

Weekend Construction Notice

Delridge Way SW Paving Project SW Orchard St to SW Roxbury St

February 22, 2013

Trenton/Delridge Intersection Closed March 1 -4

SW Trenton from Delridge to 20th Ave SW Closed Feb 28 – Mar 4

The Seattle Department of Transportation is in Phase 1 of the project to rebuild much of Delridge Way SW between SW Orchard and SW Roxbury streets. Work on the intersection at SW Trenton Street is now scheduled to begin at 7 p.m. Friday, March 1 and will close the intersection from that time until 6 a.m. Monday, March 4 at the latest. Crews will work around the clock.

To reduce nighttime noise impacts and allow the concrete pour to begin earlier on Saturday, SW Trenton between Delridge Way SW & 20th Ave SW will also be closed beginning February 28, at 7 a.m. at which time crews will begin breaking and removing pavement on the east side of the Delridge/Trenton intersection. This one-block section of Trenton will re-open by 6 a.m. Monday, March 4, at the latest, with local access maintained.

Traffic will be detoured as follows (see map on reverse side):

- **Northbound Delridge Way SW** - SW Barton Pl/St to 35th Ave SW to SW Thistle St to Delridge Way SW
- **Southbound Delridge Way SW** - SW Thistle St to 35th Ave SW to SW Barton St/Pl to Delridge Way SW
- **Westbound SW Trenton St** - 16th Ave SW to SW Henderson St to SW Barton Pl to 25th Ave SW to SW Trenton St
- **Eastbound SW Trenton St** - 25th Ave SW to SW Barton Pl to SW Henderson St to 16th Ave SW to SW Trenton St

NOTE: Evening construction, including pavement removal using impact breakers, may be performed until 10:00 p.m. under the conditions of a noise variance.
