you could be denied coverage.

How Much Will Coverage Cost?

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.066 times each \$1,000 of coverage.

For example, if your salary is \$78,600 per year, round it up to \$79,000. Your coverage amount is \$118,500 (Calculation: $\$79,000 \times 1.5 = \$118,500$). Your premium is \$7.78 per month (Calculation: $\$0.066 \times 118$).

This policy includes a conversion privilege which allows you to continue some level of coverage if you leave City employment. Conversion is guaranteed, which means you can continue the policy regardless of any existing medical condition. It is more costly because of this provision, but could allow you to maintain coverage when you otherwise might not qualify for new life insurance coverage.

Limited Basic Life Insurance

IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. Because the City pays 40% of the cost for your Basic Term Life Insurance, you may have some taxable value. If you do, the amount on which you pay taxes will be shown on your second paycheck each month. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes by signing a notarized Waiver form available from your department Human Resources Representative.

Optional Insurance – Group Term Life

Supplemental Life Insurance

The City offers an additional life insurance option—Supplemental Term Life. As long as you are enrolled for Basic Term Life Insurance, you may purchase Supplemental Life Insurance for yourself and your eligible family members. You pay the entire cost for Supplemental Term Life Insurance coverage. In order for your family members to be covered, you must first enroll yourself.

This coverage is subject to various election rules:

- You may purchase up to four times your base salary in Supplemental Term Life Insurance for yourself. The amount is rounded down to the nearest \$5,000. For example, if your salary is \$34,000 and you purchase one times your base salary, your actual coverage amount is \$30,000.
- To cover your spouse/domestic partner, you may purchase in multiples of \$5,000 up to a maximum of 50% of the amount of coverage you purchase on yourself. For example, if you purchase \$120,000 of Supplemental Term Life Insurance on yourself, you may purchase up to \$60,000 of coverage for your spouse/domestic partner.
- You may purchase \$2,000, \$5,000 or \$10,000 of coverage for each child of your children. Children may be covered until their 21st birthday, or 25th birthday if they are full-time students. Coverage cannot exceed 50% of the amount of supplemental coverage you purchase for yourself.

Election rules also state:

- If the Supplemental Term Life Insurance maximum of four times your basic salary exceeds \$1,000,000 when added to the amount of your Basic Life Insurance, you will need to complete and submit a Medical History Statement regardless of when you enroll.
- If you do not sign up when first eligible, you must submit a Medical History Statement and your coverage will be subject to approval.
- When you are first eligible, you can purchase up to \$50,000 in Supplemental insurance for your spouse/domestic partner without a Medical History Statement. If you want to purchase more than \$50,000 on your spouse/domestic partner, he or she must submit a Medical History Statement. If you wait for Open Enrollment, a Medical History Statement will be required and must be approved for any amount.

Optional Insurance– Group Term Life

How to Decide if You Need Life Insurance

Costs for Supplemental Term Life Insurance for you and your spouse/domestic partner are based on **your** age. Costs for covering eligible children are fixed, and the monthly premium is the same regardless of how many children you cover.

When deciding if you should buy life insurance, ask yourself the following questions:

- Am I solely or largely responsible for the financial well-being of my family?
- Would my family need additional income to live on if something happened to me?
- Should I elect coverage now because no Medical History Statement is required but would be required later, and I might not qualify?

If you answered **yes** to these questions, you may want to consider purchasing supplemental life insurance.

Optional Insurance – AD&D

AD&D

To supplement your Basic Life Insurance, you may purchase Accidental Death and Dismemberment (AD&D) Insurance for yourself, spouse/domestic partner and/or children. AD&D Insurance pays a death benefit (principal sum or full insurance amount) if the insured person dies due to an accident; it also pays a percentage of the death benefit if the covered person loses a limb(s) or becomes paralyzed. For example, a person who is covered by AD&D Insurance would receive 50% of the principal sum (full insurance amount) if he/she lost a limb from an injury relating to an accident.

You can cover yourself in \$25,000 increments up to \$500,000. The amount of coverage for your family members is a percentage of your coverage amount. For example, John Smith has "Employee and Family" coverage for himself and his two children (no spouse). If one of his children dies, he receives a payout of 20% of the principal sum. If John had a spouse, he would receive 15% of the principal sum if his child were to die. Charts showing costs and payout percentages can be found on the next page.

How to Decide if You Need AD&D

If you don't have life insurance or other insurance plans to cover your family if something should happen to you, you may consider purchasing AD&D coverage.

New Employees: Remember - You have 31 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Optional Insurance - Flexible Spending Accounts

Flexible Spending Accounts

The City's Flexible Spending Account (FSA) Plans allow you to set aside pre-tax dollars from your paycheck (\$300 annual minimum, \$2,500 annual maximum for Health Care FSA plan or \$5,000 for Dependent Care FSA plan) to pay for eligible expenses not covered through other benefit programs. When you put money into an FSA, you do not pay federal or Social Security taxes on it. As a result, your taxable income is reduced and your taxes are lower.

You can sign up for flexible spending accounts within 31 days of your hire date, during an Open Enrollment period, or within 31 days of a qualifying change in family status. There are two types of FSA Plans:

Health Care FSA Account

Health Care FSA – allows you to set aside money to pay for expenses not covered by your health plans (e.g., deductibles, copays, or expenses for orthodontia that exceed the plan maximum). Health care premiums are not eligible expenses because they are already deducted from your paycheck on a pre-tax basis. You must submit receipts for reimbursement by March 31 of the following year.

Day Care FSA Account

Day Care FSA – allows you to set aside money to pay for eligible day care expenses for your child, disabled spouse, or tax dependent parent (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work (\$5,000 annual maximum).

As you incur eligible expenses, you submit bills and receipts, and receive reimbursement up to the amount you elect to have withheld from your paychecks throughout the year. There are restrictions on the amount you can contribute and the types of expenses that can be reimbursed. Money left in the account at the end of the year cannot be refunded.

Workers' Compensation

If you are injured at work, you will be covered by the City's self-insured Workers' Compensation program. You are covered as soon as you start work. For more information on this program, contact your department's Human Resources Representative.

Work Life Programs

Employee Assistance Program (EAP)

The EAP provides professional assistance in dealing with issues such as eating disorders, stress, family relationship concerns, work-related problems, financial issues and alcohol and drug problems. Help is available for you and your household members through Horizon Health. Services also include child care referral, elder care information, and financial and legal consultation. No enrollment is necessary.

Employees and household members can receive six visits per issue per year. Employees may use 6 **paid**, non-leave hours per year for EAP visits. (Contact your supervisor to schedule time if you want to use paid time.) To reach Horizon Health, call 1-888-272-7252 or TTY 1-888-879-8274.

Quit for Life

The City is committed to helping employees become free of tobacco, so the City fully subsidizes the cost of the Quit For Life program. Employees (and their eligible adult family members) pay nothing for the program. Even the cost of nicotine patches/gum is covered. To enroll, call Quit for Life at 1-866-QUIT-4-LIFE (1-866-784-8454).

Weight Watchers

The City of Seattle provides special savings on selected weight-loss solutions. Save 50% on Weight Watchers programs; additional \$30 reimbursement each year for attending meetings at the recommendation of your physician. City employees and covered adult dependents with City medical coverage may enroll.

Enroll at wellness.weightwatchers.com with Employer ID: 62344, Employer Passcode: WW62344. You'll also need to include the Employee Number, the last 4 numbers of the participant's Social Security number, and credit card information. The address for all City of Seattle Weight Watchers' members is 700 Fifth Avenue, Seattle WA 98104. For pricing, reimbursement form, and Weight Watchers At-Work schedule: seattle.gov/personnel/benefits/wellness/physical.asp

Seattle Shares

Work Life Programs

Alternative Dispute Resolution (ADR)

The City's ADR Program provides dispute resolution training and services for City departments and employees to help them develop skills to prevent, resolve or manage workplace conflict in a collaborative manner. ADR can help you determine the best conflict resolution process to fit the issue at hand. Talk to a trained mediator or set up a mediation session to solve disagreements in work style, personality conflicts, or other workplace issues. This is a voluntary, confidential program. Call 206-615-0089 or 206-615-1692. The TTY number is 206-684-7888.

Mytrips

The City of Seattle encourages employees to use alternatives to driving alone to work. City of Seattle employees are eligible to receive an ORCA Passport which pays full fare for all land based transit. Employees who use the ferry may instead choose to receive up to \$90 per month towards a WA State ferry pass. City employees that use the transit system, carpool, and/or bike to work are also eligible for a guaranteed ride home and may also receive discounted membership in ZipCar and Car2Go.

Visit your employee transit benefit website: mytrips.seattle.gov to find out more about your program.

Transit Pass Subsidy and Tax Savings Program

The Internal Revenue Code allows up to \$125 per month (less City subsidy) for transit passes to be deducted from paychecks on a pre-tax basis. Once the deduction has been withheld from your paycheck, the IRS will not allow you to revoke the deduction or receive a refund. Any amount over the allowable maximum will be deducted from post-tax dollars. Actual savings will vary depending on your federal tax filing status and the amount of the transit pass. Employees who purchase a payroll-deducted transit pass are automatically enrolled in the pre-tax plan.

Zipcar

City employees can get a discounted membership in Zipcar. The City will pay the application fee, and your first year membership fee. Your monthly costs as a member will vary depending on how much you use the Zipcar vehicles. Subsequent year membership fee will be charged absent rental activity.

Use a rideshare mode to get to work. Then use Zipcar to go to doctor appointments, do special errands during the day, or drive home after working an extended day. Zipcar vehicles are located throughout Seattle and in Bellevue. You'll have access to the entire Zipcar fleet on evenings and weekends. For more information and to apply online, go inweb/sdot/ctr/carshare.htm

Leave Policies

Vacation

You earn vacation based on the number of hours you work regular (non-overtime) hours. You accumulate vacation based on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service with an additional day per year of service thereafter to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

You must wait six months after your initial hire date (or your most recent temporary appointment if you provided temporary service and were regularly appointed without a break in service) to take vacation. Follow your department's protocol for requesting and taking vacation.

Your unused vacation balance will be cashed out when you leave City employment, unless your collective bargaining agreement provides otherwise.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Leave Policies

Sick Leave

Sick leave is a short-term disability program that pays your wages if you must be absent from work because of your own personal illness, injury or disability which makes you temporarily unable to perform your job. You may also request sick leave compensation when you are absent because of illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, or dependent child. Finally, you may request sick leave compensation to cover time missed for your medical or dental appointments or to accompany your eligible family member(s) to medical or dental appointments. You are eligible to use available sick leave hours after 30 days of employment.

All regularly appointed full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive work days, you must submit a medical certification stating why you needed sick leave and confirming your ability to return to work. In addition, your supervisor may, with justification, require a medical certification every time you request sick leave regardless of the length of your absence. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.

Sick Leave Transfer

For more information on sick leave transfer, see Personnel Rule 7.7.5 and your department's policies.

The City has a sick leave transfer program. You may request to receive up to 560 hours of donated sick leave for any single qualifying incident from other employees if you meet all of the following conditions:

- You have exhausted, or will exhaust in the current pay period, your paid leave balances due to a personal illness, injury, impairment, or physical or mental condition which is likely to cause you to go on leave without pay, or to leave City employment.
- You provide a medical certification from your health care provider verifying the nature and expected duration of your condition and the need to be off work.
- You have used your sick leave balance judiciously.
- You are not eligible for benefits under SMC Chapter 4.44 or under the State Industrial Insurance and Medical Aid Acts.

You may also donate 8 or more sick leave hours to an approved recipient employee provided the donation will not cause your sick leave balance to fall below 240 hours.

Leave Policies

Holidays

Most City employees are eligible for 10 official paid holidays and two personal paid holidays per year. To qualify for a paid holiday, you must be on regular pay status either the day before or the day after the observed holiday. However, if you returned the day after a holiday, but had been on unpaid leave for more than four days immediately preceding the holiday, you would not be eligible for holiday pay. For more information regarding holiday leave policies, consult Personnel Rule 7.6 at

http://personnelweb/personnel/policy/rule_7.6.asp and any applicable union contract.

Here is the 2014 holiday schedule.

You must use your two personal (floating) holidays during the calendar year or you will forfeit them.

Emergency Day

Some union agreements provide for an emergency day. This is a day to take care of an urgent personal situation. Check your collective bargaining agreement for more information.

Leave Policies

Floating Holidays

You will be credited with two floating (personal) holidays on January 1 of each year. Individuals with more ten or more years of service credit receive four personal floating holidays. You may take them in full-day increments at any time with supervisory approval. Personal holidays cannot be carried over from year to year nor can they be cashed out at the end of the year. Use them or lose them!

Employees who work a 4/10 or 9/80 schedule receive eight hours pay per holiday. They must cover the difference with vacation or compensatory time, take it without pay or work flex hours. For more information, see the [Personnel Rules](#) at: personnelweb/personnel/policy/rule_7.6.asp. Represented employees should also see their collective bargaining agreements for provisions covering personal holidays.

Funeral Leave

The City provides eight hours of funeral leave, which is not chargeable to sick leave or vacation, to full-time employees attending the funeral of a close relative. An additional eight hours of funeral leave is permitted if funeral attendance requires round-trip travel of 200 miles or more. You may also take up to 32 hours chargeable to sick leave, but the combination of funeral and sick leave cannot exceed 40 hours for any single occurrence. Funeral and sick leave used for funeral attendance are prorated for part-time employees.

For purposes of funeral leave, a close relative is defined as the employee's spouse or domestic partner, and the parent, child, sibling, grandparent and grandchild of the employee or the employee's spouse or domestic partner. Step parents as well as adoptive and foster parents are included. Your department head may also approve the use of up to 40 hours of sick leave for a full-time employee to attend the funeral of a relative other than a close relative.

You may, with supervisory approval, take vacation or other discretionary leave to attend the funeral of a friend, co-worker or other individual who is not a close relative. You may also take vacation or other discretionary time off if you need additional time to settle the deceased's estate and other affairs, or to properly mourn your loss. For more information about funeral leave, see the Personnel Rules at: seattle.gov/personnel/resources/rules.asp

Leave Policies

Military Leave

Upon presentation of your military orders, you are eligible for up to 21 working days of paid military leave per calendar year. A “working day” for purposes of military leave is usually equivalent to your regular workday. For more information see the [Personnel Rules](http://seattle.gov/personnel/resources/rules.asp) at: seattle.gov/personnel/resources/rules.asp.

You will be granted job-protected leave to enter the United States armed services. Generally, you may be gone for up to five years. You will be returned to your job as long as you are honorably discharged and report to work within the time period specified by state and federal law.

Family and Medical Leave

The City provides up to 90 calendar days of unpaid Family and Medical Leave per year. You may receive this in addition to any paid leave for a properly certified Family and Medical Leave qualifying condition. You may take your paid leave in addition to, or instead of, the unpaid Family and Medical Leave. When you use Family and Medical Leave for the non-medical care of your newborn child or for a child who has been placed with you for foster care or adoption, you must provide 30 days advance notification, when possible. You must also write and sign a memorandum attesting to the date of the child's birth or placement with you. When you use Family and Medical Leave for your own serious health condition or to care for the serious health condition of an eligible family member, you must provide as much notification as possible. You must also submit your health care provider's certification of a serious health condition. Additionally, you will need your health care provider's release to return to work. For more information see Personnel Rule 7.1 at: seattle.gov/personnel/resources/rules.asp

Sabbatical Leave

You will be eligible to request an unpaid sabbatical leave of absence of up to 12 months after completing the equivalent of seven years of continuous full-time regular City employment. A sabbatical leave differs from a personal leave of absence in that returning to your job is guaranteed. (This guarantee is no greater than if you were not on leave.) In addition, you will receive health care benefits at the rate of one month of coverage for every year of completed employment, to a maximum of 12 months. You may also cash out any unused sick leave over 240 hours at 25% of its current value.

For additional information, go to the [Personnel Rules](http://seattle.gov/personnel/resources/rules.asp) at seattle.gov/personnel/resources/rules.asp
