

Closure of Roy St. between 4th and 5th avenues

Construction Notice

Mercer Corridor Project Mercer West Construction

September – October 2015

As early as Tuesday, September 8, Roy St. will be fully closed to vehicles and cyclists between 4th Ave. N and 5th Ave. N as crews install a stormwater detention system. Crews will work weekdays from 7 a.m. to 4 p.m. Construction is expected to last between 6 and 8 weeks.

Anticipated impacts include:

- Vehicles and cyclists traveling on Roy St. will be detoured south to Mercer St. between 4th and 5th avenues.
- Local access will be maintained to the alley on the south side of Roy St. between 4th and 5th avenues via eastbound Roy St. The alley will be southbound only during this closure. Please obey all closure and detour signage.
- Street parking will be restricted on this block while work is completed.
- Pedestrian access will be maintained on the south sidewalk along Roy St.
