

**How FAR  
can you walk  
in  
20 MINUTES?**

**1 MILE. In 20 mins. Really.**

**Most Seattle blocks are  
1/20 of a mile. Most people  
walk about a block a minute.**

**Where can you walk  
from here?**

For a quick tools to walk, bike or bus go to:  
[www.seattle.gov/waytogo/mobile](http://www.seattle.gov/waytogo/mobile)

You're waiting for your order. You've got a mobile phone.  
You've got time.

**How MUCH  
did it  
COST YOU  
to get here?**

**Gas. Insurance. Parking.**

**Yikes.**

**If you leave the car at home,  
you could have another round.**

For quick tools to get around go to:  
[www.seattle.gov/waytogo/mobile](http://www.seattle.gov/waytogo/mobile)

You're waiting for your order. You've got an mobile phone.  
You've got time.

**How much  
POLLUTION  
would a car  
create to get  
you HERE?**

**1 pound of CO2. Every MILE.**

**A pound. That's a plate of  
nachos.**

**Do you REALLY need to drive  
to get here?**

For quick tools to get around go to:  
[www.seattle.gov/waytogo/mobile](http://www.seattle.gov/waytogo/mobile)

You're waiting for your order. You've got a mobile phone.  
You've got time.

**Are you  
CLEVER  
enough to  
SAVE the  
PLANET?**

**Coin a term. Win \$500.**

**Help get out the message to  
DRIVE LESS. Invent a term that  
describes getting around without  
a car. It could WIN \$500.**

**Think of all the nachos that  
would buy...**
