

The City of Seattle Safety Singers revised the lyrics of three familiar carols and sang at the 24th Great Figgy Pudding Street Corner Caroling Competition. Over 8,000 spectators attend Figgy Pudding, making it a great way to spread the safety message. It also supports a great cause, the Pike Market Senior Center and Downtown Food Bank. Read the safety song lyrics below.

Take it Slow

(to the tune of **Let it Snow**)

Oh the weather outside is frightful,
But downtown is so delightful.
With so many shops to go,
Take it slow, take it slow, take it slow.

When you've done your holiday shopping
And downtown is really hopping
Just wait for the light to go,
Take it slow, take it slow, take it slow.

When you're finally in your car,
And you're on your way back home
Keep an eye out for folks at night
While out on the streets they still roam.

Whether you walk or drive,
You're either leaving or arriving,
It's important that you know,
Take it slow, take it slow, take it show.

Walk the Malls

(to the tune of **Deck the Halls**)

Stop and look both ways when crossing, Fa la la la la, la la la la
If you're driving do be cautious, Fa la la la la, la la la la

Don we now our safe street habits, Fa la la la la, la la la la
We won't dash out like crazy rabbits, Fa la la la la, la la la la

See the blinking hand before us , Fa la la la la, la la la la
Pay attention, don't ignore us, Fa la la la la, la la la la

Don't be texting, put the phone down, Fa la la, la la la, la la la
Keep is safe when shopping downtown, Fa la la la la, la la la la

Make your way using the crosswalk, Fa la la la la, la la la la
Move along toward the next block, Fa la la la la, la la la la

We should just all cross together, Fa la la la la, la la la la
Heedless of the wind and weather, Fa la la la la, la la la la

See you in the Crosswalk Downtown

(to the tune of **Santa Claus is Comin' to Town**)

You better watch out
And watch when you drive
Better not rush
I'm telling you why
See you in the crosswalk, Downtown

It's a very short list
You gotta think twice
Watch for the light
And drive real nice
See you in the Crosswalk, Downtown

Even when you're driving
You need to use your brake!
You know if you've been bad or good
So be good for goodness sake!

O! you better watch out
And watch when you drive
Better not rush
I'm telling you why
See you in the Crosswalk, Downtown!
