## **WE NEED YOUR HELP TO IMPROVE TRANSIT ON MADISON STREET!**

The Seattle Department of Transportation is working on a study of design options to improve bus service, walking conditions, and the streetscape on Madison Street. The study will also look at options for a parallel bike facility.

The goal for Madison Bus Rapid Transit is to provide neighborhoods along the corridor with a faster, more reliable connection to other neighborhoods, key employment centers, and regional transit hubs so that getting around via Madison is convenient and enjoyable.

**Location: Silver Cloud Hotel**  
**Address: 1100 Broadway, Seattle, WA 98122**
