Driving Directions

From **I-5 Northbound**, take the James St. exit; turn left on James St.; go downhill three blocks to Fourth Ave. and turn right on Fourth Ave.; go one block and turn right on Cherry St.; Seattle Municipal Tower is one block up on the left side between Fifth and Sixth Avenues.

From **I-5 Southbound**, take the James St. Exit. Seattle Municipal Tower is on the right side between Columbia and Cherry Streets (one block before James St.).

If using the **I-5 Southbound Express Lanes**, take the James St. exit. The exit ends in a tunnel directly underneath Seattle Municipal Tower. You may turn either left or right at the end of the tunnel; either way you're at Seattle Municipal Tower.

Parking Downtown

Parking is available in numerous buildings adjacent to Seattle Municipal Tower, in lots on the other side of I-5, and at metered spots on the street. The closest parking garages are:

- **Seattle Municipal Tower Garage** - entrance on 6th Avenue. 6th Avenue is one-way southbound.
- **SeaPark Garage** - entrances on both 6th Avenue and James Street

Accessibility Options

The main entrances to Seattle Municipal Tower are accessible, as is the main building lobby and the elevators to all floors. The main entrances are located at the corners of Fifth Ave. and Columbia St., Fifth Ave. and Cherry St., and Sixth Ave. and Cherry St. Signs detailing accessibility routes and emergency exits are posted near each entrance.

Riding the Bus

Seattle Municipal Tower is accessible from the majority of downtown bus routes. The routes that service Third, Fourth and Fifth Avenues will bring you closest, as will those serving Madison and James Streets.
