

CONSTRUCTION ALERT

UPDATED: July 19, 2016

23rd Avenue Corridor Improvements Project

UPDATE: Early morning work at E Cherry St intersection planned for July 21 (one morning)

Crews plan to complete striping work at the intersection of 23rd Avenue and E Cherry St early in the morning on Thursday, July 21 from 2 AM – 5 AM. **No work will occur Wednesday morning from 2 AM – 5 AM as previously notified.**

Please see below for details. We intend to complete this final construction step at the intersection during the week to eliminate the need for another full weekend intersection closure. We appreciate your patience! The work schedule below is weather-dependent and subject to change. One additional early morning closure may be required at a later date; please visit the website for updates.

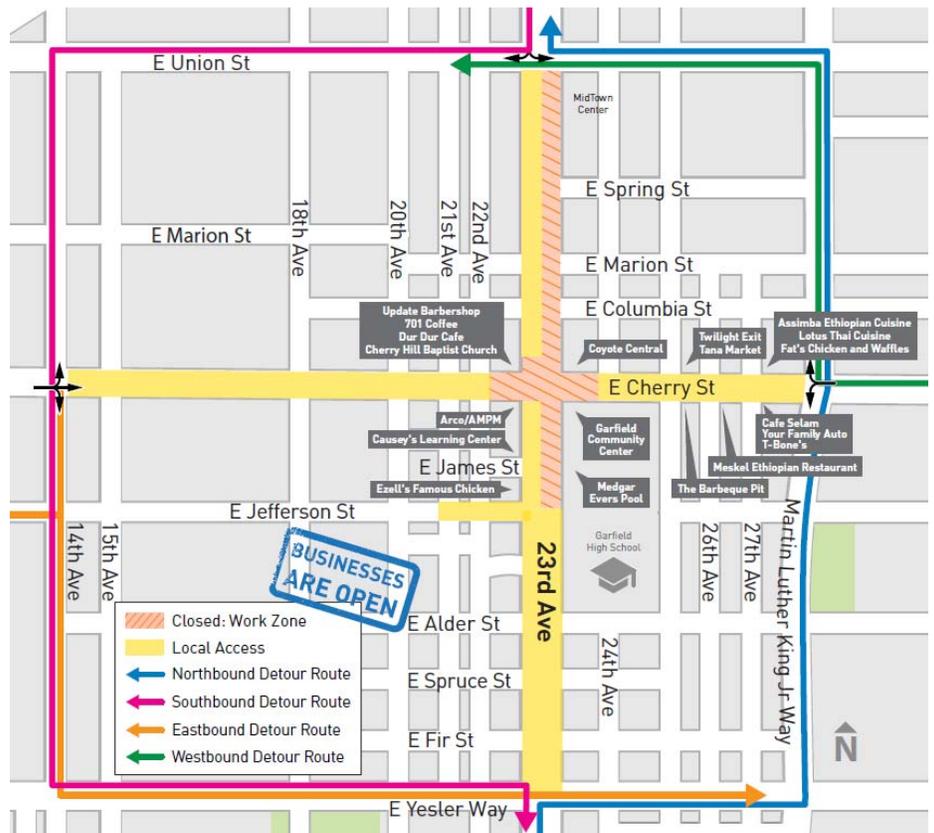

Thursday, July 21

**Overnight striping work:
Intersection fully closed from
2 AM – 5 AM**

Crews will stripe the intersection; this work will require a full intersection closure from 2 AM – 5 AM while Metro buses are not in service, so the newly painted striping will have time to dry.

Construction and traffic impacts (see map right)

- The 23rd Ave and E Cherry St intersection will be completely closed to through traffic
- Local access to destinations at the intersection will be provided
- Detour routes will be clearly posted; follow the signed detours and avoid cutting through neighborhood streets
- Neighbors should expect noise, dust, and vibration during this work

Transit, bicycle, and pedestrian information

- King County Metro bus routes 3, 4, and 48 and their bus stops may be affected by this work; for more information, visit Metro Online at <http://metro.kingcounty.gov/alerts/> or call 206-553-3000
- Bicyclists should also detour around the intersection
- Pedestrian crossings will be maintained
