

SDOT's Community Parking Program

3 STEPS to a more vibrant
neighborhood through parking
management

January 17, 2008

Program Goals

- Providing access for customers and loading
- Ensuring parking for residents
- Supporting a sustainable transportation system

January 17, 2008

Community Parking Program

- Working with 35 neighborhoods over seven years
- Studying on-street parking conditions
- Implementing wide variety of improvements

January 17, 2008

3 Steps to Better Parking Management

- 1 year in your community
 - Attending meetings
 - Going on walking tours
 - Opportunity for feedback via mail, phone, email and surveys
- 2 Partners -- Community and the City working together on a parking study
- 3 Needs to Balance—Customers, Businesses and Residents

January 17, 2008
