

Keep track of your health.

Know More. Get Better.

Personal Health Record

Finding your personal health information that has collected over the years is not an easy task.

With Aetna's convenient, online access to your health records, you can see and manage all of your health information from one place. No matter where you are or when you need assistance, we provide you with helpful and practical tools to make your life a little easier. It's what we call people care.

- Access family history details
- Review your office visits, prescriptions, conditions and treatments
- Get a health summary
- Download and share your information easily with health care providers
- Receive important medical alerts

Health insurance plans are offered, underwritten and/or administered by Aetna Life Insurance Company (Aetna).

This material is for information only. Health insurance plans contain exclusions and limitations. Health information programs provide general health information and are not a substitute for diagnosis or treatment by a physician or other health care professional. The Aetna Personal Health Record should not be used as the sole source of information about the member's medical history. Links to third party content and websites are provided for your convenience and for informational purposes only. This information is not intended to be a substitute for medical care provided by a physician. Aetna Inc. does not control and assumes no responsibility for information appearing on any linked website. Information is believed to be accurate as of the production date; however, it is subject to change. For more information about Aetna plans, refer to www.aetna.com.

Policy forms issued in Oklahoma include: GR-23 and/or GR-29/GR-29N.
