Proposed Westlake & 9th Avenues

9th & Westlake Avenues

- Two-way operations allow for better local circulation and access
- System-wide travel-times are projected to remain similar under either 1-way or 2-way operations on Westlake & 9th Avenues
- Northbound travel-times on Westlake may degrade slightly
- Eastbound and westbound corridor travel-times remain generally similar
- Eastbound travel times from Westlake & Aloha to I-5 are projected to improve
