EAST MARGINAL WAY CORRIDOR IMPROVEMENT PROJECT

The Seattle Department of Transportation (SDOT) invites you to participate in an online open house to learn about the East Marginal Way Corridor Improvement Project. This is an opportunity for you to learn about the project, see some initial design concepts, and provide feedback.

This project will:

- Improve safety, efficiency, and reliability in the movement of people and goods
- Support freight loads by rebuilding the roadway
- Promote efficiency through signal modifications and intelligent transportation systems (ITS)
- Improve safety by better separating non-motorized modes from freight traffic

Online Open House | April 12–26, 2017
