

# Proposed Westlake & 9<sup>th</sup> Avenues

## 9<sup>th</sup> & Westlake Avenues

- Two-way operations allow for better local circulation and access
- System-wide travel-times are projected to remain similar under either 1-way or 2-way operations on Westlake & 9<sup>th</sup> Avenues
- Northbound travel-times on Westlake may degrade slightly
- Eastbound and westbound corridor travel-times remain generally similar
- Eastbound travel times from Westlake & Aloha to I-5 are projected to improve
