The Seattle Department of Transportation (SDOT) invites you to attend an open house to learn about the replacement of the Fairview Ave N Bridge. Join us to see the new bridge design and provide feedback on planned improvements.

FAIRVIEW AVE N BRIDGE REPLACEMENT OPEN HOUSE

TUESDAY, NOVEMBER 10, 2015

5:30 – 7:30 PM

Y @ Cascade People's Center
309 Pontius Ave N, Seattle, WA 98109

Accessible from King County Metro routes 25, 66, 70
Paid parking available on nearby streets or at the REI parking garage

The current bridge, built more than 65 years ago, is structurally deficient and seismically vulnerable, and needs to be replaced. The new bridge will provide wider travel lanes, sidewalks on both sides with viewpoints along the lake, and a two-way protected bike lane. It will also accommodate future transit expansion. Construction is planned to begin in spring 2017 with a full bridge closure that will last approximately 15 months. **Join us on Tuesday, November 10 to learn more.**
