### Renton Ave S Repaving Project: Marsaa 2ffaan

Daandii Renton Ave S irraa S Ryan St kara S 112th Pl July 25 jalqaba ji'oota 3 konkoolata dhaabun dhorkaa dha

Repaving of Renton Ave S between S Ryan St and S 112th Pl will begin as soon as Monday, July 25. Crews will install curb ramps and curb bulbs, grind and repave the roadway, and install a new traffic layout at the intersection of Renton Ave S and S Bangor St. This work will take approximately 3 months.

Parking will not be allowed on Renton Ave S between S Ryan St and S 112th Pl during construction. Parking may also be restricted at times near other work areas; please observe the No Parking signage.

### WHAT TO EXPECT DURING CONSTRUCTION

- Expect delays on Renton Ave S during construction
- No parking on Renton Ave S between S Ryan St and S 112th Pl
- Two-way traffic flows on Renton Ave S, with vehicles shifted to one side of the street to provide a work zone on the opposite side
- Sidewalks will generally remain open; some pedestrian detour routes will be required
- Flaggers will be positioned at cross streets to direct traffic and assist pedestrians
- Pavement will be rough after grinding and prior to paving
- Driveways will be kept open for access, except for very short periods while grinding and paving street next to driveway
- Noise, dust and vibration near work zone
- Long work hours: 7 AM to 7 PM
- Reduced speed limits and longer travel times in project area

**This work is weather dependent and may be rescheduled if needed.**

### UPCOMING CONSTRUCTION SCHEDULE

#### RENTON AVE S FROM S RYAN ST TO S 112TH PL

Crews will work on curb bulbs and curb ramps on the west half of the street (with traffic to the east) and then move the work zone to the east side of the street.

#### Curb bulb and curb ramp installation begins as soon as Monday, July 25

- Crews will replace curb ramps and sections of sidewalk at intersections.
- This work will take approximately one month to complete.

#### Installation of new traffic layout and pedestrian crossing signal at intersection of Renton Ave S and S Bangor St begins as soon as Monday, August 1

- Crews will remove the short section of 63rd Ave S between Renton Ave S and S Bangor St and install a proper 4-way intersection (eliminating the traffic island). Traffic will still be able to turn right here.
- Crews will install curb bulbs on the southwest corner of the intersection.
- Crews will upgrade and relocate pedestrian crossing signals.
- When needed, uniformed police officers will direct traffic through the intersection.
- This work is expected to take 5 weeks to complete.

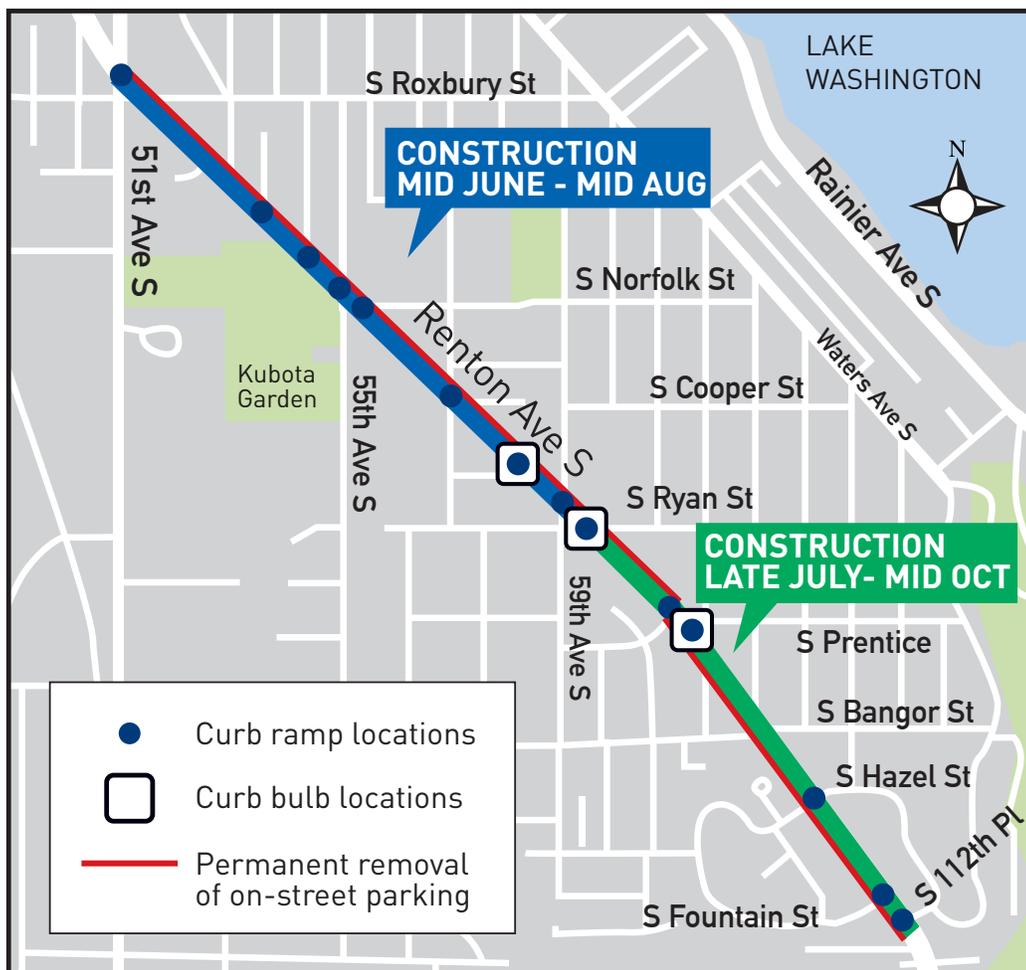

#### S Ryan St to S 112th Pl - Street surface repair and repaving begins as soon as Monday, August 15

- Crews will grind the road to remove the top layer of pavement, make any needed repairs to the base layer, and then install new pavement. This work will take up to 6 days to complete.
- S Ryan St to S Hazel St - Resurfacing will consist of grinding off the existing asphalt and pave new asphalt.
- S Hazel St to S 112th Pl - This section of road is paved with concrete panels. Crews will grind the panels to provide a smoother driving surface. This work is extremely noisy. SDOT will notify neighbors along this section of Renton Ave S when a more exact schedule is set for this work.

### PROJECT INFORMATION & CONTACT

Kristin Anderson, Construction Communications Officer

www.seattle.gov/transportation/pave\_renton2.htm

Repaving of Renton Ave S between S 51st Ave S and S Ryan St is nearly complete. Over the next few weeks, you will see crews in the area completing final construction activities. Temporary road striping (crosswalks and lane markers) will be installed after paving. Permanent striping will be installed at the end of the project in the fall of 2016.

## PROJECT DESCRIPTION

Renton Ave S is a minor arterial serving approximately 8,800 Southeast Seattle commuters, bike riders, transit users and commercial vehicles daily. To improve safety for these users, the Seattle Department of Transportation (SDOT) is repaving the road and installing new curb ramps and curb bulbs between S Holden St and S 112th Pl. Phase 1 work, from S Holden St to S 51st Ave S, was completed in spring 2016. The construction identified in this notice is Phase 2 (S 51st Ave S to S 112th Pl) began in June 2016 and is expected to take 6 months to complete.
