NE 125th St. / Sand Point Way NE Repaving Project

The Seattle Department of Transportation has completed the four-month project which repaved NE 125th Street and a significant portion of Sand Point Way NE.

The project team would like to thank the residents and businesses impacted by the construction for their patience as crews completed the necessary work.

We hope to see you at our end of construction celebration at the last Lake City Farmer's Market of the season on **October 10th, from 2:30pm - 6:00pm.**

Please visit our website and let us know how we did by filling out the survey linked on the front page:

http://www.seattle.gov/transportation/pave_ne125.htm

Project Benefits Included:

- Road base repair to better withstand traffic loads
- Installation of 85 new or upgraded ADA curb ramps
- Two new bus shelters
- Addition of two bio-retention structures to the storm-water system
