Eligibility and Coverage Information

Eligibility for Temporary Benefits-Eligible Employees

If you are a temporary benefits-eligible employee working full- or part-time (scheduled to work at least 80 hours per month), you are eligible to participate in selected benefits programs when you meet the eligibility requirements of your position:

- Term Limited Assignment – on your date of hire of your 1-3 year assignment
- One or More Interim/Short Term Assignments: after your short-term assignment of up to 1 year is in effect for 1,040 hours.

This is your “eligibility date”. **See page 4** for when your coverage begins.

The benefits you are eligible for are: the medical, dental, basic, basic life, basic LTD, and deferred compensation plans (see pages 1-2).

Eligible Family Members

The following family members are also eligible to participate in the medical, dental, and vision programs:

Spouse or domestic partner – an Affidavit of Marriage/Domestic Partnership or Certificate of State Registered Domestic partnership must be filed with your department’s Human Resources Unit to cover your spouse or domestic partner.

Child Eligibility

Children – your children, and your spouse’s or domestic partner’s children. Please check child eligibility requirements below.

| Plan | Age | Other |
|-------------------------|-------------------------------|---|
| Medical, Dental, Vision | Up to age 26 (through age 25) | <p><u>Do not</u> have to be:</p> <ul style="list-style-type: none"> -single -living with you -dependent on you for support <p>May have access to other coverage.</p> |

Coverage may continue for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of his or her fully handicapped/incapacitated status has been documented by a physician.

If you enroll a dependent, Alight Solutions, the City’s business partner, will send a letter to your home within 2-3 weeks requesting documents that confirm the eligibility of your dependents. Additional information at www.seattle.gov/personnel/benefits/life/dependenteligibility.asp

Eligibility and Coverage Information

When do I enroll?

You must submit your benefits enrollment forms within 30 days of your benefits eligibility date (see prior page).

When does coverage begin?

Actual coverage in the plans in which you are enrolled will begin on either your eligibility date, or the first day of the month following your eligibility date:

- Your coverage begins on your eligibility date if that date is:
 - the first calendar day of the month designated as a City business day, or
 - the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.
- Your coverage begins on the first day of the following month if your eligibility date begins *after* the date described immediately above.

Remember, to be covered, you must submit a completed benefits enrollment form to your department's Benefits Representative within 30 days of becoming benefits eligible. If you miss the deadline, you will be defaulted into certain benefits and ineligible for others. You must wait for the next Open Enrollment period to make changes.

You may decline coverage, but will not be eligible for premium pay in lieu of benefits as a result of declining coverage.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of becoming benefits eligible, you will automatically be enrolled for dental and basic vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

Starting after January 2, 2018, if you are newly eligible for health coverage and don't actively elect or waive medical coverage, you will automatically be enrolled in the Aetna Traditional employee only plan. This plan requires no premium contribution from you.

You also will need to meet additional requirements to enroll in Life Insurance coverage at a later date. You will be required to submit a Medical History Statement and have it approved by the insurance company to be eligible for Life Insurance coverage.

Waiving Coverage

If you waive coverage and later become a regular employee, your next opportunity to enroll will be during Open Enrollment.

Employees who decline coverage considered affordable and adequate under the Patient Protection and Affordable Care Act (such as the City's plans) will not qualify for government subsidies to purchase individual health insurance. An employee who refuses employer coverage and doesn't obtain coverage on his or her own will be subject to a penalty.

Eligibility and Coverage Information

How do I enroll?

To enroll in medical, dental and vision coverage, you must complete and submit a health care benefit election form to your department's [Human Resources Representative](#). Group Term Life has a separate enrollment form. Make sure all forms are signed and dated before they are submitted. Forms are available at the end of this booklet, from your department's Human Resources Representative or on the Benefits website at seattle.gov/personnel/benefits/home.asp.

Continuing Eligibility

To remain eligible for City paid benefits, you must have at least 80 hours of paid time during the calendar month. If the number of hours worked per month is less than 80 hours, benefits will be terminated, you will be responsible for any charges incurred.

Can I enroll my family members?

The following family members are eligible for coverage:

- Your spouse or domestic partner;
- Your birth or adopted children, or children placed for adoption;
- Children of your domestic partner who live with you;
- Stepchildren; or
- Any child for whom you are legal guardian or for whom coverage is required by a Qualified Medical Child Support Order.

Children may be covered on the following plans; see page 3 for detailed eligibility requirements for children.

- Kaiser Permanente plans
- Preventive Plan (Aetna)
- Traditional Plan (Aetna)
- Delta Dental of Washington
- Dental Health Services
- VSP

Coverage may continue after age 25 for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of fully handicapped/incapacitated status has been documented by a physician.

Visit seattle.gov/personnel/benefits/home.asp for more information. Call your department's [human resources or benefits representative](#) or the City's Benefits Unit 206-615-1340 if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you and your spouse or domestic partner's coverage due to legal separation, divorce or termination of the domestic partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 30 days of the legal separation, divorce or domestic partnership termination.

There are two opportunities to change your benefit choices:

- Open Enrollment
- Within 30 days of a qualifying change in family or job status.

Changing Your Benefits

Open Enrollment

Open Enrollment is held once each year in the fall. During this time, you can change your benefits plans, add and drop family members, and add or drop coverages. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Life Events/Family Status Changes that May Affect Your Benefits

You must enroll a new spouse or domestic partner within 30 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption, or placement for adoption. *If you miss the deadline*, you can only add family members during the annual fall Open Enrollment period.

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact your department's benefits representative if any of the following occur:

- You adopt a child - you may add coverage for that child (you may add coverage for your other dependents at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.
- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence - you may add your spouse or partner to the plan.

Eligibility and Coverage Information

When Coverage Ends

- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence—you may drop your spouse or partner from the plan.
- You get divorced, separate, or dissolve a domestic partnership – you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision – your child will be dropped from coverage.

Your medical/dental/vision, Basic Long-Term Disability, and Group Term Life coverages end on the last day of the calendar month in which you:

- Are no longer eligible
- Resign, retire or are terminated
- Stop making any required payment.

Your medical, dental and vision coverages will also end on the day the plan terminates, or if you die (your family members' coverage will end on the last day of the calendar month in which you die).

Continuing Coverage Under COBRA

To help you maintain health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase continuing medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

If you are a City employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

Eligibility and Coverage Information

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership.
- A child loses coverage (turns 26)

The Life and disability plans have conversion options.

Coverage through Health Insurance Exchange

As an alternative to COBRA, you may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. More information at www.wahealthplanfinder.org.

Coverage through a City Retiree Plan

When you are eligible to retire, you will receive a packet of information about the City's retiree medical plans at your Retirement Office appointment. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan **at least 30 days before you retire**. In some cases, you can delay your enrollment in a City retiree medical plan if you are covered under another employer's plan. Contact the Benefits Unit at Benefits.Unit@seattle.gov for more information about the plans.

Paying for Benefits

Your Payroll Deductions

See page 22 for medical premiums

Medical, Dental and Vision

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. Pre-tax deductions are exempt from Social Security taxes. This may slightly reduce your future Social Security benefits, but most people find that ongoing tax savings outweigh a future reduction in Social Security benefits, if any. If this is a concern for you, discuss it with your financial advisor. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Dental and the Basic Vision plans are fully paid by the City for most employees. Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

Life Insurance

Your basic life insurance after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan in advance and save for your out-of-pocket costs. Here are ways to cut costs and save money.

- Quit smoking and encourage your family to quit.
- Be more active and eat nutrient dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor and so on. Take advantage of free medical screenings, flu shots and go to the City's wellness and benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums along with what is and is not covered by the various plans.
- Stay within the network. Look for doctors and health care providers that are within the plan's network. If you participate in an Aetna plan and require a specialist, make sure you use an Aexcel specialist, which will save you 10%.
- Review medical bills carefully. Billing errors can cost you hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Medical Plan Options

Medical Plans

The City offers four different medical plans:

- City of Seattle Preventive Plan
- City of Seattle Traditional Plan
- Kaiser Permanente Standard Plan
- Kaiser Permanente Deductible Plan

How to Choose a Medical Plan

Plan features, coverages and costs vary. The City's plans with Aetna offer unlimited choice of doctors; coverage is higher if you use doctors in the Aetna network. The Kaiser Permanente plan requires that you use their network of doctors, clinics, hospitals, and pharmacies, but offer a higher level of coverage.

Plans offering higher coverage (City Preventive and Kaiser Permanente Standard) have lower copays but higher monthly premiums. The City Traditional Plan has a larger annual deductible and lower or no monthly premiums.

When making your decisions, you should consider cost, choice, and coverage. Here are some questions to ask yourself:

- Do you want a plan that allows you to choose any doctor, hospital, or clinic (City plans with Aetna) or are you willing to stay within a network (Kaiser Permanente) and receive a higher level of coverage?
- Would you rather pay higher monthly premiums to have a small annual deductible (City Preventive Plan) or no annual deductible (Kaiser Permanente Standard Plan) and smaller copays?
- Would you rather pay lower or no monthly premiums and have higher coinsurance and deductibles (Kaiser Permanente Deductible and City Traditional plans)?

The following very brief plan descriptions may help you make these choices.

New Temporary Benefits Eligible Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and Group Term Life plans. If you decline coverage when eligible as a temporary employee and later become a regular employee, you will have to wait until Open Enrollment to enroll.

Medical Plan Options

| | |
|---|--|
| Aetna | The City has two plans with Aetna — the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims. |
| Preventive Plan | This plan has a \$100 annual deductible per person (\$300 per family) and a \$15 copay for all office visits except preventive care (which is covered at 100%). The deductible applies to most services except where a copay applies. Most other services are covered at 90% after a copay if you use an Aetna network provider. |
| Traditional Plan | This plan has a \$400 annual deductible per person (\$1,200 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered. |
| What If I Don't Use the Aetna Network? | Both of the City's plans include the Aetna network of doctors; however, you choose whether to use a network or non-network provider when you require care. If you choose a doctor who is not in the network, you will pay a higher percentage of the cost of the visit. Another issue to keep in mind is that prices charged by a non-network provider are often higher than those charged by a network provider. If you use a non-network provider, you will pay 40% of the network cost for a service, and your doctor may charge you an additional amount over the established network price. |
| Aetna's Aexcel Network | Aetna has a special sub-network, called the Aexcel network, which consists of doctors who specialize in the following areas: cardiology, cardiothoracic surgery, gastroenterology, general surgery, obstetrics/gynecology, orthopedics, otolaryngology, neurology, neurosurgery, plastic surgery, vascular surgery and urology. Doctors were selected for this special network because they meet screening criteria in the areas of experience, performance, effectiveness and efficiency. If you need care in one of these areas and you do not choose a doctor from the Aexcel network to provide that care, you will pay 10% higher coinsurance. You do not need a referral to see a specialist. |
| Aetna Navigator | Aetna's member website is called Aetna Navigator. Through the site (AetnaNavigator.com) you can locate detailed claim information, review your benefits, request changes, find service providers, and email member services. |
| Simple Steps to a Healthier Life | Traditional and Preventive plan members have access to a health risk assessment – <i>Simple Steps to a Healthier Life</i> . Following completion of a questionnaire, you will receive a health report and a personal action plan along with access to healthy living programs. |

| Kaiser Permanente | <p>Kaiser Permanente is a health maintenance organization which provides an integrated system of health care services. All services are delivered within Kaiser Permanente facilities or its contracted network providers. You must use Kaiser Permanente contracted providers and facilities unless a doctor refers you elsewhere. You do not need a physician’s referral to see most Kaiser Permanente specialists.</p> <p>The City offers two plans through Kaiser Permanente.</p> |
| Kaiser Permanente Standard Plan | <p>This is a managed care plan with no deductible and an office copay of \$15. Most services are covered at 100% after payment of a copay. Preventive care is covered.</p> |
| Kaiser Permanente Deductible Plan | <p>This is a managed care plan with a \$200 annual deductible per person (\$600 per family) and a \$15 office copay. The deductible does not apply to ambulance service, prescription drugs, durable medical equipment and preventive visits (preventive visits do have a copay). After the deductible is satisfied, most services are covered at 100% after the copayment.</p> <p>The health care website is at KP.org/wa. Members can request appointments and exchange emails with their provider, view their online medical record, refill prescriptions online, and view lab and test reports. The provider and facilitator directory, and drug formulary are all accessible online. In addition, a mobile application is available for use with most cell phones.</p> |
| Health Profile | <p>The plan has a health risk assessment called <i>Health Profile</i>. Members complete the profile online and receive a report and personalized action plan. Free healthy lifestyle coaching is available.</p> |

2019 Premium Sharing

Effective January 1, 2019, you will pay the monthly premium amount listed below. The table also shows the total premium amount each month for each employee's coverage and the City's contribution.

| | Total Monthly Premium | Employee, with or without children | | Employee with Spouse/Domestic Partner, with or without children | |
|------------------------------|-----------------------|------------------------------------|----------------|---|----------------|
| | | City Pays | Employee Pays* | City Pays | Employee Pays* |
| Medical Plan | | | | | |
| City of Seattle Preventive | \$1,412.87 | \$1,364.75 | \$48.12 | \$1,314.37 | \$98.50 |
| City of Seattle Traditional | \$1,279.79 | \$1,279.79 | \$ 0.00 | \$1,247.45 | \$32.34 |
| Kaiser Permanente Standard | \$1,161.69 | \$1,113.29 | \$48.40 | \$1,061.79 | \$99.90 |
| Kaiser Permanente Deductible | \$1,070.61 | \$1,045.61 | \$25.00 | \$1013.69 | \$56.92 |

Your premium will be divided into two equal payments and taken from the first two paychecks of the month for the current month's coverage. (For example, deductions taken in January will pay for January coverage.) No premiums are deducted from the third paycheck. Premiums are deducted on a pre-tax basis, reducing your taxable income.

*Provided they are IRS tax dependents.

Health Care Premiums

Enrolling Spouse/DP

To cover a spouse or domestic partner (and tax dependents of your domestic partner), you must complete a Benefit Election form and an Affidavit of Marriage/ Domestic Partnership.

Spouse/DP/ Dependents Who are IRS Tax Dependents

If they are IRS tax dependents, the rate information on the previous page applies. If you enroll your domestic partner and your domestic partner’s children, you will be taxed on the value of their medical coverage if they are not your tax dependents. (The value of the benefits will be imputed to your gross income.)

DP/Dependents Who are Not IRS Tax Dependents

After Tax Premium Contributions

If you choose to cover a domestic partner **who is not your IRS tax dependent**, the portion of the premium deducted from your paycheck (your contribution) that pays for his/her coverage must be taken “after tax” to comply with IRS regulations. The column headed “**Monthly Premium Contributions Taken After Taxes**” shows the portion of your monthly premium contribution that will be deducted from your paycheck after taxes are calculated.

| Medical Plans | Monthly Premium Contribution Taken After Taxes for Domestic Partner |
|-------------------------------------|---|
| City of Seattle Preventive | \$50.38 |
| City of Seattle Traditional | \$32.34 |
| Kaiser Permanente Standard | \$51.50 |
| Kaiser Permanente Deductible | \$31.92 |

Imputed Income for Value of Health Coverage

In addition, if your domestic partner or your partner’s non-IRS tax dependent’s children do not qualify as your IRS tax dependents, you will also be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax (as explained above) so you are not taxed twice.

Prescription Drug Coverage

Prescription Drug Retail Program

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Kaiser Permanente uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

Preventive and Traditional Plans (Aetna)

With the Aetna plans, you pay 30% of the actual cost for generic drugs, and 40% for preferred and non-preferred brand-name drugs, up to a maximum of \$100 per drug per month. There is a \$1,200 annual out-of-pocket maximum per member for retail and mail order drugs.

Present your medical plan ID card at any Aetna network retail pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy, or check the website AetnaNavigator.com

Kaiser Permanente Plans

You are responsible for a \$15 copay for generic drugs and a \$30 copay for brand name drugs. All prescriptions must be filled at a Kaiser Permanente pharmacy. Prescriptions filled at any non-Kaiser Permanente pharmacy will not be covered.

See next page for more detailed information about prescription drug coverage.

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network.

Selecting a DDWA dentist means:

- The portion of the dentist bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, the dentist will not bill you more for a covered service. (A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover.)

Orthodontia

DDWA offers orthodontia benefits for children. Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$1,500 for each eligible child. There is no adult orthodontia coverage.

Dental Plan Options

Dental Health Services

The Dental Health Services Plan provides greater benefits for services received in network than if you enroll in DDWA, but the DHS network of participating dentists is smaller and you must see a network participating dentist.

Selecting a Dental Health Services dentist means:

- There are no deductibles or annual maximums.
- Coverage does not decrease if you do not visit your dentist regularly.

Payment of Basic Services

This plan has an office visit copay of \$10 for all employees. There are also copays for selected services. The plan comparison on the next page lists services and copay requirements.

Orthodontia

DHS offers both child and adult (age 25 and over) orthodontia. Orthodontia charges include: a copayment of \$1,800 per adult or \$1,000 per child for orthodontic treatment; a \$150 charge for the initial exam, study models and X-rays; and a \$10 copay for each visit during the course of treatment.

Basic Long-Term Disability

Basic Long-Term Disability (LTD)

The basic benefits package provided by the City includes a Long-Term Disability (LTD) policy that will pay you a portion of your monthly pay if you are sick or injured and cannot work. If you are disabled according to the plan definition, the benefit will combine with other income sources, if any, to pay you up to \$400 per month after a 90-day waiting period while you are unable to work.

You do not need to enroll in this coverage, you are automatically enrolled as a temporary employee with benefits.

Group Term Life

Group Term Life (GTL) Insurance

The City provides one level of optional Term Life Insurance, The City and you pay for Basic Life Insurance, You can sign up for Group Term Life Insurance within 30 days of becoming benefits eligible, or during an Open Enrollment period. The plan includes travel assistance benefits for you and your covered family members when you travel 100 miles or more from home or internationally; for more information, see www.seattle.gov/personnel/benefits/optional/life.asp.

Basic Life Insurance

This optional coverage provides you with a Term Life Insurance benefit amount equal to one-and-a-half times your annual salary. The City contributes 40% of the cost and you pay the remaining 60% of the cost. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

If you sign up for Basic Term Life Insurance as a new temporary benefits eligible employee, you are guaranteed coverage. However, if you sign up for it later, you will be required to complete a Medical History Statement, which must be approved by the insurance company before your life insurance takes effect. If you have certain health conditions, you could be denied coverage.

This policy includes a conversion privilege which allows you to continue some level of coverage if you leave City employment. Conversion is guaranteed, which means you can continue the policy regardless of any existing medical condition. It is more costly because of this provision, but could allow you to maintain coverage when you otherwise might not qualify for new life insurance coverage.

Limited Basic Life Insurance

IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. Because the City pays 40% of the cost for your Basic Term Life Insurance, you may have some taxable value. If you do, the amount on which you pay taxes will be shown on your second paycheck each month. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes by signing a notarized Waiver form available from your [department's Human Resources Representative](#).

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.054 times each \$1,000 of coverage.

For example, if your salary is \$78,600 per year, round it up to \$79,000. Your coverage amount is \$118,500 (Calculation: $\$79,000 \times 1.5 = \$118,500$). Your premium is \$6.40 per month (Calculation: $\$0.054 \times 118$).

City of Seattle employees are eligible to receive an ORCA Passport which pays full fare for all land based transit. Employees who use the ferry may instead choose to receive up to \$99 per month towards a WA State ferry pass. City employees that use the transit system, carpool, and/or bike to work are also eligible for a guaranteed ride home and may also receive discounted membership in Zipcar and ReachNow.

Visit your employee transit benefit website: mytrips.seattle.gov to find out more about your program.

Transit Pass Subsidy and Tax Savings Program

The Internal Revenue Code allows up to \$125 per month (less City subsidy) for transit passes to be deducted from paychecks on a pre-tax basis. Once the deduction has been withheld from your paycheck, the IRS will not allow you to revoke the deduction or receive a refund. Any amount over the allowable maximum will be deducted from post-tax dollars. Actual savings will vary depending on your federal tax filing status and the amount of the transit pass. Employees who purchase a payroll-deducted transit pass are automatically enrolled in the pre-tax plan.

Carshare

City employees can get a discounted membership in Zipcar and ReachNow (Car 2 Go no longer offers corporate discount membership). For more information and to apply online, go to mytrips.seattle.gov, your employee commute options program website.

Leave Policies

Vacation

You earn vacation based on the number of hours (non-overtime) you are paid each pay period. Vacation hours are accumulated on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service with an additional day per year of service thereafter to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

You must wait six months after your initial hire date (or your most recent temporary appointment if you provided temporary service and were regularly appointed without a break in service) to take vacation. Follow your department's protocol for requesting and taking vacation.

Your unused vacation balance will be cashed out when you leave City employment, unless your collective bargaining agreement provides otherwise.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Leave Policies

Sick Leave

Sick leave is a short-term disability program that pays your wages if you must be absent from work because of your own medical appointments, personal illness, injury or disability which makes you temporarily unable to perform your job or when you are absent because of medical appointments, illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, grandchild or dependent child. Sick leave may also be requested for the non-medical care of a newborn or child recently placed for adoption, foster care or legal guardianship, closure of your worksite or your child's school or place of care by a public health official and for reasons related to domestic violence, sexual assault or stalking. You are eligible to use available sick leave hours after 30 days of employment.

Full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive work days, you must submit a medical certification stating why you needed sick leave and confirming your ability to return to work. You are eligible to use available sick leave hours after 30 days of employment. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.

Leave Policies

Leave Policies

Family and Medical Leave

The City provides up to 90 calendar days of unpaid Family and Medical Leave per year. You may receive this in addition to any paid leave for a properly certified Family and Medical Leave qualifying condition; however, Paid Family Care Leave counts towards the family medical Leave entitlement. When you use Family and Medical Leave for the non-medical care of your newborn child or for a child who has been placed with you for foster care or adoption, you must provide 30 days' advance notification, when possible. You must also write and sign a memorandum attesting to the date of the child's birth or placement with you. When you use Family and Medical Leave for your own serious health condition or to care for the serious health condition of an eligible family member, you must provide as much notification as possible. You must also submit your health care provider's certification of a serious health condition. Additionally, you will need your health care provider's release to return to work. Employees are eligible to use the leave after six months of employment. For more information, see Personnel Rule 7.1 at: seattle.gov/personnel/resources/rules.asp

Paid Family Care Leave

The City provides up to four weeks per a rolling 12 months for an employee to care for a FMLA qualifying family member with a serious health condition, whose sick leave balance has been reduced to a maximum of two weeks and vacation to a maximum of one week, and has available FMLA entitlement hours. Employees are not eligible to use the leave until after having completed a consecutive six months of employment in a benefitted position or temporary assignment. Hours are pro-rated for part-time employees. The leave expires after one year or sooner if the qualifying condition ends.

Paid Parental Leave

The City of Seattle's Paid Parental Leave program provides eligible employees up to 12 weeks paid leave to bond with their new child, pro-rated for part time employees. Regular or temporary employees who are benefits-eligible per Seattle Municipal Code Subsection 4.20.055(C) who have worked at least 6 months in the benefit eligible position will receive eight weeks of leave, with up to four additional weeks of leave based on vacation and sick leave balances if they experience the following qualifying event on or after January 1, 2017:

- Birth of a child; placement of a child for adoption; placement of a child for foster care; placement of a child for legal guardianship

The employee must use the leave by the first anniversary of the child's birth or placement. If an employee has two qualifying events in a single 12-month period, they may only use up to 480 hours of their eligible Paid Parental Leave to bond with children in multiple qualifying events.

| | |
|--|---|
| | <p>The employee would not be eligible for additional leave until after the first 12-month period. For more information and the application form, go to the Paid Parental Leave page at: seattle.gov/personnel/benefits/paidparentalleave.asp.</p> |

Glossary

| | |
|--|---|
| Balance billing | The amount over and above your co-insurance amount that you may be required to pay if you use a non-network provider. See the explanation for Paying out-of-network claims that bills more than Aetna's allowable amount on page 18. |
| Coinsurance | The arrangement by which both the Plan and the employee share a specified ratio of the covered expenses under the policy. For example, the Aetna Open Choice Traditional Plan pays 80% of most covered expenses while the employee pays the remaining 20% of covered expenses once the deductible has been met. |
| Copay | A fee paid at the time a medical or dental service is provided. A copay may be a percentage of charges, but is usually a flat fee. In general, copayments may not be applied toward the coinsurance or out-of-pocket deductibles. |
| Deductible | The amount of covered expenses that must be incurred before Plan benefits are paid. The deductible is set on an annual basis and there are individual and family deductibles. |
| Eligible Expenses | Expenses as defined in the health plan as being eligible for coverage. This could involve specified health services fees or "reasonable and customary charges." |
| Formulary | A list of preferred brand-name and generic drugs. Drugs are selected for inclusion based on evaluation criteria developed by each Plan. Formularies are different depending on the Plan, and may change to include new drugs or to drop brand-name drugs as generic equivalents become available. |
| Generic Drug | A drug which contains the same active ingredients in the same amounts as the brand-name product, although it may differ in color, shape, or size from the brand-name product. It is produced after the brand name drug's patent has expired. It is also called a "generic equivalent." |
| Network Provider | A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a preferred provider. |
| Non-network Provider | A provider who has not signed a contract with a health plan. Also known as a non-preferred provider. |
| Out-of-Pocket Cost | The amount not covered by the plan that the plan member pays. This includes such things as coinsurance, deductibles, etc. |
| Out-of-Pocket Limit (Out-of-Pocket Maximum) | The amount of copays and/or coinsurance an individual will be required to pay within a calendar year before most covered expenses are covered in full. |

| | |
|-------------------------------|--|
| Pre-existing condition | A physical condition that existed prior to the effective date of a policy. In many health policies, these are not covered until after a stated period of time has elapsed. The City’s medical plans cover all pre-existing conditions. |
| Preferred Provider | A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a network provider. |
| Preventive Care | Care that consists of routine physical examinations and immunizations. The emphasis is on preventing illnesses before they occur. |

I DECLINE COVERAGE

If you have medical coverage elsewhere and lose your other coverage, you may enroll within 30 days of the loss of the other coverage upon providing proof of continuous medical coverage. If you have a qualifying change in family status, you may enroll within 30 days (or 60 days for a new child) of that change. If you leave City employment or go on a leave of absence, you will not be eligible to obtain your medical coverage under the federal COBRA law through the City. However, if you retire you will be eligible to enroll in a City retiree medical plan.

If you decline coverage and have no medical insurance elsewhere, you will NOT be eligible to enroll in a medical plan until the next annual Open Enrollment unless you have a qualifying change in family status. If you leave City employment or go on a leave of absence, you will not be eligible to obtain your medical coverage under the federal COBRA law or enroll in a City retiree medical plan.

I understand that by declining City of Seattle medical insurance, my medical coverage through the City will end, but my vision and dental insurance will continue.

I decline medical coverage for myself and family members.

INITIAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS

****CONTINUATION COVERAGE RIGHTS UNDER COBRA ****

Introduction

It is important that all covered individuals (employee, spouse/domestic partner, and eligible dependent children, if able) take the time to read this notice carefully and be familiar with its contents. If there is a covered dependent not living at your address, please provide written notification to your department's Benefits Representative so a notice can be sent to that dependent as well.

You are receiving this notice because you may have recently become covered under one or more of the following group health plans: City of Seattle Preventive Plan, City of Seattle Traditional Plan, Kaiser Permanente, Delta Dental of Washington, Dental Health Services, Vision Service Plan, United HealthCare, and the Health Flexible Spending Account (Health FSA). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of group health coverage under a plan under certain circumstances when coverage would otherwise end due to a qualifying event. This notice generally explains COBRA coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. COBRA (and the description of COBRA coverage contained in this notice) applies only to the group health plans listed above (medical, dental, vision, and the Health FSA) and not to any other benefits offered by the City of Seattle (such as life insurance, long term disability, or accidental death and dismemberment insurance). **Should an actual qualifying event occur in the future, the City of Seattle will send you additional information and an election notice at that time.**

The right to COBRA coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA coverage can become available to you when you would otherwise lose your group health coverage under a plan. It can also become available to your spouse/domestic partner and dependent children, if they are covered under a plan, when they would otherwise lose their group health coverage under the plan. This notice does not fully describe COBRA coverage or other rights under a plan. For additional information about your rights and obligations under a plan and under federal law, you should review the plan booklet or contact the City of Seattle Personnel Department Benefits Unit, which is the COBRA Plan Administrator. A plan provides no greater COBRA rights than what COBRA requires – nothing in this notice is intended to expand your rights beyond COBRA's requirements.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed in this notice. After a qualifying event occurs and any required notice of that event is properly provided to your department's Benefits Representative, COBRA coverage must be offered to each person losing plan coverage who is a "qualified beneficiary." You, your spouse/domestic partner, and your dependent children could become qualified beneficiaries and would be entitled to elect COBRA if coverage under a plan is lost because of the qualifying event. Under a plan, qualified beneficiaries who elect COBRA coverage must pay for COBRA coverage.

Who is entitled to elect COBRA Continuation Coverage?

If you are an employee, you will be entitled to elect COBRA coverage if you lose your group health coverage under a plan because either one of the following qualifying events happens:

- your hours of employment are reduced, or
- your employment ends for any reason.

If you are the spouse/domestic partner, you will be entitled to elect COBRA coverage if you lose your group health coverage under a plan because any of the following qualifying events happens:

- your spouse/domestic partner dies;
- your spouse's/domestic partner's hours of employment are reduced;
- your spouse's/domestic partner's employment ends for any reason other than his or her gross misconduct; or
- you become divorced or legally separated from your spouse, or you terminate your domestic partnership. Also, if your spouse (the employee) reduces or eliminates your group health coverage in anticipation of a divorce or legal separation, and a divorce or legal separation occurs within three months of the reduction or elimination of coverage, then the divorce or legal separation will be considered a qualifying event for you even though your coverage was reduced or eliminated before the divorce or legal separation.

A person enrolled as the employee's dependent child will be entitled to elect COBRA if he or she loses group health coverage under a plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The child stops being eligible for coverage under a plan as a "dependent child."

When is COBRA Continuation Coverage Available?

When the qualifying event is the end of employment, reduction of hours of employment, or death of the employee, a COBRA election notice will be made available to qualified beneficiaries. You do not need to notify the Benefits Representative in your department of the occurrence of any of these three qualifying events. However, notice must be provided to your department's Benefits Representative for other qualifying events, as explained below in the section entitled "You Must Give Notice of Some Qualifying Events."

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse, termination of domestic partnership, or a dependent child's loss of eligibility for coverage as a dependent child), a COBRA election notice will be available to you only if you complete and submit a *Health Care Benefits Change Form* to the Benefits Representative for your department within 60 days after the date on which the qualified beneficiary loses or would lose coverage under the terms of the plan as a result of the qualifying event. If this procedure is not followed during the 60-day notice period, **YOU WILL LOSE YOUR RIGHT TO ELECT COBRA COVERAGE.** (A *Health Care Benefits Change Form* is available from your department's Benefits Representative.)

Electing COBRA Coverage

Each qualified beneficiary will have an independent right to elect COBRA coverage. Covered employees and spouses/domestic partners (if the spouse/domestic partner is a qualified beneficiary) may elect COBRA coverage on behalf of all of the qualified beneficiaries and parents may elect COBRA coverage on behalf of their children. Any qualified beneficiary for whom COBRA coverage is not elected within the 60-day election period specified in the COBRA election notice **WILL LOSE HIS OR HER RIGHT TO ELECT COBRA COVERAGE.**

Qualified beneficiaries who are entitled to elect COBRA may do so even if they have other group health plan coverage or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a qualified beneficiary's COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare benefits or becomes covered under other group health plan coverage (but only after any applicable preexisting condition exclusions of that other plan have been exhausted or satisfied).

How Long Does COBRA Coverage Last?

COBRA coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the covered employee's divorce, legal separation or termination of domestic partnership; or a dependent child's losing eligibility as a dependent child, COBRA coverage can last for up to a total of 36 months. However, COBRA coverage under the Health FSA component can last only until the end of the year in which the qualifying event occurred. (See the paragraph below entitled "Health FSA Component.")

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months **BEFORE** the qualifying event, COBRA coverage for qualified beneficiaries (other than the employee) who lose coverage as a result of the qualifying event can last up to 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA coverage for his spouse/domestic partner and children who lost coverage as a result of his termination can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). However, COBRA coverage under the Health FSA component can last only until the end of the year in which the qualifying event occurred. (See the paragraph below entitled "Health FSA Component.")

Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA coverage generally can last for only up to a total of 18 months. However, COBRA coverage under the Health FSA component can last only until the end of the year in which the qualifying event occurred. (See the paragraph below entitled "Health FSA Component.")

Extension of Maximum Coverage Period

If the qualifying event that resulted in your COBRA election was the covered employee's termination of employment or reduction of hours, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify the COBRA Plan Administrator of a disability or a second qualifying event in order to extend the period of COBRA coverage. Failure to provide notice of a disability or second qualifying event will eliminate the right to extend the period of COBRA coverage. (The period of COBRA coverage under the Health FSA cannot be extended under any circumstances.)

Disability extension of 18-month period of continuation coverage

If a qualified beneficiary is determined by the Social Security Administration to be disabled and you notify the COBRA Plan Administrator in a timely fashion, all of the qualified beneficiaries in your family may be entitled to receive up to an additional 11 months of COBRA coverage, for a total maximum of 29 months. This extension is available only for qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was the covered employee's termination of employment or reduction of hours. The disability must have started at some time before the 61st day after the covered employee's termination of employment or reduction of hours and must last at least until the end of the period of COBRA coverage that would be available without the disability extension (generally 18 months, as described above.)

The disability extension is available only if you complete and submit a *Notice of Disability* and a copy of the Social Security Administration's determination of disability to the COBRA Plan Administrator: (a) during the 18 months after the covered employee's termination of employment or reduction of hours, and (b) within 60 days after the latest of:

- the date of the Social Security Administration's disability determination;
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of a plan as a result of the covered employee's termination of employment or reduction of hours.

If these procedures are not followed or if the notice is not provided to the COBRA Plan Administrator during the 60-day notice period and within 18 months after the covered employee's termination of employment or reduction of hours, THEN THERE WILL BE NO DISABILITY EXTENSION OF COBRA COVERAGE. You can obtain a copy of a *Notice of Disability* from the COBRA Plan Administrator.

Second qualifying event extension of COBRA coverage

If your family experiences another qualifying event while receiving COBRA coverage because of the covered employee's termination of employment or reduction of hours (including COBRA coverage during a disability extension period as described above), the spouse/domestic partner and dependent children receiving COBRA coverage can get up to 18 additional months of COBRA coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the COBRA Plan Administrator. This extension may be available to the spouse/domestic partner and any dependent children receiving COBRA coverage if the employee or former employee dies; gets divorced or legally separated, or terminates a domestic partnership; or if the dependent child stops being eligible under a plan as a dependent child, but only if the event would have caused the spouse/domestic partner or dependent child to lose coverage under a plan had the first qualifying event not occurred. (This extension is not available to the spouse/domestic partner and any dependent children under a plan when a covered employee becomes entitled to Medicare after electing COBRA coverage .)

This extension due to a second qualifying event is available only if you notify the COBRA Plan Administrator by completing and submitting a *Notice of Second Qualifying Event* within 60 days after the date of the second qualifying event. You can obtain a copy of a *Notice of Second Qualifying Event* from the COBRA Plan Administrator. If these procedures are not followed or if the notice is not provided in writing to the COBRA Plan Administrator during the 60-day notice period, THEN THERE WILL BE NO EXTENSION OF COBRA COVERAGE DUE TO A SECOND QUALIFYING EVENT.

Health Care FSA Component

COBRA coverage under the Health Care FSA will be offered to qualified beneficiaries. Health Care FSA COBRA coverage will consist of the Health Care FSA COBRA coverage that will be charged for the remainder of the plan year. Health Care FSA COBRA coverage will consist of the Health FSA coverage in force at the time of the

qualifying event (i.e., the elected annual limit reduced by expenses reimbursed up to the time of the qualifying event). The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the plan year, and Health Care FSA COBRA coverage will terminate at the end of the plan year.

More Information About Individuals Who May Be Qualified Beneficiaries

- *Children born to or placed for adoption with the covered employee during COBRA coverage period*

A child born to, adopted by, or placed for adoption with a covered employee during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered employee is a qualified beneficiary, the covered employee has elected COBRA coverage for himself or herself. The child's COBRA coverage begins when the child is enrolled in a plan, whether through special enrollment or open enrollment, and it lasts for as long as COBRA coverage lasts for other family members of the employee. To be enrolled in a plan, the child must satisfy the otherwise applicable plan eligibility requirements (for example, regarding age).

- *Alternate recipients under QMCSOs*

A child of the covered employee who is receiving benefits under a plan pursuant to a qualified medical child support order (QMCSO) received by the COBRA Plan Administrator during the covered employee's period of employment with the City of Seattle is entitled to the same rights to elect COBRA as an eligible dependent child of the covered employee.
