

2009 BOOT CAMP

Saturday, June 27th | 9:00 am - 7:00 pm

The Seattle Police Foundation Boot Camp provides a unique, interactive opportunity for individuals wanting to support the Foundation's mission while learning more about law enforcement. This annual fundraising event includes three component options:

- **FIELD EVENTS:** The field events are the cornerstone of the Boot Camp. Participants will get to learn CSI investigation techniques, lethal and less-lethal weapons training, action decision-making in a scenario based simulator and several demonstrations in which you participate. **\$750**
- **DRIVING:** SPD driving instructors will provide aspects of skills training provided to SPD officers including brake and evade, backing and parking, high speed lane changes, sirens, lights and radio drills followed by scenario-based tactical exercises. **\$1500**
- **SURF-N-TURF:** Specialty Unit officers will provide exposure and interactive exercises with the harbor, K-9, and mounted units. This will be offered the same day as the other options and all participants will end the day at the joint dinner. **\$1000**

All options begin at the SPD Range and include a joint dinner in the evening. If you have ever wondered what it might be like to be a police officer, the SPF Boot Camp is a perfect event for you!
