Eligibility and Coverage Information

New Employee Enrollment

If you are a new employee, you must enroll in/apply for medical, dental, vision, life, AD&D, and/or supplemental LTD coverage **within 30 days of your hire date**. You have two enrollment options:

- 1) through [Employee Self-Service](#), which is preferred
- 2) if you have no access to a computer, submit a *Benefit Election Form* to your Department's [Human Resources Representative](#). If you choose paper forms, make sure they are completed, signed, and dated.

If you miss the deadline, you will be defaulted into certain benefits and ineligible for others. You must wait for the next Open Enrollment period to make changes.

If you do not enroll in life insurance when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier, and you are not guaranteed coverage as you are when first eligible.

When Coverage Begins

You must enroll within 30 days of hire. Coverage begins for you and your eligible family members on your first day of employment if that date is:

- the first calendar day of the month designated as a City business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.

If your employment begins after this date, your coverage will begin the first day of the following month.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of your hire date, you will not be able to enroll in a medical plan until the next Open Enrollment period (or within 30 days of a change in family status). However, you will automatically be enrolled for dental and vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

You also will need to meet additional requirements to be eligible for Life Insurance coverage. You will be required to submit a Medical History Statement and have it approved by the insurance company in order to be eligible for Life Insurance coverage.

Eligibility and Coverage Information

Waiving Coverage

You have the option to decline medical coverage within 30 days of your hire date, during Open Enrollment, or within 30 days of a qualifying event. If you waive coverage, you may not cover dependents under the City's medical plans. You will not be charged premium payments if you decline medical coverage and will still be enrolled in the dental and Basic vision plans because there is no employee premium contribution.

Employees who decline coverage considered affordable and adequate under the Patient Protection and Affordable Care Act (such as the City's plans), will not qualify for government subsidies to purchase individual health insurance. In addition, an employee who refuses employer coverage and doesn't obtain coverage on his or her own will pay a federal penalty.

Can I enroll my family members?

The following family members are eligible for coverage:

- Your spouse or domestic partner;
- Your birth or adopted children, or children placed for adoption;
- Children of your domestic partner who live with you;
- Stepchildren; or
- Any child for whom you are legal guardian or for whom coverage is required by a Qualified Medical Child Support Order.

Children may be covered on the following plans. See page 3 for detailed eligibility requirements for children.

- AD&D (family coverage)
- Kaiser Permanente
- Preventive Plan (Aetna)
- Traditional Plan (Aetna)
- Delta Dental of Washington
- Dental Health Services
- VSP
- Supplemental Group Term Life Insurance

Coverage may continue after age 25 for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of fully handicapped/incapacitated status has been documented by a physician.

Visit personnelweb/benefits/home.aspx for more information.

Call your department's [human resources or benefits representative](#) or the City's Benefits Unit at 206-615-1340 if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you end your spouse or domestic partner's coverage due to a legal separation, divorce, or termination of the domestic partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 30 days of the legal separation, divorce or domestic partnership termination.

There are two opportunities to change your benefit choices:

- Open Enrollment
- Within 30 days of a qualifying change in family or job status

Changing Your Benefits

Open Enrollment

Open Enrollment is held once each year in the fall. During this time, you can change your benefits plans, add and drop family members and add or drop coverages. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Open Enrollment is also the time to enroll in the Flexible Spending Account program (Health Care and Day Care). You must re-enroll every year, even if you had an account the previous year.

Life Events/Family Status Changes that May Affect Your Benefits

You must enroll a new spouse or domestic partner and any dependents within 30 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption or placement for adoption (This 60-day deadline does not apply to FSA changes.) *If you miss the deadline*, you can only add family members during the annual fall Open Enrollment period.

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact your department's Human Resources representative if any of the following occur:

Eligibility and Coverage Information

- You adopt a child - you may add coverage for that child (you may add coverage for your other dependents at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.
- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence - you may add your spouse or partner to the plan.
- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence—you may drop your spouse or partner from the plan.
- You get divorced, separate, or dissolve a domestic partnership - you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision - your child will be dropped from coverage.

When Coverage Ends

Your medical/dental/vision, Basic and Supplemental Life and AD&D coverages end on the last day of the calendar month in which you:

- Are no longer eligible
- Resign, retire or are terminated
- Stop making any required payment

Continuing Coverage Under COBRA

To help you maintain health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase continuing medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

If you are a City employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

Eligibility and Coverage Information

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership.
- A child loses coverage (turns 26)

The Life and AD&D plans have conversion options.

As an alternative to COBRA, you may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. Please note that if you enroll on an exchange plan, you will not be eligible for coverage on a City retiree medical plan in the future. More information at www.wahealthplanfinder.org.

Questions about retiree medical plans?

- LEOFF 1 members: Contact Dan Oliver, Police Pension Office, Daniel.Oliver@seattle.gov or (206) 386-1289.
- LEOFF 2 members: Contact Central Benefits, Seattle Department of Human Resources, Benefits.Unit@seattle.gov or (206) 615-1340.

If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan within 30 days of retiring. In some cases, you can delay your enrollment in a City retiree medical plan if you are covered under another employer's plan. Questions? Call Central Benefits at 206-615-1340

Retiree Medical Plans

Paying for Benefits

Your Payroll Deductions

See page 22 for medical premiums

Medical, Dental and Vision

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. Pre-tax deductions are exempt from Social Security taxes. This may slightly reduce your future Social Security benefits, but most people find that ongoing tax savings outweigh a future reduction in Social Security benefits, if any. If this is a concern for you, discuss it with your financial advisor. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

Dental and Vision plans are fully paid by the City for most employees.

Life Insurance

Your basic and supplemental life insurance after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Accidental Death and Dismemberment

Your AD&D after-tax premium deduction is taken from your first paycheck of the month for that month's coverage.

Flexible Spending Accounts (Health Care & Day Care)

Your FSA pre-tax deduction is taken in equal amounts from your first and second paychecks each month.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan in advance and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and/or vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. The Health Care FSA is a tool to support your financial planning and maximize the value you get for dollars spent on health care. You can elect the Health Care FSA during Open Enrollment to set aside pre-tax dollars to pay for eligible out-of-pocket medical expenses for you and your family. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit. Enroll in the City's free tobacco cessation program by calling Quit for Life at 1-866-QUIT-4-LIFE (1-866-784-8454). Your adult family members with City medical coverage may enroll.
- Be more active and eat nutrient dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor and so on. Take advantage of free medical screenings, flu shots and go to the City's wellness and benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums along with what is and is not covered by the various plans.
- Stay within the network. Look for doctors and health care providers that are within your plan's network.
- Review medical bills carefully. Billing errors can cost you hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Medical Plan Options

Medical Plans

The City offers four different medical plans:

- City of Seattle Preventive Plan
- City of Seattle Traditional Plan
- Kaiser Permanente Standard Plan
- Kaiser Permanente Deductible Plan

How to Choose a Medical Plan

Plan features, coverages and costs vary. The City's plans with Aetna offer an extensive choice of doctors; coverage is higher if you use doctors in the Aetna network. The Kaiser Permanente plans require that you use the Kaiser Permanente network of doctors, clinics, hospitals, and pharmacies, but offer a higher level of coverage.

When making your decisions, you should consider cost, choice, and coverage. Do you want a plan that allows you to choose any (non-Kaiser Permanente) doctor, hospital or clinic (City plans with Aetna) or are you willing to stay within a network (Kaiser Permanente) and receive a higher level of coverage?

The following very brief plan descriptions may help you make these choices.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Medical Plan Options

Aetna	<p>The City has plans through Aetna - the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims.</p>
Preventive Plan	<p>This plan has no annual deductible (unless you see an out-of-network provider) and a \$5 copay for all office visits except preventive care (which is covered at 100%). Most other services are covered at 100% after a copay if you use an Aetna network provider.</p>
Traditional Plan	<p>This plan has a \$100 annual deductible per person (\$300 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered.</p>
What If I Don't Use the Aetna Network?	<p>Both of the City's plans include the Aetna network of doctors; however, you choose whether to use a network or non-network provider when you require care. If you choose a doctor who is not in the network, you will pay a higher percentage of the cost of the visit. Another issue to keep in mind is that prices charged by a non-network provider are often higher than those charged by a network provider. If you use a non-network provider, you will pay 30% -40% of the network cost for a service, and your doctor may charge you an additional amount over the established network price.</p>
Aetna Navigator	<p>Aetna's member website is called Aetna Navigator. Through the site (AetnaNavigator.com) you can locate detailed claim information, review your benefits, request changes, find service providers, and email member services.</p>
Simple Steps to a Healthier Life	<p>Traditional and Preventive plan members have access to a health risk assessment – <i>Simple Steps to a Healthier Life</i>. Following completion of a questionnaire, you will receive a health report and a personal action plan along with access to healthy living programs.</p>

Medical Plan Options

<p>Kaiser Permanente</p>	<p>Kaiser Permanente is a health maintenance organization which provides an integrated system of health care services. All services are delivered within Kaiser Permanente facilities or its contracted network providers. You must use Kaiser Permanente contracted providers and facilities unless a doctor refers you elsewhere. You do not need a physician's referral to see most Kaiser Permanente specialists.</p> <p>The City offers two plans through Kaiser Permanente.</p>
<p>Kaiser Permanente Standard Plan</p>	<p>This is a managed care plan with no deductible and an office copay of \$15. Most services are covered at 100% after payment of a copay. Preventive care is covered.</p>
<p>Kaiser Permanente Deductible Plan</p>	<p>This is a managed care plan with a \$200 annual deductible per person (\$600 per family) and a \$15 office copay. The deductible does not apply to ambulance service, prescription drugs, durable medical equipment, and preventive visits (preventive visits do have a copay). After the deductible is satisfied, most services are covered at 100% after the copayment.</p> <p>The health care website is at KP.org/wa. Members can request appointments, exchange emails with their provider, view their online medical record, refill prescriptions online, and view lab and test reports. The provider directory, and drug formulary are also accessible online. In addition, a mobile application is available for use with most cell phones.</p>
<p>Health Profile</p>	<p>The plan has a health risk assessment called <i>Health Profile</i>. Members complete the profile online and receive a report and personalized action plan. Free healthy lifestyle coaching is also available.</p>

Enrolling Spouse/DP

To cover a spouse or domestic partner (and tax dependents of your domestic partner), you must complete a Benefit Election form and an Affidavit of Marriage/ Domestic Partnership.

Spouse/DP/ Dependents Who are IRS Tax Dependents

If they are IRS tax dependents, the rate information on the previous page applies. If you enroll your domestic partner and your domestic partner's children, you will be taxed on the value of their medical coverage if they are not your tax dependents. (The value of the benefits will be imputed to your gross income.)

DP/Dependents Who are Not IRS Tax Dependents

Imputed Income for Value of Health Coverage

If your domestic partner, or your domestic partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, you will be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax so you are not taxed twice.

Prescription Drug Coverage

Prescription Drug Retail Program

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Kaiser Permanente uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

Preventive and Traditional Plans (Aetna)

With the Aetna plans, at a retail pharmacy you pay a \$5 copay for generic drugs, a \$10 copay for preferred drugs, and a \$25 copay for non-preferred brand-name drugs. There is a \$1,200 annual out-of-pocket maximum per member for retail drugs or \$3,600 per family.

If you fill your prescriptions through mail order, you pay a \$10 copay per 90-day supply for generic drugs, \$20 copay for preferred brand-name drugs, and \$50 for non-preferred brand-name drugs.

Present your medical plan ID card at any Aetna network retail pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy, or check the website AetnaNavigator.com

Kaiser Permanente Plans

You are responsible for a \$3 copay with the Standard plan. On the Deductible Plan, you pay a \$15 for generic drugs and a \$30 copay for brand name drugs. All prescriptions must be filled at a Kaiser Permanente pharmacy. Prescriptions filled at any non-Kaiser Permanente pharmacy will not be covered.

You may order 90-day prescriptions by mail order; you pay a \$9 copay with the Standard Plan. With the Deductible Plan, you pay a \$30 copay for generic drugs, and a \$60 copay for preferred brand-name drugs.

See next page for more detailed information about prescription drug coverage.

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network.

Selecting a DDWA dentist means:

- The portion of the dentist bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, the dentist will not bill you more for a covered service. (A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover.)

Payment of Routine Care Benefits

The DDWA Incentive program is designed to promote regular dental care by increasing from one incentive period to the next, the amount paid for preventive care and regular visits. During the first incentive period, the payment level for covered and allowable Preventive and Diagnostic (routine care) benefits will be 70 percent even if you had DDW coverage through a previous employer. This payment level increases by 10 percent — up to a maximum of 100 percent — each successive incentive period in which routine care benefits are used at least once by the eligible person(s). If the once-a-year visit is missed, the Incentive Level reimbursement will decrease by 10 percent for each period during which routine care benefits are not used. In no event, will the payment level be less than 70 percent.

Orthodontia

DDWA offers orthodontia benefits for adults and children. Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$2,000 for each eligible person.

Plan-Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Dental Plan Options

Dental Health Services

The Dental Health Services plan provides greater benefits for services received in network than if you enroll in DDWA, but the DHS network of participating dentists is smaller and you must see a participating network dentist in order for services to be covered.

Selecting a Dental Health Services dentist means:

- There are no deductibles or annual maximums
- Coverage does not decrease if you do not visit your dentist regularly

Payment of Basic Services

This plan has an office visit copay of \$5 for all employees for the first 3 years of employment. There are also copays for selected services. The plan comparison on the next page lists services and copay requirements.

Orthodontia

DHS offers both child and adult (age 25 and over) orthodontia. Orthodontia charges include: a copayment of \$400, a \$150 charge for the initial exam, study models and X-rays.

Plan-Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Optional Insurance

Optional Insurance Choices

The following are two optional insurance choices*. The City of Seattle offers Group Term Life and Accidental Death and Dismemberment insurance. The City shares the cost of Group Term Life Insurance with you, and the Accidental Death and Dismemberment premium is paid in full by the employee.

You can purchase insurance coverage within 30 days of your hire date, during an Open Enrollment period, or within 30 days of a qualifying change in family status.

- Life insurance for yourself and family members
- Accidental Death and Dismemberment (AD&D) insurance for yourself and family members

***NOTE:** the Seattle Police Officer's Guild provides **Long-term Disability Insurance**. Enrollment is mandatory. Call (206) 767-1150 for details.

Optional Insurance – Group Term Life

Group Term Life (GTL) Insurance

The City provides two levels of optional Term Life Insurance: Basic and Supplemental. The City and you pay for Basic Life Insurance; you pay the full cost for Supplemental Life Insurance. You can sign up for Group Term Life Insurance within 30 days of your hire date, during an Open Enrollment period, or within 30 days of a qualifying change in family status. The plan includes travel assistance benefits for you and your covered family members when you travel 100 miles or more from home or internationally; for more information, see www.seattle.gov/personnel/benefits/optional/life.asp.

Basic Life Insurance

This optional coverage provides you with a Term Life Insurance benefit amount equal to one-and-a-half times your annual salary. The City contributes 40% of the cost and you pay the remaining 60% of the cost. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage. However, if you sign up for it later, you will be required to complete a Medical History Statement, which must be approved by the insurance company before your life insurance takes effect. If you have certain health conditions, you could be denied coverage.

How Much Will Coverage Cost?

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.054 times each \$1,000 of coverage.

For example, if your salary is \$78,600 per year, round it up to \$79,000. Your coverage amount is \$118,500 (Calculation: \$79,000 x 1.5 = \$118,500). Your premium is \$6.40 per month (Calculation: \$0.054 x 118).

This policy includes a conversion privilege which allows you to continue some level of coverage if you leave City employment. Conversion is guaranteed, which means you can continue the policy regardless of any existing medical condition. It is more costly because of this provision, but could allow you to maintain coverage when you otherwise might not qualify for new life insurance coverage.

Limited Basic Life Insurance

IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. Because the City pays 40% of the cost for your Basic Term Life Insurance, you may have some taxable value. If you do, the amount on which you pay taxes will be shown on your second paycheck each month. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes by signing a notarized Waiver form available from your department's Human Resources Representative.

Optional Insurance – Group Term Life

Supplemental Life Insurance

The City offers an additional life insurance option—Supplemental Term Life. As long as you are enrolled for Basic Term Life Insurance, you may purchase Supplemental Life Insurance for yourself and your eligible family members. You pay the entire cost for Supplemental Term Life Insurance coverage. In order for your family members to be covered, you must first enroll yourself.

This coverage is subject to various election rules:

- You may purchase up to four times your base salary in Supplemental Term Life Insurance for yourself, in \$5,000 increments. For example, if your salary is \$34,000 and you purchase four times your base salary ($\$34,000 \times 4 = \$136,000$), the maximum you can elect is \$135,000.
- To cover your spouse/domestic partner, you may purchase in multiples of \$5,000 up to a maximum of 50% of the amount of coverage you purchase on yourself. For example, if you purchase \$120,000 of Supplemental Term Life Insurance on yourself, you may purchase up to \$60,000 of coverage for your spouse/domestic partner.
- You may purchase \$2,000, \$5,000 or \$10,000 of coverage for each of your children. Children may be covered up to age 26 (through age 25).

Election rules also state:

- If the Supplemental Term Life Insurance maximum of four times your basic salary exceeds \$1,000,000 when added to the amount of your Basic Life Insurance, you will need to complete and submit a Medical History Statement regardless of when you enroll.
- If you do not sign up when first eligible, you must submit a Medical History Statement, and your coverage will be subject to approval.
- When you are first eligible, you can purchase up to \$50,000 in Supplemental insurance for your spouse/domestic partner without a Medical History Statement. If you want to purchase more than \$50,000 on your spouse/domestic partner, he or she must submit a Medical History Statement. If you wait for Open Enrollment, a Medical History Statement will be required and must be approved for any amount.

Optional Insurance– Group Term Life

How to Decide if You Need Life Insurance

Costs for Supplemental Term Life Insurance for you and your spouse/domestic partner are based on **your** age. Costs for covering eligible children are fixed, and the monthly premium is the same regardless of how many children you cover.

When deciding if you should buy life insurance, ask yourself the following questions:

- Am I solely or largely responsible for the financial well-being of my family?
- Would my family need additional income to live on if something happened to me?
- Should I elect coverage now because no Medical History Statement is required but would be required later, and I might not qualify?

If you answered **yes** to these questions, you may want to consider purchasing supplemental life insurance.

Costs for Covering Your Children

Optional Insurance – AD&D

AD&D

To supplement your Basic Life Insurance, you may purchase Accidental Death and Dismemberment (AD&D) Insurance for yourself, spouse/domestic partner and/or children. AD&D Insurance pays a death benefit (principal sum or full insurance amount) if the insured person dies due to an accident; it also pays a percentage of the death benefit if the covered person loses a limb(s) or becomes paralyzed. For example, a person who is covered by AD&D Insurance would receive 50% of the principal sum (full insurance amount) if he/she lost a limb from an injury relating to an accident.

You can cover yourself in \$25,000 increments up to \$500,000. The amount of coverage for your family members is a percentage of your coverage amount. For example, John Smith has "Employee and Family" coverage for himself and his two children (no spouse). If one of his children dies, he receives a payout of 20% of the principal sum. If John had a spouse, he would receive 15% of the principal sum if his child were to die. Charts showing costs and payout percentages can be found on the next page.

In addition, the plan has travel assistance benefits for you and your covered family members when you travel 100 miles or more from home or internationally. Locate the travel assistance program guide and wallet card at www.seattle.gov/personnel/benefits/optional/add.asp.

How to Decide if You Need AD&D

If you don't have life insurance or other insurance plans to cover your family if something should happen to you, you may consider purchasing AD&D coverage.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Optional Insurance - Flexible Spending Accounts

Flexible Spending Accounts

The City's Flexible Spending Account (FSA) Plans allow you to set aside pre-tax dollars from your paycheck (\$120 annual minimum, \$2,600 annual maximum for Health Care FSA plan or \$5,000 for Dependent Care FSA plan) to pay for eligible expenses not covered through other benefit programs. When you put money into an FSA, you do not pay federal or Social Security taxes on it. As a result, your taxable income is reduced and your taxes are lower.

You can sign up for flexible spending accounts within 30 days of your hire date, during an Open Enrollment period, or within 30 days of a qualifying change in family status. There are two types of FSA Plans:

Health Care FSA Account

Health Care FSA – allows you to set aside money (\$2,600 annual maximum) to pay for expenses not covered by your health plans (e.g., deductibles, copays, or expenses for orthodontia that exceed the plan maximum). Health care premiums are not eligible expenses because they are already deducted from your paycheck on a pre-tax basis. You must submit receipts for reimbursement by March 31 of the following year.

You may carry over up to \$500 of unused health care FSA funds into the following plan year if it results in a minimum account balance of \$120. Amounts above \$500 left in the account at the end of the year cannot be refunded.

Day Care FSA Account

Day Care FSA – allows you to set aside money to pay for eligible day care expenses for your child, disabled spouse, or tax dependent parent (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work (\$5,000 annual maximum).

As you incur eligible expenses, you submit bills and receipts, and receive reimbursement up to the amount you elect to have withheld from your paychecks throughout the year. There are restrictions on the amount you can contribute and the types of expenses that can be reimbursed. Money left in the account at the end of the year cannot be refunded.

Workers' Compensation

If you are injured at work, the City's self-insured Workers' Compensation program will cover you. You are covered as soon as you start work. For more information on this program, contact your department's Human Resources Representative.

Leave Policies

Vacation

You earn vacation based on the number of hours you work regular (non-overtime) hours. You accumulate vacation based on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service with an additional day per year of service thereafter to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

You must wait six months after your initial hire date (or your most recent temporary appointment if you provided temporary service and were regularly appointed without a break in service) to take vacation. Follow your department's protocol for requesting and taking vacation.

Your unused vacation balance will be cashed out when you leave City employment, unless your collective bargaining agreement provides otherwise.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Leave Policies

Sick Leave

Sick leave is a short-term disability program that pays your wages if you must be absent from work because of your own medical appointments, personal illness, injury or disability which makes you temporarily unable to perform your job or when you are absent because of medical appointments, illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, grandchild or dependent child. Sick leave may also be requested for the non-medical care of a newborn or child recently placed for adoption, foster care or legal guardianship, closure of your worksite or your child's school or place of care by a public health official and for reasons related to domestic violence, sexual assault or stalking. You are eligible to use available sick leave hours after 30 days of employment.

All regularly appointed full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive work days, you must submit medical documentation to verify your absence. You may also need to provide return to work certification. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative

Sick Leave Transfer

The City has a sick leave transfer program. You may request to receive up to 560 hours of donated sick leave for any single qualifying incident from other employees if you meet all the following conditions:

- You have exhausted, or will exhaust in the current pay period, your paid leave balances due to a personal illness, injury, impairment, or physical or mental condition which is likely to cause you to go on leave without pay, or to leave City employment.
- You provide a medical certification from your health care provider verifying the nature and expected duration of your condition and the need to be off work.
- You have used your sick leave balance judiciously.
- You are not eligible for benefits under SMC Chapter 4.44 or under the State Industrial Insurance and Medical Aid Acts.

You may also donate 8 or more sick leave hours to an approved recipient employee provided the donation will not cause your sick leave balance to fall below 240 hours.

For more information on sick leave transfer, see Personnel Rule 7.7.5 and your department's policies.

Holidays

Most City employees are eligible for 10 official paid holidays and two personal paid holidays per year. To qualify for a paid holiday, you must be on regular pay status either the day before or the day after the observed holiday. However, if you returned the day after a holiday, but had been on unpaid leave for more than four days immediately preceding the holiday, you would not be eligible for holiday pay. For more information regarding holiday leave policies, consult Personnel Rule 7.6 at http://personnelweb/personnel/policy/rule_7.6.asp and any applicable union contract.

Here is the 2018 holiday schedule.

New Year's Day	Monday, 1/1/2018
Martin Luther King Jr. Day	Monday, 1/15/2018
President's Day	Monday, 2/19/2018
Memorial Day	Monday, 5/28/2018

Thanksgiving Day	Thursday, 11/22/2018
Day following Thanksgiving	Friday, 11/23/2018
Christmas Day	Tuesday, 12/25/2018

The 2019 New Year's Day holiday will be Wednesday, January 2.

You must use your two personal (floating) holidays during the calendar year or you will forfeit them.

Emergency Day

Some union agreements provide for an emergency day. This is a day to take care of an urgent personal situation. Check your collective bargaining agreement for more information.

Leave Policies

Floating Holidays

You will be credited with two floating (personal) holidays on January 1 of each year. You may take them in full-day increments at any time with supervisory approval. Personal holidays cannot be carried over from year to year nor can they be cashed out at the end of the year. Use them or lose them!

Employees who work a 4/10 or 9/80 schedule receive eight hours pay per holiday. They must cover the difference with vacation or compensatory time, take it without pay or work flex hours. For more information, see the [Personnel Rules](#) at: personnelweb/personnel/policy/rule_7.6.asp. Represented employees should also see their collective bargaining agreements for provisions covering personal holidays.

Funeral

The City provides eight hours of funeral leave, which is not chargeable to sick leave or vacation, to full-time employees attending the funeral of a close relative. An additional eight hours of funeral leave is permitted if funeral attendance requires round-trip travel of 200 miles or more. You may also take up to 32 hours chargeable to sick leave, but the combination of funeral and sick leave cannot exceed 40 hours for any single occurrence. Funeral and sick leave used for funeral attendance are prorated for part-time employees.

For purposes of funeral leave, a close relative is defined as the employee's spouse or domestic partner, and the parent, child, sibling, grandparent and grandchild of the employee or the employee's spouse or domestic partner. Step parents as well as adoptive and foster parents are included. Your department head may also approve the use of up to 40 hours of sick leave for a full-time employee to attend the funeral of a relative other than a close relative.

You may, with supervisory approval, take vacation or other discretionary leave to attend the funeral of a friend, co-worker or other individual who is not a close relative. You may also take vacation or other discretionary time off if you need additional time to settle the deceased's estate and other affairs, or to properly mourn your loss. For more information about funeral leave, see the [Personnel Rules](#) 7.8 at: seattle.gov/personnel/resources/rules.asp

Leave Policies

Military

Upon presentation of your military orders, you are eligible for up to 21 working days of paid military leave per calendar year. A “working day” for purposes of military leave is usually equivalent to your regular workday. For more information see the [Personnel Rules 7.9](#) at: seattle.gov/personnel/resources/rules.asp.

You will be granted job-protected leave to enter the United States armed services. Generally, you may be gone for up to five years. You will be returned to your job as long as you are honorably discharged and report to work within the time period specified by state and federal law.

Family and Medical

The City provides up to 90 calendar days of unpaid Family and Medical Leave per year. You may receive this in addition to any paid leave for a properly certified Family and Medical Leave qualifying condition; however, Paid Family Care Leave counts towards the family medical Leave entitlement. When you use Family and Medical Leave for the non-medical care of your newborn child or for a child who has been placed with you for foster care, adoption, or legal guardianship you must provide 30 days’ advance notification, when possible. You must also write and sign a memorandum attesting to the date of the child's birth or placement with you. When you use Family and Medical Leave for your own serious health condition or to care for the serious health condition of an eligible family member, you must provide as much notification as possible. You must also submit your health care provider’s certification of a serious health condition. Additionally, you will need your health care provider’s release to return to work. Employees are eligible to use the leave after six months of employment. For more information, see Personnel Rule 7.1 at: seattle.gov/personnel/resources/rules.asp

Paid Family Care Leave

The City provides up to four weeks per a rolling 12 month period for an employee to care for a FMLA qualifying family member with a serious health condition, whose sick leave balance has been reduced to a maximum of two weeks and vacation to a maximum of one week, and has available FMLA entitlement hours. Employees are not eligible to use the leave until after having completed a consecutive six months of employment in a benefitted position or temporary assignment. Hours are pro-rated for part-time employees. The leave expires after one year or sooner if the qualifying condition ends.

Leave Policies

Paid Parental Leave

The City of Seattle's Paid Parental Leave program provides eligible employees up to 12 weeks paid leave to bond with their new child, pro-rated for part time employees. Regular or temporary employees who are benefits-eligible per Seattle Municipal Code Subsection 4.20.055(C) who have worked at least 6 months in the benefit eligible position will receive eight weeks of leave, with up to four additional weeks of leave based on vacation and sick leave balances if they experience the following qualifying event on or after January 1, 2017:

- Birth of a child
- Placement of a child for adoption
- Placement of a child for foster care
- Placement of a child for legal guardianship

The employee must use the leave by the first anniversary of the child's birth or placement. If an employee has two qualifying events in a single 12-month period, they may only use up to 480 hours of their eligible Paid Parental Leave to bond with children in multiple qualifying events.

The employee would not be eligible for additional leave until after the first 12-month period. For more information and the application form, go to the Paid Parental Leave page at:

<http://www.seattle.gov/personnel/benefits/paidparentalleave.asp>.

Sabbatical Leave

You may be eligible to request an unpaid sabbatical leave of absence of up to 12 months after completing the equivalent of seven years of continuous full-time regular City employment. A sabbatical leave differs from a personal leave of absence in that returning to your job is guaranteed. (This guarantee is no greater than if you were not on leave.) In addition, you will receive health care benefits at the rate of one month of coverage for every year of completed employment, to a maximum of 12 months. You may also cash out any unused sick leave over 240 hours at 25% of its current value.

For additional information, go to the **Personnel Rules** at seattle.gov/personnel/resources/rules.asp

Coinsurance	The arrangement by which both the Plan and the employee share a specified ratio of the covered expenses under the policy. For example, the Aetna Open Choice Traditional Plan pays 80% of most covered expenses while the employee pays the remaining 20% of covered expenses once the deductible has been met.
Copay	A fee paid at the time a medical or dental service is provided. A copay may be a percentage of charges, but is usually a flat fee. In general, copayments may not be applied toward the coinsurance or out-of-pocket deductibles.
Deductible	The amount of covered expenses that must be incurred before any Plan benefits are paid. The deductible is set on an annual basis and there are individual and family deductibles.
Eligible Expenses	Expenses as defined in the health plan as being eligible for coverage. This could involve specified health services fees or "reasonable and customary charges."

Network Provider	A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a preferred provider.
Non-network Provider	A provider who has not signed a contract with a health plan. Also known as a non-preferred provider.
Out-of-Pocket Cost	The amount not covered by the plan that the plan member pays. This includes such things as coinsurance, deductibles, etc.

Pre-existing condition	A physical condition that existed prior to the effective date of a policy. In many health policies, these are not covered until after a stated period of time has elapsed. The City’s medical plans cover all pre-existing conditions.
Preferred Provider	A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a network provider
Preventive Care	Care that consists of routine physical examinations and immunizations. The emphasis is on preventing illnesses before they occur.
