Medicare Part D prescription drug coverage†

The amount you pay for drugs will be different depending on:

- The tier your drug is in. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/wa/medicare/formulary or call Member Services to ask for a copy **1-888-901-4600**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).
- Your drug quantity (like a 30-day or 90-day supply). Note: A supply greater than a 30-day supply isn't available for all drugs.
- When you get a 31- to 90-day supply, whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you're in (initial, coverage gap, or catastrophic coverage stage).

Initial coverage stage

You pay the cost shares shown in the chart below until your total yearly drug costs reach **\$3,820**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$3,820 limit, you move on to the coverage gap stage and your coverage changes.

Drug tier	You pay
Tier 1 (Preferred Generic)	\$3 (up to a 30-day supply)
Tier 2 (Generic)	\$7 (up to a 30-day supply)
Tier 3 (Preferred Brand)	\$40 (up to a 30-day supply)
Tier 4 (Nonpreferred Brand)	\$90 (up to a 30-day supply)
Tier 5 (Specialty Tier)	\$150 (up to a 30-day supply)
Tier 6 (Vaccines)	\$0 (up to a 30-day supply)

When you get a 31- to 90-day supply, you will pay the following for drugs in Tiers 1-4:

- If you get a 31- to 60-day supply from any plan pharmacy (retail or mail order), you pay 2 copays.
- If you get a 61- to 90-day supply from one of our retail pharmacies, you pay 3 copays.
- If you get a 61- to 90-day supply from our mail-order pharmacy, you pay 2 copays.

Coverage gap and catastrophic coverage stages

The coverage gap stage begins if you or a Part D plan spends **\$3,820** on your drugs during 2019. You pay the following cost shares during the coverage gap stage:

Drug tier	You pay
Tiers 1, 2, 3, 4, 5, and 6	Same as initial coverage stage

Because there is no coverage gap for your plan, this stage doesn't apply to you. You will continue to pay the standard retail and mail-order cost shares listed above until you reach an out-of-pocket limit of **\$5,100**.

If you spend **\$5,100** on your Part D prescription drug costs in 2019, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of the year. Once in the catastrophic coverage stage, you will stay in this payment stage until the end of the calendar year. Your share of the cost for a covered drug will be either coinsurance or a copay, whichever is the larger amount:

- Coinsurance of 5% of the cost of the drug, or
- \$3.40 for a generic drug or a drug that is treated like a generic, and
- \$8.50 for all other drugs.

We will pay the rest.

Long-term care and non-plan pharmacies

If you live in a long-term care facility and get your drugs from their pharmacy, you pay the same as at a plan pharmacy and you can get up to a 31-day supply. If you get covered Part D drugs from a non-plan pharmacy, you pay the same as at a plan pharmacy and you can get up to a 30-day supply.

Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

- You don't have end-stage renal disease (ESRD) unless you got ESRD when you were already a member of one of our plans or you were a member of a different plan that ended.

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area dialysis care
 - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. You aren't restricted to a particular plan facility or pharmacy, and we encourage you to use the plan facility or pharmacy that will be most convenient for you. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at wa-medicare.kp.org/providers or ask us to mail you a copy by calling Member Services at **1-888-901-4600**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You may choose any available plan provider to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services.

Help managing conditions

If you have more than 1 ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details.

Helpful definitions (glossary)

Benefit period

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year

The year that starts on January 1 and ends on December 31.

Coinsurance

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a 20% coinsurance for a \$200 item means you pay \$40.

Copay

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

Evidence of Coverage

A document that explains in detail your plan benefits and how your plan works.

Maximum out-of-pocket responsibility

The most you'll pay in copays or coinsurance each calendar year for services that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services subject to the maximum for the rest of the year.

Medically necessary

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Non-plan provider

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members.

Plan

Kaiser Permanente Medicare Advantage.

Plan provider

A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.

Prior authorization

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.

Region

A Kaiser Foundation Health Plan organization. We have Kaiser Permanente Regions located in Northern California, Southern California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

Retail plan pharmacy

A plan pharmacy where you can get prescriptions. These pharmacies are usually located at plan medical offices.
