

CONSTRUCTION ALERT

N/NW 85th St & Greenwood Ave N Paving Projects

February 25, 2013

Concrete grinding on N 85th St this week

Starting Tuesday, February 26 work will begin to grind the concrete roadway on N 85th St between Aurora Ave N and Greenwood Ave N (see map). This work will be completed as part of the final wrap-up items following major construction; crews will grind the outside lanes in order to improve the ride quality of the roadway surface.

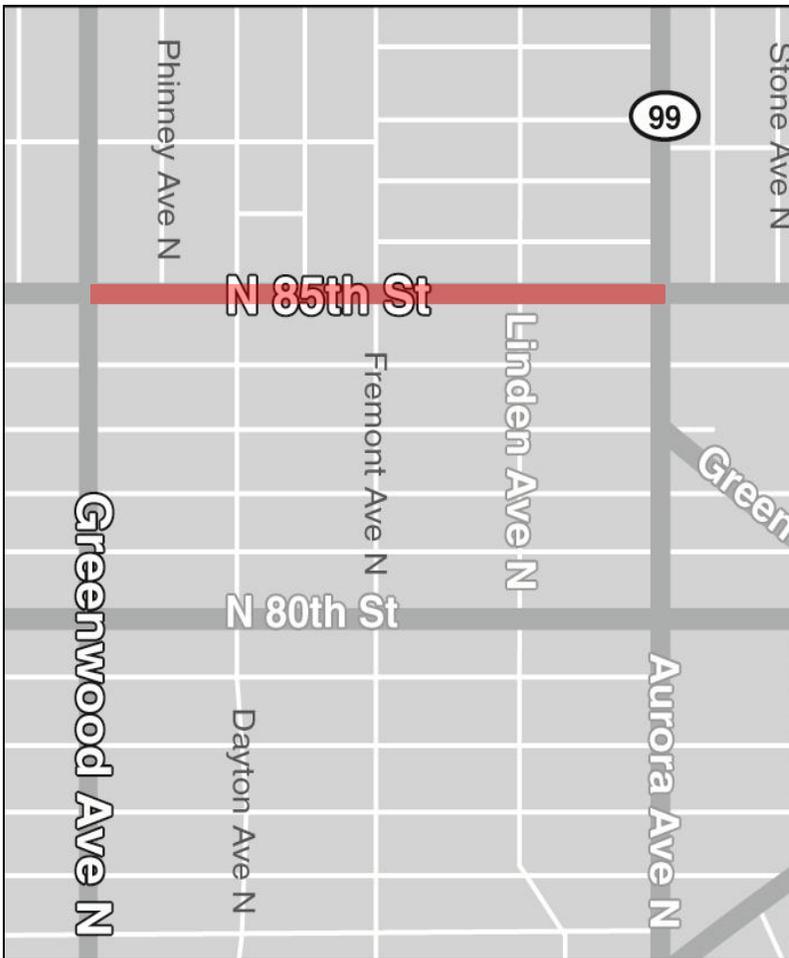

This work will be very noisy and will take approximately four days to complete, weather depending. Work will occur between 7 a.m. and 3 p.m. weekdays.

Grinding will begin on the north side of N 85th St just west of Aurora Ave N and move west toward Greenwood Ave N. The grinding work will then switch to the south side of the road at Greenwood Ave N and move east toward Aurora Ave N. Once complete, drivers may notice the road surface has a textured appearance.

Two-way traffic will be maintained during this work; however, traffic will be reduced to one lane in each direction. Uniformed Police Officers (UPOs) will be onsite to assist with traffic.

Metro buses will continue to use their regular routes on N 85th St during this work, but stops may be temporarily shifted around the equipment.

Driveway access will be maintained but drivers may need to wait while equipment moves out of the way to enter or exit driveways.

Concrete grinding on N 85th St

Between Aurora Ave N and Greenwood Ave N

What to expect during grinding:

- Noisy work activities between 7 a.m. and 3 p.m.
- One-lane of traffic in each direction will be maintained.
- Grinding will take approximately four days to complete, weather permitting.
- UPOs will be onsite to assist with traffic.
- Driveway access will be maintained.
- Metro buses will use their regular routes on N 85th St during this work; stops may be temporarily shifted around work.
