

CONSTRUCTION NOTICE

October 2015

Pedestrian safety improvements on 21st Ave SW between 22nd Ave SW and SW Dawson St

Beginning as early as Friday, October 16, on the west side of 21st Ave SW between 22nd Ave SW and SW Dawson St, the Seattle Department of Transportation (SDOT) will prepare the sidewalk for widening. This work will take 5 - 7 days to complete.

Beginning Monday, October 19, crews will complete installation of curb extensions, curb ramps, a new crosswalk, and a Rectangular Rapid Flashing Beacon (RRFB) just south of where 22nd Ave SW merges with 21st Ave SW. This work is expected to take a week to complete. During this time, SDOT crews will also install speed humps on 21st Ave SW between 22nd Ave SW and SW Dawson St.

This work is part of the Delridge-Highland Park Neighborhood Greenway Project.

TRAFFIC, PARKING AND PEDESTRIAN RESTRICTIONS DURING CONSTRUCTION:

- Temporary lane restrictions on 21st Ave SW between 22nd Ave SW and Dawson St
- Two-way traffic will be maintained
- Flaggers directing traffic at either end of lane restrictions
- Bus routes will not be affected

PROJECT INFORMATION

Greenways are residential streets made safer and more comfortable for people of all ages and abilities to walk and ride bikes. This work is part of the Delridge-Highland Park Greenway Project that will connect White Center to the West Seattle Bridge Trail. The greenway will run north-south, generally along 17th Ave SW in the south and 21st Ave SW in the north. We anticipate that construction of the greenway will be complete by the end of the year.

WHAT TO EXPECT DURING CONSTRUCTION

- Temporary lane restrictions in the work area
- Noise, dust and vibration typical of construction
- Flaggers directing traffic at either end of lane restrictions
- Bus routes will not be affected
- Weekday work hours from 7 AM to 7 PM

This work is weather dependent and may be rescheduled if needed.
