

Beginning Monday, April 20 northbound Dexter Ave. N will be in a temporary configuration for approximately six weeks as crews continue sidewalk, pavement, and signal work on the east side of Dexter Ave. N.

Travelers can expect the following:

- There is one northbound lane on Dexter Ave. N for thru and right-turning traffic approaching Mercer St.
- **Drivers are prohibited from turning right from southbound Dexter Ave. N onto westbound Mercer St.** Use 9th Ave. N as an alternate route to access westbound Mercer St.
- Southbound Dexter Ave. N open to two lanes of traffic north of Mercer St. Southbound left turns from Dexter Ave. N onto Mercer St. are allowed, but all other left turns remain restricted at this intersection.
- Intermittent lane closures in each direction on Mercer St. 9 am to 3 pm. One westbound and up to two eastbound lanes will remain open on Mercer St. at all times unless otherwise announced.
- Intermittent lane closures in each direction on 5th Ave. N 7 am to 3 pm.
