Addendum

Updated on 08/27/2013

The following is additional information regarding RFI FAS #4387, titled **Email Archiving System** released on 08/23/2013. **The due date and time for responses remains as 09/05/2013.** This addendum includes both questions from vendors and the City's answers.

Item #	Date Received	Date Answered	Vendor's Question	City's Answer	ITB Revisions
1	8/26/13	8/28//13	Should the Email Archiving System RFI result in an RFP/Bid release, would it be advertised in the same location as the RFI?	The City of Seattle may utilize the results of this RFI in drafting a competitive solicitation (RFP) for the subject services/products/equipment and will be listed in the same location as the RFI.	No ITB revisions.
2	8/26/13	8/28/13	Do you anticipate any other solicitations be released in relation to the Electronic Records Management System effort?	No. The RFP will seek bids for an email archiving and eDiscovery solution as well as related implementation services. The City does not anticipate requesting any additional products or services.	No ITB revisions.
3	8/27/13	8/28/13	Can we get information on the design and deployment schedule for the O365 migration?	There is currently no design or deployment schedule – planning for this project will begin January, 2014. However we do anticipate beginning the mailbox migration in June, 2014.	No ITB revisions.
