

CTAC III Public Workshop - May 2011

Comment Form

Thank you for attending a CTAC III public workshop. Please share your thoughts below- we are interested in hearing your candid feedback on transportation issues and priorities for the City of Seattle.

What do you consider the greatest transportation issue(s) facing the City of Seattle?

Given the limited resources for transportation, which is most important to you?

Building new projects

Maintain the existing transportation system

Balance of both

Please explain your answer:

What should CTAC III consider when making transportation recommendations to the City Council and Mayor?

Would you support a ballot initiative to support future transportation investments in Seattle?

Yes

No

Unsure

Please share any other thoughts related to CTAC III: _____
