

VENDOR DELIVERY LOAD ZONES

Downtown Ballard Merchants want to make your deliveries as easy as possible. Please refer to this map for locations of load zones designated for Truck-only use or for generic loading activities.

Help keep traffic moving in Downtown Ballard:

- 1 Use this map to locate appropriate spaces for unloading/loading activities so that you will not need to double park and risk blocking the traffic flow .
- 2 Sidewalks are not built to the roadbed standard and parking heavy trucks on them may damage sidewalks at property owner's expense.
- 3 Passenger-only load zones are for dropping off or picking up passengers. Please don't use Passenger-only load zones for deliveries.
- 4 Do make as many deliveries as possible from the same load zone. It may be faster to hand truck a delivery an extra block than to try to relocate to another load zone.
- 5 Do attempt to schedule delivery times to avoid peak hours, especially afternoon peak hours between 4 pm - 6 pm.
