

Construction Notice

Delridge Way SW Paving Project SW Orchard St to SW Roxbury St

May 9, 2013

Phase 3 - Construction begins May 15

SW Thistle to SW Holden streets

The Seattle Department of Transportation (SDOT) is rebuilding Delridge Way SW between SW Orchard and SW Roxbury streets to improve travel conditions and promote safety for all users. Construction in Phase 2, from SW Trenton to SW Thistle streets, began on March 20 and is nearing completion.

On Wednesday, May 15, crews will begin work in Phase 3, from SW Thistle to SW Holden streets. Initial work in Phase 3 includes installing storm drainage structures as well as removing and resurfacing the existing roadway.

Traffic Impacts:

During this phase of construction southbound traffic will be detoured at SW Holden ST to 35th Avenue SW.

Northbound traffic will be maintained along Delridge Way SW during all but select weekends when intersections will be rebuilt.

To ensure the safety of drivers and pedestrians and to allow enough space for the crews to complete their work, on-street parking will be eliminated in this area.

Project Work Hours and Schedule:

Normal work hours will be 7 a.m. to 5 p.m. Monday through Friday, with some weekend work and possible night work.
