

Pedestrian detours on 5th Ave. N at Harrison and Broad Streets

Construction Notice

Mercer Corridor Project Mercer West Construction

January 2015

Crews will continue to complete sidewalk and electrical work along 5th Ave. N. and curb and ADA ramp improvements at the intersections of Harrison St. and Broad St. Once the northwest corner of 5th Ave. N and Broad St. is completed, crews will transition to the northeast corner of the same intersection.

Anticipated impacts include:

- Crosswalks adjacent to the work zone will be temporarily closed and pedestrian traffic detoured up to two blocks around the closure. Please obey all detour signage.
- Bus stops along 5th Ave. N may close temporarily throughout construction.
- Each corner is expected to take approximately two weeks to complete.
