Resolution

Facilitated Session (5/23/12)

Decision:

All cities would like to capture a country attribute. Consensus reached - Yes

Facilitated Session (5/23/12)

Decision:

Domain list should be:

- Physical Business Location
- Mailing Address
- Home Address
- Previous Owner Address

Facilitated Session (5/23/12)

Decision:

The Taxonomy should support a non-standard U.S. Address, however, it should be a separate attribute from a U.S. based address.

Facilitated Session (5/23/12)

Decision:

Yes, the users should pick from a list of U.S. States.

Facilitated Session (5/23/12)

Decision:

It should be called "Tax and License Information".

Will be rationalized out during design.

Facilitated Session (5/23/12)

Decision:

- Take out the word "Total" from Total Gross Receipts

Gross Receipts should be split into three:

- World Wide Gross Receipts
- Nexus Created Gross Receipts
- Local Gross Receipts

Facilitated Session (5/23/12)

Decision:

Consensus is that none of the sub-totals are required.

Facilitated Session (5/23/12)

Decision:

The Account Balance is only the balance within each tax type. Example, the Account Balance for the general B&O tax would not include a balance for Utility or sales taxes.

All tax type account balances added together would be the Total Account Balance (new attribute).

Facilitated Session (5/23/12)

Decision:

Keep both.

Facilitated Session (5/23/12)

Decision:

As per A.3: Use the term
"License" throughout the
Portal and print the document
per each City's nomenclature.

Facilitated Session (5/23/12)

Decision:

Consensus for the term
"Business"

Facilitated Session (5/23/12)

Decision:

City of Tacoma has a business
requirement for date of birth
this will be captured but not
stored within the Portal
All other cities ask question
"Are you over 18 years of
age?"

Facilitated Session (5/23/12)

Decision:

Financial Reference# is the
singular name recommended
for Invoice or Obligation.
This is a Portal design decision.
Methodology must be created
within the Portal to generate
an invoice.

Facilitated Session (5/23/12)

Decision:

Bellevue list will be used by the Portal with the other cities mapping to the Bellevue list plus PLLC from the Seattle list.

Final list becomes:

Sole Proprietor, Corporation, Non Profit Corporation, Limited Liability Company, Partnership, Professional Limited Liability Company, Joint Venture, Limited Partnership, Limited Liability Partnership, Limited Liability Limited Partnership, Association, Trust, Municipality, Tribal Government, Other (fill in)

Facilitated Session (5/23/12)

Decision:

All with the exception of Bellevue are using 2007 including the State of Washington. (Bellevue not currently using NAICS).

Facilitated Session (5/23/12)

Decision:

2012 NAICS will be adopted by all cities when released.

A new Design Decision will be opened (T33) to keep track of the 2012 release.

Facilitated Session (5/23/12)

Decision:

The Cities will use up to all 6 digits, however, in some cases the assigned NAICS may be less digits.

Facilitated Session (5/23/12)

Decision:

Keep the current Last, First,
Middle configuration.

Facilitated Session (5/23/12)

Decision:

Yes - Standard list that includes
a "other" category.

Note: Using the definition of
Race as reported by the State
of Washington Office of
Financial Management (OFM)
on August 22, 2002
([http://www.ofm.wa.gov/pop/
race/racerecommendations.pd
f](http://www.ofm.wa.gov/pop/race/racerecommendations.pdf)). OFM liaisons with the U.S.
Bureau of the Census to ensure
the race and ethnic
classification correspond with
the Federal classification.

Facilitated Session (5/23/12):

Add "member" to the list

Delete "Former Owner"

Parking lot – to determine
what must be included on the
list (regulatory requirement)

Facilitated Session (5/23/12):
Regulatory used for
background checks this will be
sorted out in design.

Facilitated Session (5/23/12)
Decision:
This is always a "License"

Facilitated Session (5/23/12)
Decision:
Yes, retire.

Facilitated Session (5/23/12)
Decision:
Signature can be both written
and digital.

Facilitated Session (5/23/12)
Decision:
Yes, a definition is required.

Facilitated Session (5/23/12)
Decision:
Required for Regulatory
background check, but will not
be stored on the Portal

Facilitated Session (5/23/12):
Parking Lot item – single list of
categories of business activities
– ProjectCorps to create draft

Facilitated Session (5/23/12)

Decision:

Yes - All cities use the UBI#

Yes – UBI Branch code

Yes – UBI Location code

Bellevue is using the location
code not the branch code

Facilitated Session (5/23/12)

Decision:

Only 1 UBI is issued per legal
entity

All three are required - One-to-
one, one-to-many, many-to-
many

Facilitated Session (5/23/12)

Decision:

Yes, the Cities only care about
whether they are a U.S. Citizen,
not what Citizenship they have.

The same

Facilitated Session (5/23/12)

Decision:

Same as Account Balance

To be determined in design.
