Additional description (optional):

Location: Please identify the space(s) you want to use. In areas with **paid parking**, you can find the parking space numbers for your park location on the round metal plate bolted to the sidewalk. Include those numbers on your site plan and below. In areas with **unpaid parking**, describe as accurately as you can the location of the park. Include the addresses of the businesses or homes in front of your park. Parks may extend into a Load Zone with permission from the adjacent business owner(s).

PAID PARKING

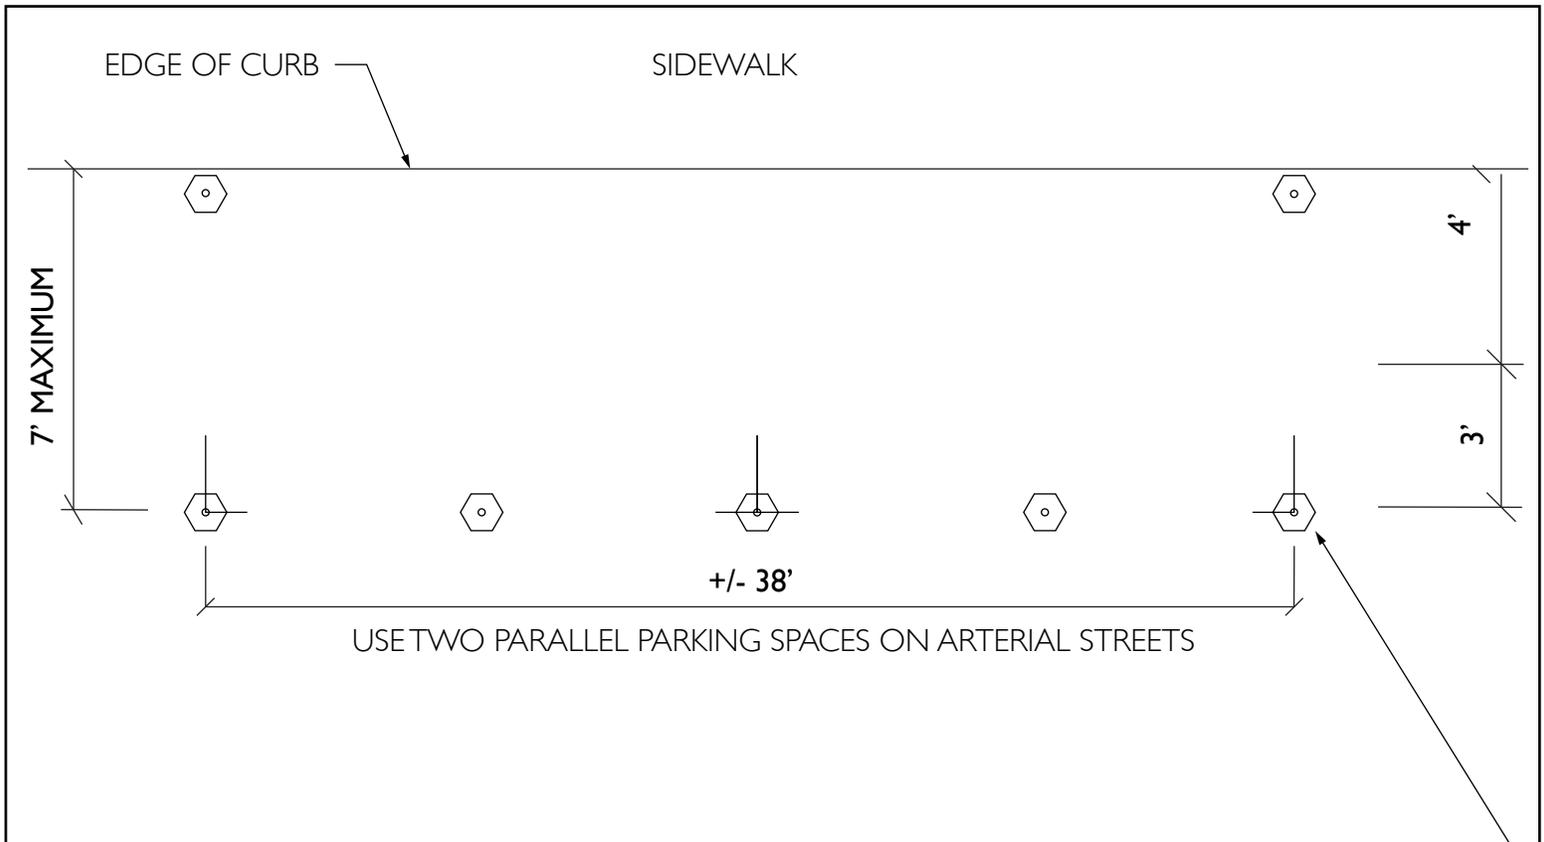

REQUIRED: list the space numbers (more information in the Guidelines)

UNPAID PARKING

REQUIRED FOR PAID AND UNPAID: Description of park location.

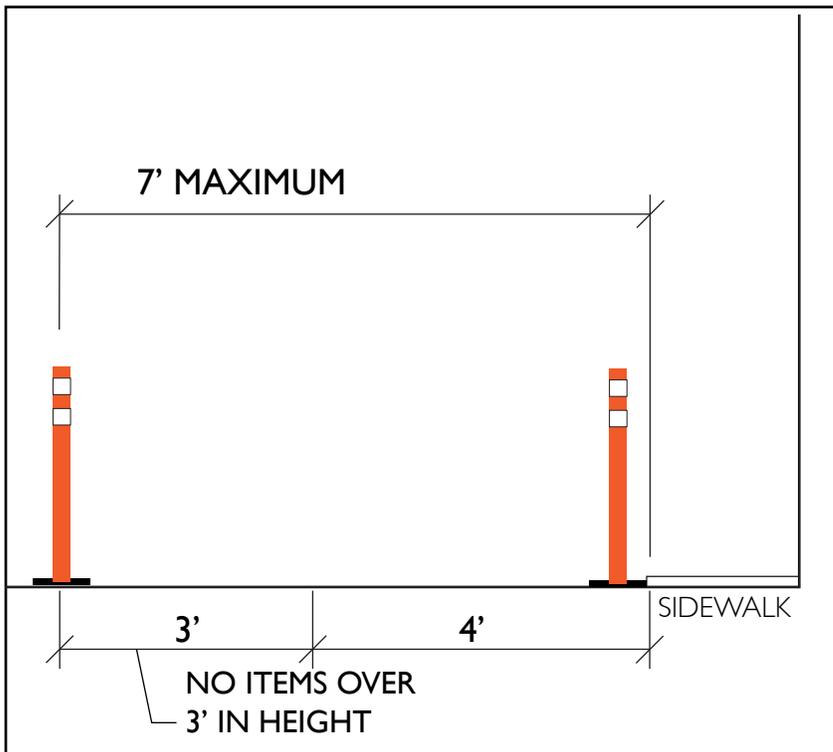

ADDRESS ADJACENT TO:

SUBMIT APPLICATION TO: JOSHUA.SAITELBACH@SEATTLE.GOV

SITE PLAN: TOP VIEW

USE A MIN. OF SEVEN (7) 36" POSTS TO PROTECT SPACE ON ARTERIAL STREETS. USE A MIN. OF FIVE (5) ON NON-ARTERIAL STREETS.

SECTION: SIDE VIEW

PLAN MUST INCLUDE:

- A) Location description of parking space(s).
- B) Items to be placed in or activity to occur in parking space.
- C) Height of items and setback dimensions from curb.
- D) Barrier (e.g., cones or posts) placement.

Please take a look at the **PARK(ing) DAY Guidelines** for an outline of appropriate activities and items for your park. If you have any questions about the application or PARK(ing) DAY please contact: **Joshua.Saitelbach@Seattle.gov** or call (206) 733-9970

NOTES

I. Parks can be located in spaces with time restrictions, but you must strictly adhere to the hours listed.
