

Open House Times and Locations You're Invited to Join us

Community Open Houses

What would you build with \$4.5 million?

- Sidewalks?
- Traffic calming measures?
- Traffic signals?
- New pavement for a local street?

Your neighbors have proposed these types of projects for funding through the *Bridging the Gap* Levy and the Neighborhood Street Fund. You can make a difference in deciding how the \$4.5 million available for neighborhood transportation projects gets spent.

Attend an open house near you.

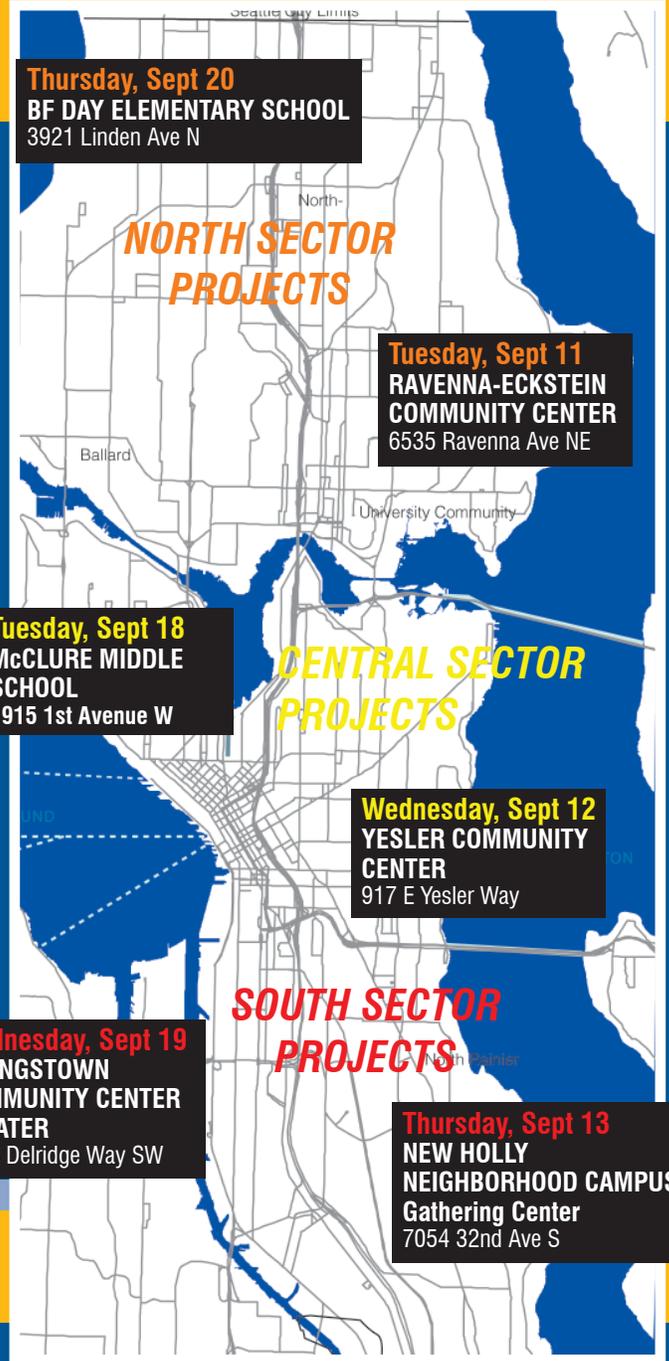

Come to learn about the proposed projects in your area and help determine which transportation projects will be built in your neighborhood.

All open houses will be held from 5 to 8 p.m. You can drop by at anytime.

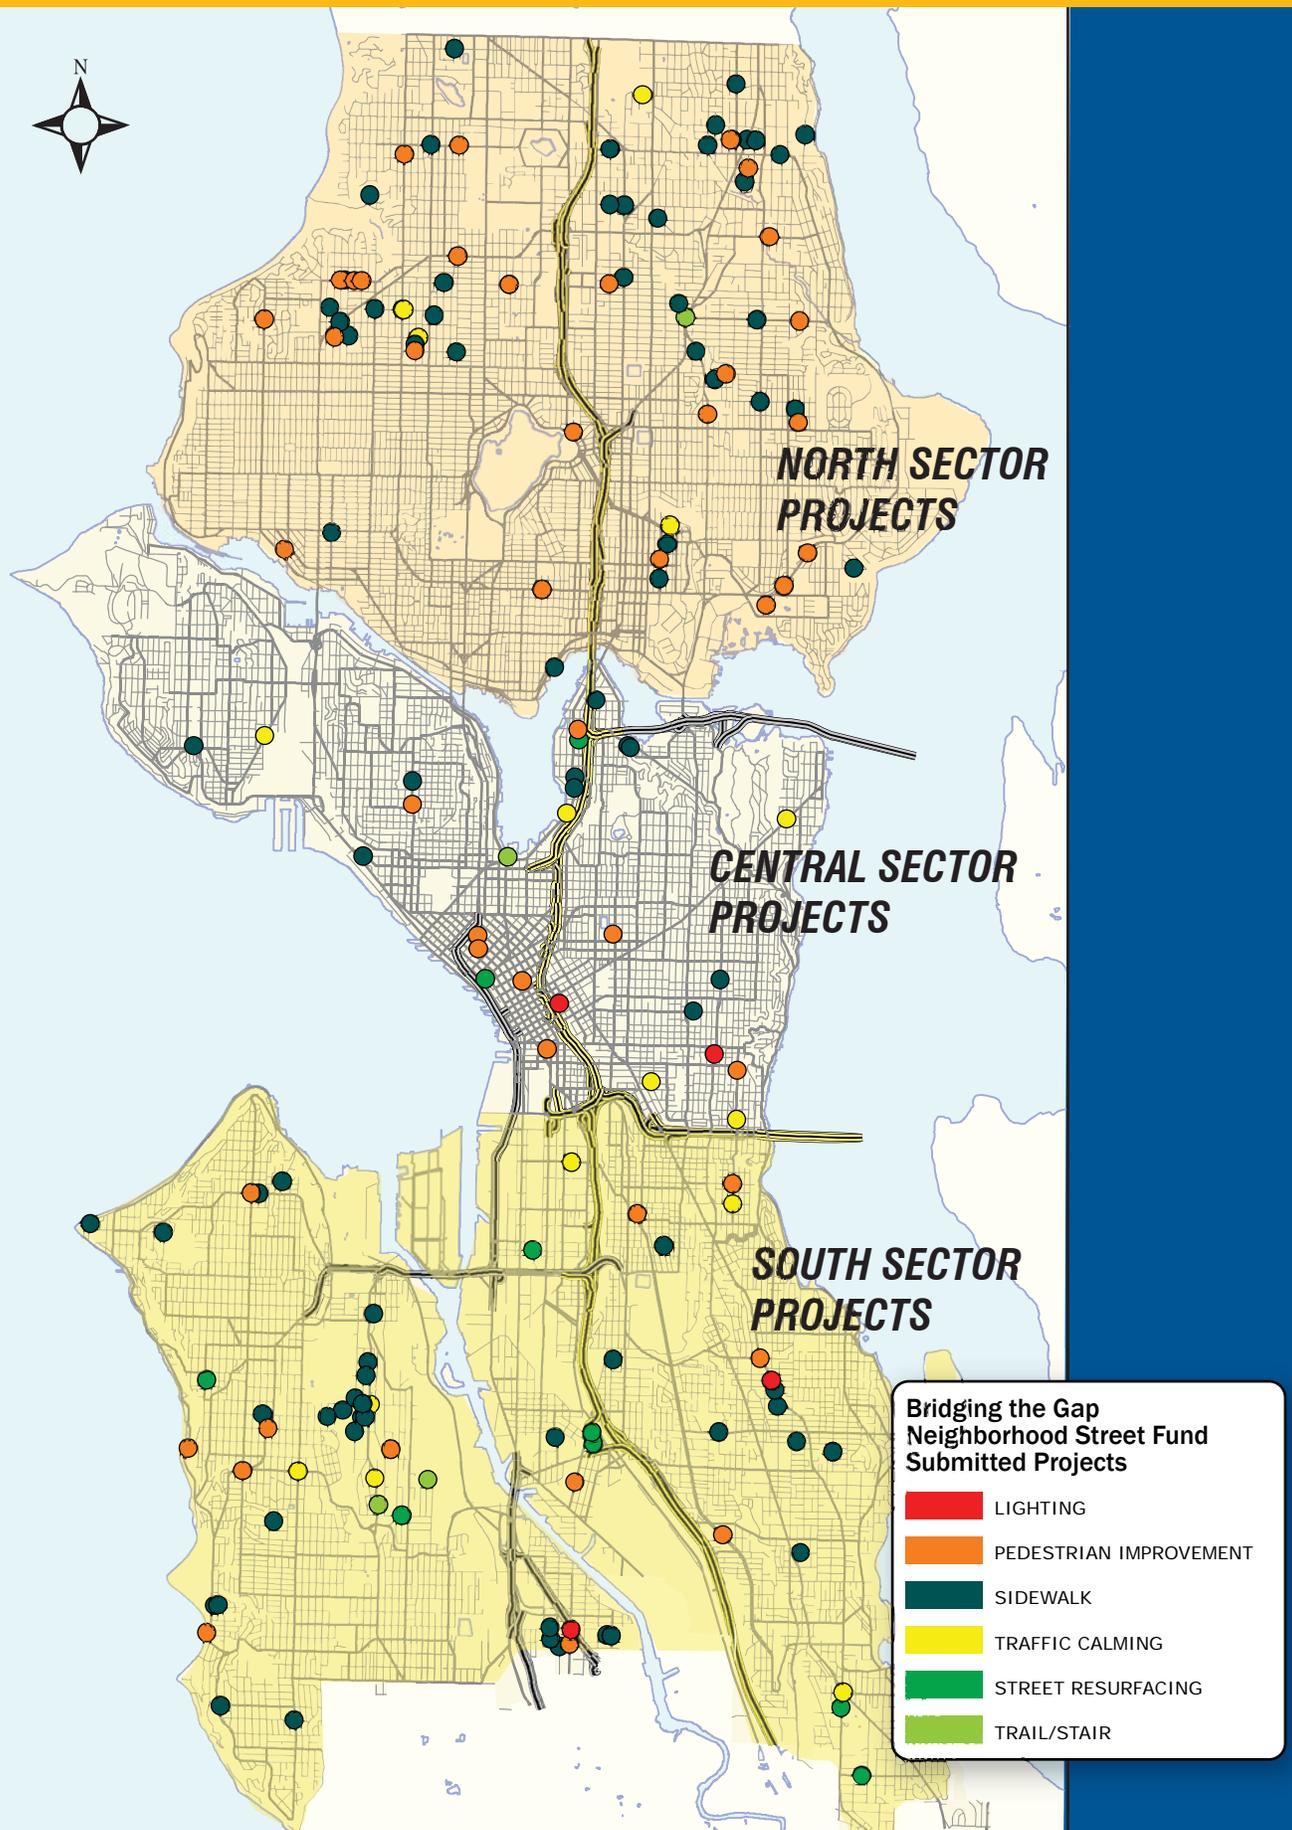

For more information go to: www.seattle.gov/neighborhoods and click on the **Neighborhood Street Fund** icon

or contact **Thérèse Casper** at the Seattle Department of Transportation at therese.casper@seattle.gov or (206) 684-8764.

We will have interpreters available upon request. To make your request, please call **684-ROAD, Press 0** to let us know which language you will be requiring.

Submitted Projects Map

Projects will be on display at Community Open Houses

Map is a representation of submitted projects and is subject to change. All submitted projects may not appear on the map.
