SCREWSUCKER™
PUMPING BY APSCO

ScrewSucker™ Warranty

The Company warrants that the Equipment manufactured by it and delivered hereunder will be free of defects in material and workmanship for a period of twelve months from the date of placing Equipment in operation or eighteen months from the date of shipment, whichever shall occur first. If any Equipment shall fail to conform to this Warranty, and the purchaser shall deliver written claim of Warranty to the Company within ninety (90) days of discovery of such nonconformance

(but in no event later than the aforementioned 12 month or 18 month period). The Company will correct such nonconformity, by suitable repair to such Equipment or, at its option, by furnishing a replacement part FOB point of shipment, provided the Purchaser has restored Equipment to the "as shipped" condition prior to installation and has installed, maintained and operated such Equipment in accordance with good industry practices and has complied with specific recommendations of the Company. Accessories or equipment furnished by the Company but manufactured by others, will carry whatever warranty the manufacturers have conveyed to the Company and which can be passed on to the Purchaser. The Company will not be liable for any repairs, replacements, or adjustments to the Equipment or any costs performed by the Purchaser without the Company's prior written approval.
