

23rd Avenue Corridor Improvements Project

Upcoming weekend closures planned for the E Union St intersection

The intersection of 23rd Ave and E Union St will be closed for construction for 1 weekend in June and 2 weekends in July (see dates below). These closures are necessary for electrical and paving work. The contractor will provide local access to businesses and community destinations near the intersection, but through-traffic will be detoured.

Work dates

- **Crews plan to work continuously during the following periods:**
 - Saturday, June 18 at 7 AM through Sunday, June 19 at 5 PM
 - Friday, July 8 at 7 PM through Monday, July 11 at 5 AM
 - Friday, July 15 at 7 PM through Monday, July 18 at 5 AM
- This work is weather dependent and subject to change; please visit the project website (below) for the latest schedule and to sign up for regular project email updates
- Additional weekend intersection closures at E Union St will be required after Zone B (from E Cherry St to E Union St) has reopened to 2-way traffic

Construction impacts

- Noise, dust, and vibration expected throughout all hours of the weekend
- The contractor is obtaining a noise variance to complete this work
- The noisiest work (breaking pavement, saw cutting, use of jackhammers) is prohibited between the hours of 11 PM and 7 AM

Traffic impacts

- The 23rd Ave and E Union St intersection will be completely closed to through traffic
- Local access to destinations at the intersection will be provided
- Detour routes will be clearly posted; follow the signed detours and avoid cutting through neighborhood streets

Access to businesses (see reverse side for a larger map)

- Customers can continue to access businesses on foot or by driving into the local access areas
- Please continue to support your local businesses!

Transit, bicycle and pedestrian information

- Metro routes 2 and 48 and their bus stops will be affected by this work. Look for posted Rider Alerts and learn more by calling Metro at 206-553-3000
- Bicyclists should also detour around the intersection during this work
- Pedestrian crossings will be maintained
