15th Avenue NE Reconstruction Project is now complete!

In January 2011 the Seattle Department of Transportation (SDOT) began work on 15th Ave NE between NE Pacific St and NE 55th St in the University District. We are happy to report that the project was completed in September, ahead of schedule and on budget. Thank you for your support and patience as we completed this much needed improvement project. We hope that you enjoy the new roadway for years to come.

Sincerely,

SDOT and the 15th Ave NE Project Team

The new 15th Ave NE roadway includes...

- ✓ New concrete roadway between NE Pacific St and NE 50th St
- ✓ New asphalt roadway between NE 50th St and NE 55th St
- ✓ New sidewalks in some areas
- ✓ New curb ramps
- ✓ New crosswalk at NE 41st St
- ✓ Improved lighting
- ✓ Transit improvements
- ✓ New storm drains and filters
