Daangeffamni konlolaataa dhaabuu fi gara kaabaatti naanna'u, naanna'uun tiraafikaa hanga Bitootessa 21.

第一階段 — 重新鋪設Renton Ave S路面的工程將重新開始 (S Trenton St 至 51st Ave S)
停車限制和北向車輛繞行將於3月21日開始

Beginning on Monday, March 21, the Seattle Department of Transportation (SDOT) will grind the road on Renton Ave S between S Trenton St and 51st Ave S in anticipation of repaving. Parking will not be allowed on this portion of Renton Ave S during grinding and paving activities, and northbound vehicles and bicycles will be detoured around the work area to Rainier Ave S by way of 51st Ave S. Southbound traffic will remain in one lane on Renton Ave S and protected turn pockets will be removed. This work is part of the Renton Ave S Repaving Project.

UPCOMING CONSTRUCTION SCHEDULE

Pavement Grinding: Beginning on Monday, March 21

- SDOT's contractor will begin grinding the road to remove the top layer of asphalt before they can repave the road.
- This work will take up to three days to complete.

Pavement Repair: Beginning as early as March 24

- After the top layer of asphalt is removed, SDOT's contractor will make repairs to the base layer to support the new pavement.
- This work will take up to six days to complete.

Paving: Beginning as early as April 1

- This work is weather dependent.
- This work will take up to three days to complete.

**MAP OF CONSTRUCTION
AREA ON BACK**

This work is weather dependent and may be rescheduled if needed.

WHAT TO EXPECT DURING CONSTRUCTION

Detour on Renton Ave S

- Southbound vehicle and bicycle traffic will remain on Renton Ave S and will be reduced to one lane
- Traffic on Renton Ave S will be reduced to one lane
- Northbound vehicle and bicycle traffic will be detoured to Rainier Ave S at 51st Ave S
- All sidewalks and Americans with Disabilities Act (ADA)-compliant ramps will remain open to the public
- Flaggers will be positioned at cross streets to direct traffic and help pedestrians cross Renton Ave S

Intersection at S Henderson St and Renton Ave S

- Intersection will be open during grinding and paving, but expect delays
- Uniformed police officers will direct traffic around the work zone as it moves through the intersection

General Impacts

- Access to driveways will be temporarily closed for up to 1 hour as the grinding machine passes in front of homes and again when new pavement is cooling
- No parking will be permitted on Renton Ave S during construction
- Pavement will be rough after grinding and prior to paving
- Reduced speed limits and longer travel times in project area
- Long work hours: 7 AM to 7 PM
- Noise, dust and vibration near work zone
