

## CONSTRUCTION UPDATE – Please read carefully

We will not microsurface your street on Tues., Aug. 2, due to the high probability of rain.

Dear Neighbor,

August 1, 2016

As you know, your street was scheduled to be closed on Tuesday, August 2, because our contractor was planning to apply a microsurfacing overlay. Unfortunately, there is a high probability of rain on Tuesday, and the treatment is not effective in wet conditions. We need to postpone this work until dry weather returns to our forecast. Your street will *not* be closed on Tuesday, August 2.

**Microsurfacing is now planned for Thursday, August 11 on your street.** 2 to 3 days before the work begins, crews will post “No Parking” signs on your street again. If you have questions, please contact our project team at 206-727-3669 (voicemail) or 2016microsurfacing@seattle.gov. We apologize for this inconvenience and thank you for your understanding.

Sincerely,

Art Brochet, Seattle Department of Transportation
