

# Construction Notice

## Delridge Way SW Paving Project SW Orchard St to SW Roxbury St

March 11, 2013

### Phase 2 - Construction begins week of March 18 SW Trenton to SW Thistle streets

The Seattle Department of Transportation (SDOT) is rebuilding Delridge Way SW between SW Orchard and SW Roxbury streets to improve travel conditions and promote safety for all users. Construction in Phase 1, from SW Henderson to SW Trenton streets, began on January 10 and is nearing completion.

**The week of March 18**, crews will begin work in Phase 2, from SW Trenton to SW Thistle streets. Initial work in phase 2 includes installing storm drainage structures, as well as removing and resurfacing the existing roadway. **Southbound traffic will be detoured at SW Thistle St to 35<sup>th</sup> Avenue SW.**  
*\*See detour map on reverse\**

Northbound traffic will be maintained on Delridge Way SW during all but a few weekends when intersections are rebuilt.

To ensure the safety of drivers and pedestrians and to allow enough space for the crews to complete their work, on-street parking will be eliminated in this area.

### Project Work Hours and Schedule

Normal work hours will be 7 a.m. to 5 p.m. Monday through Friday, with some weekend work and possible night work.
