

Beginning Tuesday afternoon, June 23, final signals will be in place at Mercer St. and Dexter Ave. N. Crews will then construct the median on Mercer St. between 8th Ave. N and 9th Ave. N and continue landscaping the area.

Travelers can expect the following:

- Left turns from northbound Dexter Ave. N onto westbound Mercer St. will be allowed.
- Left turns from eastbound and westbound Mercer St. onto Dexter Ave. N will be allowed.
- Right turns from southbound Dexter Ave. N onto westbound Mercer St. will be allowed. Right-turning vehicles and southbound bicyclists will have separate signal phases to reduce conflicts.
- Mercer will continue to operate with three eastbound lanes and two westbound lanes between 9th Ave. N and Dexter Ave. N.
- Mercer St. may be reduced to two lanes in either direction between 9 am and 3 pm weekdays.
- Intermittent lane closures in each direction on 5th Ave. N 7 am to 3 pm.
