The family **prescription drug Maximum Out-of-Pocket Limit** applies to **network prescription drug covered expenses**.

**Excluded Covered Expenses**

Certain **prescription drug covered expenses** do not apply toward your individual **prescription drug** maximum out-of-pocket limit and the family prescription **drug** maximum out-of-pocket limit. These include:

- Expenses above the **recognized charge**.
- Non-covered **expenses**.

**Expense Provisions**

**The following provisions apply to your health expense plan.**

This section describes cost sharing features, benefit maximums and other important provisions that apply to your Plan. The specific cost sharing features and the applicable dollar amounts or benefit percentages are contained in the attached health expense sections of this *Schedule of Benefits*.

This *Schedule of Benefits* replaces any *Schedule of Benefits* previously in effect under your plan of health benefits.

**KEEP THIS SCHEDULE OF BENEFITS WITH YOUR BOOKLET.**

**Deductible Provisions**

**Covered expenses** applied to the **out-of-network provider deductibles** will be applied to satisfy the **network provider deductibles**. **Covered expenses** applied to the **network provider deductibles** will be applied to satisfy the **out-of-network provider deductibles**.

All **covered expenses** accumulate toward the **network provider and out-of-network provider deductibles** except for those **covered expenses** identified later in this *Schedule of Benefits*.

You and each of your covered dependents have separate Calendar Year **deductibles**. Each of you must meet your **deductible** separately and they cannot be combined. This Plan has individual and family Calendar Year **deductibles**.

## Network Provider and Other Health Care Calendar Year Deductible

### Individual

This is the amount of **covered expenses** that you and each of your covered dependents incur each Calendar Year from a **network provider** and for **other health care** for which no benefits will be paid. This individual Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach this individual Calendar Year **deductible**, this Plan will begin to pay benefits for **covered expenses** that you incur from a **network provider** and for **other health care** for the rest of the Calendar Year.

### Family Deductible Limit

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **deductibles**, these expenses will also count toward a family **deductible** limit.

To satisfy this family **deductible** limit for the rest of the Calendar Year, the following must happen:

The combined **covered expenses** that you and each of your covered dependents incur towards the individual Calendar Year **deductibles** must reach this family **deductible** limit in a Calendar Year.

When this occurs in a Calendar Year, the individual Calendar Year **deductibles** for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

## Out-of-Network Provider Calendar Year Deductible

### Individual

This is the amount of **covered expenses** that you and each of your covered dependents incur each Calendar Year from an **out-of-network provider** for which no benefits will be paid. This individual Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach this individual Calendar Year **deductible**, this Plan will begin to pay benefits for **covered expenses** that you incur from an **out-of-network provider** for the rest of the Calendar Year.

### Family Deductible Limit

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **deductibles**, these expenses will also count toward a family **deductible** limit.

To satisfy this family **deductible** limit for the rest of the Calendar Year, the following must happen:

The combined **covered expenses** that you and each of your covered dependents incur towards the individual Calendar Year **deductibles** must reach this family **deductible** limit in a Calendar Year.

When this occurs in a Calendar Year, the individual Calendar Year **deductibles** for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

### Common Accident Out-of-Network Deductible Limit

This limit applies when two or more family members are injured in the same accident. The common accident **out-of-network deductible** limit places a limit on your **deductible** expenses when **covered expenses** are applied toward the separate Calendar Year **deductibles** for **out-of-network providers** and for **other health care**. When this occurs, and all **covered expenses** related to the accident in that Calendar Year exceed the common accident **out-of-network deductible** limit, your plan will then pay the excess amount based on the plan **payment** percentage. The added benefit will be reduced by any family **out-of-network deductible** limit benefit amount paid for the same **covered expenses**.

## Deductible Carryover

Under this feature, any **covered expenses** that you incur in the last three months of a Calendar Year that apply toward that year's Calendar Year **deductibles** for **network providers, out-of-network providers and other health care** will also count toward the following year's **network providers, out-of-network providers and other health care deductibles**.

## Copayments and Benefit Deductible Provisions

### Copayment, Copay

This is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

### Per Admission Deductible

A Per Admission **Deductible** is a specified dollar amount for which no benefit is paid when you or a covered dependent have a **stay** in an inpatient facility.

Separate **deductibles** may apply per facility. These **deductibles** are in addition to any other **deductible** applicable under this plan. They may apply to each **stay** or they may apply on a per day basis up to a per admission maximum amount.

**Covered expenses** applied to the per admission **deductible** cannot be applied to any other **deductible** required in your plan. Likewise, **covered expenses** applied to your plan's other **deductibles** cannot be applied to meet the per admission **deductible**.

For the stay of a well newborn baby (starting at birth), the per admission **deductible** amount will not exceed the hospital's actual **room and board charge** on the first day of the stay.

### Per Admission Copayment

A Per Admission **Copayment** is an amount you are required to pay when you or a covered dependent have a **stay** in an inpatient facility. A **copayment** is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

Separate **copayments** may apply per facility. These **copayments** are in addition to any other **copayments** applicable under this plan. They may apply to each **stay** or they may apply on a per day basis up to a per admission maximum amount.

**Covered expenses** applied to the per admission **copayment** cannot be applied to any other **copayment** required in your plan. Likewise, **covered expenses** applied to your plan's other **copayments** cannot be applied to meet the per admission **copayment**.

For the stay of a well newborn baby (starting at birth), the per admission **copayment** amount will not exceed the hospital's actual **room and board charge** on the first day of the stay.

## Payment Provisions

### Payment Percentage

This is the percentage of your **covered expenses** that the plan pays and the percentage of **covered expenses** that you pay. The percentage that the plan pays is referred to as the "Plan Payment Percentage". Once applicable **deductibles** have been met, your plan will pay a percentage of the **covered expenses**, and you will be responsible for the rest of the costs. The payment percentage may vary by the type of expense. Refer to your *Schedule of Benefits* for payment percentage amounts for each covered benefit.

### **Payment Limit**

The **Payment Limit** is the maximum amount you are responsible to pay for **covered expenses** during the Calendar Year. This Plan has an individual **Payment Limit**. As to the individual **Payment Limit**, each of you must meet your **Payment Limit** separately and they cannot be combined and applied towards one limit.

Certain **covered expenses** do not apply toward the **Payment Limit**. See list below.

### **Network Provider and Other Health Care Payment Limit**

#### **Individual**

Once the amount of eligible **network provider** and **other health care** expenses you or your covered dependents have paid during the Calendar Year meets the individual **Payment Limit**, this Plan will pay 100% of such **covered expenses** that apply toward the limit for the remainder of the Calendar Year for that person.

#### **Family Payment Limit**

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **network provider** and **other health care Payment Limit**, these expenses will also count toward a family **network provider** and **other health care Payment Limit**.

To satisfy this family **network provider** and **other health care Payment Limit** for the rest of the Calendar Year, the following must happen:

The family **Payment Limit** is a cumulative **Payment Limit** for all family members. The family **network provider** and **other health care Payment Limit** can be met by a combination of family members with no single individual within the family contributing more than the individual **network provider** and **other health care Payment Limit** amount in a Calendar Year.

### **Out-of-Network Provider Payment Limit**

#### **Individual**

Once the amount of eligible **out-of-network provider** expenses you or your covered dependents have paid during the Calendar Year meets the individual **Payment Limit**, this Plan will pay 100% of such **covered expenses** that apply toward the limit for the remainder of the Calendar Year for that person.

#### **Family Payment Limit**

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **out-of-network provider Payment Limit**, these expenses will also count toward a family **out-of-network provider Payment Limit**.

To satisfy this family **out-of-network provider Payment Limit** for the rest of the Calendar Year, the following must happen:

The family **Payment Limit** is a cumulative **Payment Limit** for all family members. The family **out-of-network provider Payment Limit** can be met by a combination of family members with no single individual within the family contributing more than the individual **out-of-network provider Payment Limit** amount in a Calendar Year.

The **Payment Limit** applies to both network and out-of-network benefits. **Covered expenses** applied to the out-of-network **Payment Limit** will be applied to satisfy the in-network **Payment Limit** and **covered expenses** applied to the in-network **Payment Limit** will be applied to satisfy the out-of-network **Payment Limit**.

### **Expenses That Do Not Apply to Your Payment Limit**

Certain covered expenses do not apply toward your plan payment limit. These include:

- Expenses applied toward a **deductible**;
- Charges over the **recognized charge**;
- Expenses applied toward a **copayment**;
- Expenses incurred for outpatient **prescription drugs**;
- Expenses incurred for short-term outpatient rehabilitation therapy and neurodevelopmental therapy expenses;
- Non-covered expenses; and
- Expenses that are not paid, or **precertification** benefit reductions because a required **precertification** for the service(s) or supply was not obtained from **Aetna**.

### **Maximum Benefit Provisions**

#### **Lifetime Maximum Benefit**

The most the plan will pay for covered expenses incurred by any one covered person during their lifetime is called the Lifetime Maximum Benefit.

The Lifetime Maximum Benefit applies to **network** and **out-of-network** expenses combined.

## **General**

This Schedule of Benefits replaces any similar Schedule of Benefits previously in effect under your plan of benefits. Requests for coverage other than that to which you are entitled in accordance with this Schedule of Benefits cannot be accepted. This Schedule is part of your Booklet and should be kept with your Booklet.
