

NE 125th Street and Sand Point Way NE are being repaved in 2013 (June – November).

Work will begin in the area where NE 125th Street meets Sand Point Way NE and, for the most part, proceed both west and south.

Portable electronic message boards will be used to notify commuters of upcoming construction and related traffic restrictions.

## WHAT TO EXPECT DURING CONSTRUCTION

### On NE 125th Street:

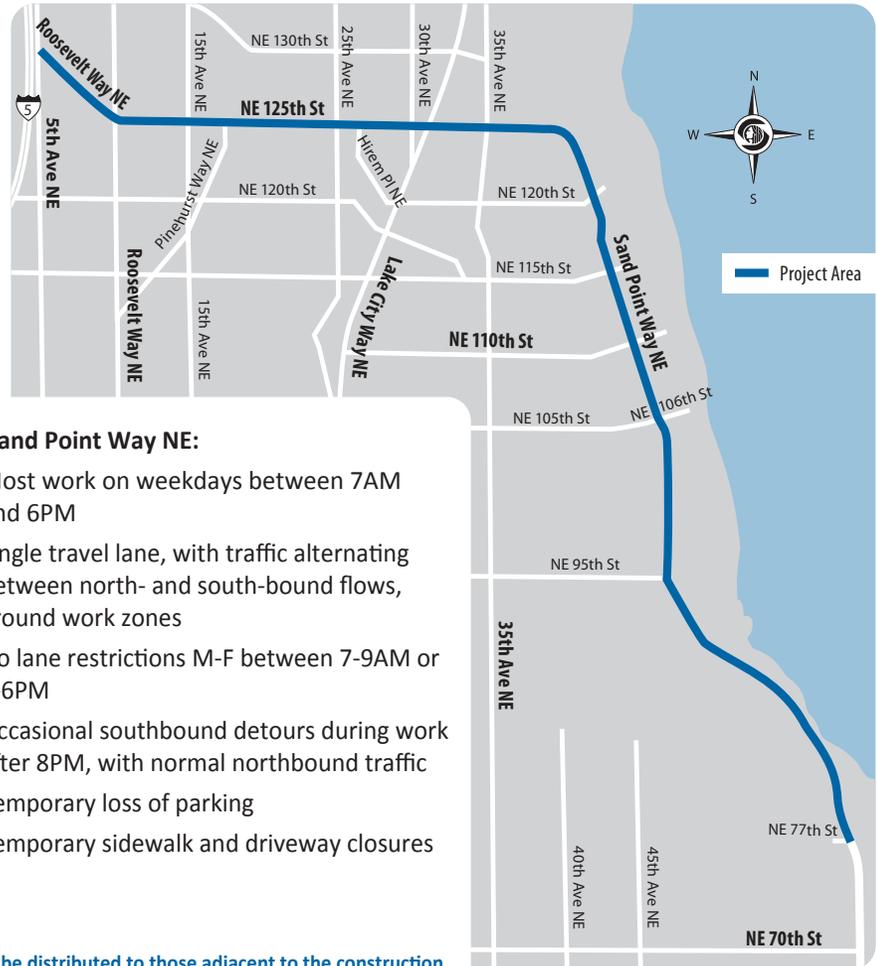

- Most work on weekdays between 7AM and 5PM
- One lane of traffic in each direction during construction
- Full closure of I-5 north-bound off-ramp for two nights
- Full closure of the NE 125th St – Lake City Way NE intersection for two nights
- Temporary loss of parking
- Temporary sidewalk and driveway closures

### On Sand Point Way NE:

- Most work on weekdays between 7AM and 6PM
- Single travel lane, with traffic alternating between north- and south-bound flows, around work zones
- No lane restrictions M-F between 7-9AM or 3-6PM
- Occasional southbound detours during work after 8PM, with normal northbound traffic
- Temporary loss of parking
- Temporary sidewalk and driveway closures

Access to businesses and residences will be maintained during construction.

Flyers with more detailed information about the project and its impacts will be distributed to those adjacent to the construction.
