

23rd Avenue Corridor Improvements Project

Eastbound and westbound closure of the E Yesler Way intersection February 27 – 28

Crews plan to close eastbound and westbound travel at the intersection of E Yesler Way and 23rd Ave S for paving and electrical work February 27 – 28. See below for details. The previously scheduled partial closures on February 24 – 26 and February 29 will still occur; call the hotline or visit the website for more information about the weekday closures.

Work dates

- Crews will work at the E Yesler Way and 23rd Ave S intersection from 7 AM on Saturday, February 27 to 11 PM on Sunday, February 28
- This schedule is subject to change. Please visit the project website for the latest schedule and to sign up for regular project updates:
www.seattle.gov/transportation/23rd_ave.htm

Construction impacts

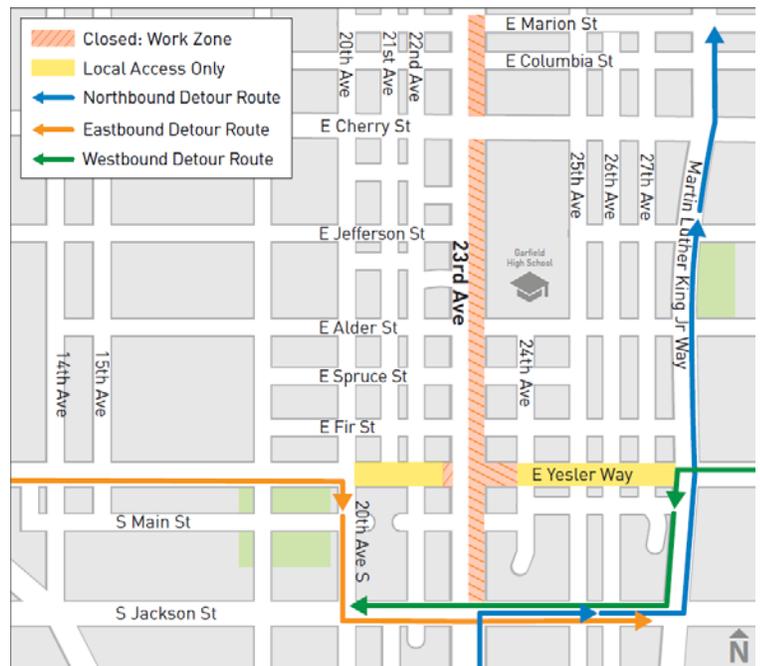

- Neighbors should expect noise, dust, and vibration expected throughout all hours of the work
- The contractor has a noise variance to complete this work; the noisiest work (breaking pavement, saw cutting, use of jackhammers) will be prohibited from 11 PM to 7 AM

Traffic impacts

- The 23rd Ave S and E Yesler Way intersection will be completely closed to east/west traffic; southbound travel will be maintained
- Detour routes will be clearly posted; please follow the signed detours and avoid cutting through neighborhood streets

Access

- Customers can continue to access homes, businesses, and community service areas on foot or by driving into the local access areas
- Please continue to support your local businesses!

Transit, bicycle, and pedestrian info

- Metro bus routes 27 and 48 and their stops will be affected by this work; look for posted Rider Alerts and learn more by calling Metro at 206-553-3000
- Bicyclists should detour around the intersection during this work
- Pedestrian crossings will be maintained

In March, crews will reopen 23rd Ave S between S Jackson St and E Yesler Way to two-way traffic.
