November 24, 2015

## GREENWOOD TRANSIT AND SIDEWALK PROJECT – N 90TH ST TO N 105TH ST

### N 104th to N 105th St construction begins in December

As work progresses on this project, SDOT crews will soon begin installing the new sidewalk and planting strip at the north end of the Greenwood Ave N corridor. As soon as early December, crews will start working on the east side of Greenwood Ave N between N 104th St and N 105th St. This work is expected to continue through the end of the year.

### WHAT TO EXPECT DURING CONSTRUCTION

- Work hours Monday through Friday, 7 AM to 4 PM
- Noise associated with construction equipment
- Potential parking restrictions
- Bicyclists merge with vehicles
- Pedestrian detours
- Restricted turning movements to/from side streets
- Reduced speed limits through project area
- Traffic cones, other equipment and flaggers to direct traffic

### Project background

We are improving bus stops and sidewalks on Greenwood Ave N between N 90th St and N 105th St. Our goal is to make it safer and easier for people to travel and make bus service more efficient and reliable through the corridor.

### Construction schedule

#### Phase I (October - December 2015)

- Improvements between N 92nd St and N 97th St
- Improvements between N 104th St and N 105th St

#### Phase II (January - April 2016)

- Improvements between N 97th St and N 104th St
- Bus stop upgrades

To learn more about transit detours, visit [metro.kingcounty.gov/alerts](http://metro.kingcounty.gov/alerts) or call 206-553-3000

### Legend

- Existing bus stops
- Bus stops to be upgraded
- Bus stops to be closed at project completion
