

# CONSTRUCTION ALERT

## N/NW 85th St & Greenwood Ave N Paving Projects

April 18, 2012

### Repaving begins on Greenwood Ave N and detours move east on N/NW 85th St

During the week of April 23, work will begin to repave Greenwood Ave N between N 85th St and N 73rd St. Improvements include a new asphalt roadway, and installation of new curb ramps and storm drains. This work is expected to take approximately 6-8 weeks to complete.

Starting on April 25, eastbound detours will move east to Phase 2 (8th Ave NW to Greenwood Ave N) to allow more work space to complete remaining construction activities. All eastbound lanes on N/NW 85th St will be closed and vehicles will be detoured to N/NW 80th St (see map). Westbound traffic will be reduced to one lane.

Final paving and striping is nearly complete in Phase 1 between 15th Ave NW and 8th Ave NW; the detour will end in Phase 1 around the same time the Phase 2 detour begins.

See the back side of this flyer for details on what to expect during this work.

### Questions or concerns?

SDOT is hosting two informal drop-in sessions where residents and businesses can talk one-on-one with the project team about what to expect during this work.

**Location:** Greenwood Library  
8016 Greenwood Ave N

#### Session #1

Monday, April 23  
4 to 6 p.m.

#### Session #2

Thursday, April 26  
10 a.m. to 12 p.m.

Stop by anytime to learn more and ask questions.
